Communications.

Ann Arbor, Mich., April 13th, 1917. To the Common Council—The Board of Park Commissioners herewith recommends to the Common Council of the City of Ann Arbor, with the consent of the Ann Arbor Driving Club, that Burns Park be offered to the United States Government as a training camp grounds.

Respectfully, Ray E. Bassett, General Superintendent.

Referred to Park committee.

University of Michigan, Ann Arbor, Mich., April 16, 1917.

Ann Arbor City, Mr. Isaac Reynolds, Clerk; Dr. John A. Wessinger, Health Officer: Gentlemen—In order that your records may be complete, I beg to transmit to you below the following resolution with respect to additional Contagious Disease Hospital space, adopted by the Regents of the

University at their meeting of March 30:

Resolved, on condition that the City of Ann Arbor will provide funds for the purpose of building a contagious disease hospital, that the University of Michigan will furnish a site for the same, and agrees to equip and maintain it after completion. Such hospital shall be for the sole use of patients taken sick of contagious diseases in the City of Ann Arbor, and such hospital shall be conducted under such conditions as shall be arranged between the City of Ann Arbor and the Board of Regents.

I regret that owing to absence from the city and pressure of work it has been impossible for me to send you this formal notice at an earlier date. Yours truly, S. W. Smith, Secretary.

Moved by Ald. Lutz, that the communication from S. W. Smith, Secretary of Board of Regents of University of Michigan, be accepted and resolution adopted by Board of Regents be entered in the minutes.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Ann Arbor, Mich., April 16, 1917.
To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the City of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS, City Clerk.

To the Honorable the Common Council: Gentlemen—Your Finance Committee has reviewed the foregoing report. Warrants

for salaries were drawn April 16, 1917. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

GEO. LUTZ, JOHN MCGREGOR, Finance Committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Lighting Committee.

To the Honorable, the Common Council: Gentlemen—Your Lighting committee respectfully recommends that an arc light be placed at the intersection of Main and Huron sts. in middle of street, not on arm.

Respectfully submitted, John McGregor, Chris T. Donnelly, Sam C. Andres, Lighting Committee.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Respectfully submitted, Isaac G. Reynolds, City Clerk.

By Ald. Mayer: Resolved, that all applications for saloon licenses and all bonds in the hands of the City Clerk be referred to the license and bond committees to report back to the council next Monday night.

Resolved, further, that when this Council adjourns it do so to meet Monday, April 23d, 1917, at 7:30 p. m.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

City of Ann Arbor, Mich., April 16, 1917.

To the Honorable Common Council, Ann Arbor, Mich: Sirs—I would estimate the cost of oiling Washtenaw avenue, from Oxford Road to Fair Oaks Parkway, as per petition presented to your body, to be \$125.00. Respectfully submitted, Manley Osgood, City Engineer.

City Engineer called attention to necessity of storm sewer on S. University ave., and the matter was referred to Sewer committee.

By Ald. Lutz: Resolved, that the sum of \$75.00 be fixed and determined as 60 per cent of the cost of oiling Washtenaw ave., from Oxford Road to Fair Oaks Parkway, and that the City Treasurer be authorized to collect the above stated sum for the oiling of said street, from the petitioners, and upon payment of same to report such payment to the Board of Public Works.

Resolved, further, that the Board of Public Works proceed to oil said street upon receiving the proper notice from the City Treasurer.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor,

Freeman, Lutz, Pres. Reichert, 14.
Nays, none.

By Ald. Lutz: Resolved, that Mr. John R. Miner be employed, at a sum not to exceed \$125.00, to audit the city books to May 1st, 1917, and report his finding to the council as soon thereafter as is possible.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14.
Nays, none.

Ald. Lutz informed the Council that the lease to C. E. Lewis of city property, known as Steere farm, had been

terminated at Mr. Lewis' request, and the City Attorney had prepared a lease of said property to Clarence D. Lannon at rental of \$800.00 per year.

Moved by Ald. Lutz, that the lease be approved by Council and the Mayor and Clerk authorized to sign same.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14.
Nays, none.

The Council adjourned.

ISAAC G. REYNOLDS,
City Clerk.

Council Chamber, Ann Arbor, Mich., April 23, 1917. Adjourned Regular Session.

Meeting called to order by the president. Present: Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Absent: Ald. Sherck, 1.

Communications.

From Board of Public Works—

Moved by Mr. Arnet, that the Board recommends to Council that inspectors on sewer construction in the City Engineer's department, after serving as such inspectors for period of six months, be given \$100.00 per month. Adopted by Board.

(Council action).

Moved by Ald. Markey, that the matter be referred to the Street committee. Adopted.

Communication from Guy Mullison, requesting permission to extend sidewalk from present walk to edge of street curb, in front of his property, No. 326 E. Ann st., received and referred to Sidewalk committee.

Petitions for Oiling Streets.

Petitions for oiling streets were received as follows:

Petition of J. K. Malcolm, et al., on Martin Place from Cambridge road, to and including the property owned by G. H. Hoffstetter.

Petition of Wm. J. Conlin, et al., on E. Kingsley st., from Nos. 727 to 823.

Referred to City Engineer for an estimate and distribution of the proper cost of preparing and oiling said streets.

Committee Reports.

Sewer Committee Report.

To the Honorable, the Common Council: Gentlemen—Your Sewer committee has had the following matters under consideration, and respectfully recommends:

That sanitary sewers be constructed as follows: On Packard street, from Brooklyn ave. to city limits; on Cedar st., from Pontiac st., to Wright st., and on Wright st., from Swift st. to Kellogg st., and on Pontiac st. from Moore st. to city limits; on all streets in Packard Lawn addition; in the Eber White 1st addition on Eber White boulevard, from Elder boulevard, south to Madison street; on Elder boulevard, from its junction with Buchanan avenue, southwesterly to the end of said Elder boulevard; on Hiscock boulevard, from Elder boulevard to Liberty street; on Lutz ave., from opposite lots seventy-five and eighty-three, west, to Elder

boulevard; on Maxwell ave., from Hiscock boulevard west to the end of said Maxwell ave.; on Wakefield ave., from Hiscock boulevard west, to the end of said Wakefield ave.

That sanitary sewer be constructed on Eighth st., from Huron to Washington street, provided the abutting property owners sign an agreement to pay for same when completed.

That the petition for sanitary sewer on West Phillip street, from Main street west about 1,200 ft., be not granted, as the street has not been accepted by the city.

That the City Engineer prepare plans, specifications and estimate of cost for construction of storm sewer on South University ave., from State st. to East University ave., and for storm sewer on Dewey ave., from Packard st. to State st., and on State st., from Dewey ave. to Edwin st.

That the claim of Fannie S. Huntington for alleged damages caused by Glen ave. sewer be not allowed, as it is a matter for the contractor to take care of.

That the petition of Charles Wheeler for exemption on sewer assessment for Detroit street sewer be not granted.

Respectfully submitted, Geo. Lutz, J. W. Markey, M. E. Sugden, John Huss, W. L. Henderson, C. C. Freeman, Sewer Committee.

Ald. Sugden moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

By Ald. Sugden: Resolved, that the construction of the sanitary sewers hereinafter mentioned, is deemed and declared to be a necessary public improvement, and the construction of the same is hereby ordered, that is to say: On Packard st., from Brooklyn ave. to city limits; on Cedar st., from Pontiac st. to Wright st., and on Wright st., from Swift st. to Kellogg st., and on Pontiac st., from Moore st. to city limits; on all streets in Packard Lawn addition; in the Eber White 1st addition, on Eber White boulevard, from Elder boulevard, south to Madison st.; on Elder boulevard, from its junction with Buchanan ave., southwesterly to the end of said Elder boulevard; on Hiscock boulevard, from Elder boulevard to Liberty st.; on Lutz ave., from opposite lots seventy-five and eighty-three, west to Elder boulevard; on Maxwell ave.,

from Hiscock boulevard west to the end of said Maxwell ave.; on Wakefield ave., from Hiscock boulevard west, to the end of said Wakefield ave.

Resolved, further, that the City Engineer cause all needful surveys, maps, measurements and estimates to be made, and report to the council with all convenient dispatch.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Street Committee.

To the Honorable Common Council: Sirs—Your Street committee recommends that East Huron street, from the west line of Fourth avenue to the east line of Fifth avenue, be repaved with vitrified brick on concrete foundation, using the brick purchased from Barnes & O'Neil, the Board of Public Works to furnish plans and specifications for such paving as soon as possible.

That the asphalt block streets in the city be repaired and given a carpet coating of tar and sand.

Respectfully submitted, Sam Heusel, O. Mayer, J. W. Markey, Oscar E. Hauser, John McGregor, C. A. Sink, Sam C. Andres, Street Committee.

Ald. Heusel moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Sidewalk Committee Report.

To the Honorable, the Common Council; Gentlemen: Your Sidewalk committee respectfully recommends that the following sidewalks be ordered built, and the following resolution adopted:

Resolved, that the grading and construction of the sidewalks hereinafter mentioned, is deemed and declared to be a necessary public improvement.

Therefore, it is hereby ordered that stone or cement sidewalks be graded, built and constructed in the City of Ann Arbor, on and along the East side of State st., from Granger ave. south to south city limits.

Brewers' Bond.

The Michigan Union Brewing com-

pany, principal, the Michigan Bonding & Surety company of Detroit, Michigan, surety.

Your committee further recommends that the liquor dealers' bond of Albert H. Staebler and Willis G. Johnson, principals; John G. Fischer and Edward W. Staebler, sureties, be not accepted at this time on account of failure to give liber and page on which deeds are recorded. That saloon and liquor dealer's bonds of Frank Marz, principal; William H. Stark, Clarence J. Sweet, sureties, be rejected for reason that one of the sureties is an official of the city of Ann Arbor.

Respectfully submitted, C. C. Freeman, John Huss, Wm. L. Henderson, Bond committee.

Ald. Freeman moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pros. Reichert, 14. Nays, none.

Park Committee.

Ald. Markey, chairman of Park committee, to which committee was referred the commendation of Ray E. Bassett, Supt. of Parks, relative to offering Burns Park as a training camp to the government, reported that the Council had no jurisdiction over the race track situated on said park.

Mayor's Message.

City of Ann Arbor, Mayor's Office, Ann Arbor, Mich., May 7th, 1917.

To the Honorable the Common Council, City of Ann Arbor, Michigan: Gentlemen — It has been a time honored custom for the chief executive of our city to send an annual message to the common council outlining the work which he desired to see accomplished during the succeeding year, and make such suggestions and recommendations as he deemed proper. In attempting to follow out this custom I am somewhat at a loss to know just what to say under existing conditions and at this time of unrest.

"I feel very keenly, as no doubt all of you do, the trust and responsibility placed upon us as custodians and directors of our municipality.

"As a general rule the needs of any growing community are many, and to this rule I feel that our city is no exception. From information acquired as a member of your honorable body during the past two years as to the needs of our various departments and undertakings I might recommend much. I feel that our public improvements have not kept pace with the rapid growth of our city, but I feel that in the present crisis, confronted as we are with our nation at war, the municipality, as the individual, must move cautiously and act judiciously.

"While we are confronted with matters of national and international scope we must not lose sight of the problems of local concern. One of our big problems is the ever present water question. When I addressed you a year ago I, in all confidence, hoped that the rights to the 'Steele farm' water might be settled long ere this by a decision of the supreme court in the case now pending before it. I sincerely trust that within a short time a decision will be given in the matter so that the city's water situation may be settled.

"One other important question which I had hoped to see settled during the year just passed was the adoption or rejection of the proposed charter, so that the officers of the

city might know what and how to plan for the best interest of our city's future.

"In this annual message I could take up the needs of the different departments and might suggest some improvements which I feel should be made, but I prefer to take those matters up with you from time to time as I feel that the occasion demands.

"Our streets and pavements should be given your careful consideration and I recommend that the streets which are the main avenues to the railway stations be placed in respectable condition at the earliest possible time. I feel that the impression which visitors get upon the arrival in our city, owing to street conditions leading from the stations, is not very beneficial to us. Your street committee and the board of public works should jointly investigate, plan and arrange such a far sighted program of improvement as would give us the best possible street conditions with the funds available. Our dirt streets should first be given proper drainage and only when this is properly done should the expense of graveling be incurred.

"The care of the storm water of the city should be taken up at once. The plans for converting Allen's creek into a modern storm water sewer should be completed without delay, and the work of construction started immediately upon the completion of the plans. I feel that this is a pressing necessity in order to avoid the payment of damages for injuries caused by flooding.

"Within a short time you will be called upon to make up a budget for the ensuing year and I feel that while you should carefully estimate the needs of the various departments you should also keep in mind the taxpayer. The city is no different than the individual as regards the high cost of labor and materials. The labor and materials necessary to carry on the future work of the city has advanced greatly in price and the budget for the year should be so made that the funds will be sufficient. When you have done this in the careful manner in which I know you will do it, then see that the different departments live within the appropriated amounts. In making up the present budget you should also keep in mind that this is the last year that the city will receive any liquor license or tax.

"I again desire to call your attention to the urgent need of greater

cemetery facilities, to which I have given considerable consideration, and regarding which I urge you to take early action.

"I desire to recommend to your body and to the water commissioners an adjustment of water rates to the end that the rate bases be more equal. The members of your body and the water commissioners have long known that under the present system one consumer might be conservative in the use of water and still be obliged to pay a very high rate while his neighbor who uses water very freely and extravagantly pays but a low rate. I trust that this inequality will soon be remedied.

"In closing I desire to show my gratitude and appreciation for the kind consideration and assistance given me by the officers and committees as well as the heads of the different departments during my term as your presiding officer. While we may not have accomplished all that was desired I feel that our efforts have not been in vain and I feel certain that your future endeavors will master the unaccomplished.

With best wishes for a co-operative, economical and efficient service to our city I extend to you my best wishes and sincere thanks.

Very respectfully yours, Ernst M. Wurster, Mayor.

Ordered on file.

Mayor's Appointments.

Ann Arbor, Mich., May 7, 1917.

To the Honorable, the Common Council: Gentlemen—I herewith submit, for your approval and confirmation, the following appointments to the various offices and boards of our city:

City Treasurer, Charles L. Miller.

City Attorney, Frank B. DeVine.

Board of Fire Commissioners, Albert Fiegl.

Board of Health, Alfred G. Walker.

Board of Public Works, Fourth ward, J. Fred Rentschler.

Board of Public Works, Fifth ward, Ernest Rehberg.

Board of Park Commissioners, Levi D. Wines.

Respectfully yours, Ernst M. Wurster, Mayor.

Moved by Ald. Lutz that the Mayor's appointments be approved and confirmed.

Adopted by the following vote: Yeas, Ald. Hensel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor,

Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Ann Arbor, Mich., May 7, 1917.

To the Honorable, the Common Council: Gentlemen—Having been disappointed in my plans for changes in the police department, I am not ready at this time to announce any appointments in that department. At some future meeting I will make known my changes.

Very respectfully, Ernst M. Wurster, Mayor.

To the Council: At the request of the buildings and grounds department, I hereby appoint George Eberle as special police at the University and without pay from the city.

Respectfully submitted, Ernst M. Wurster, Mayor.

Ann Arbor, Mich., May 7, 1917.

To the Honorable, the Common Council: Gentlemen—I hereby wish to announce the appointment of F. W. Biggs as special police to serve at temporary bridge at Broadway, over the Huron river.

As this appointment is to an employee of the street department this service will be without extra pay from the city.

Respectfully submitted, Ernst M. Wurster, Mayor.

Mayor's communication, relative to appointments, ordered on file.

From Fire Commission.

Ann Arbor, Mich., May 3, 1917.

Special meeting of the Board of Fire Commissioners and Fire committee from the Common Council, was held May 3rd, 1917, with the following present:

Sid Millard, president, Julius Haarer, Chris Donnelly, John Huss.

Motion made and carried that the Board of Fire Commissioners and Fire committee recommend to the Common Council that they accept the bid of the American-La-France Fire Engine Company to furnish one 750 gallon combination pumper and hose wagon motor driven fire apparatus, same as now in service, for the sum of \$8,550.00, less the special discount of 4 percent cash within thirty days after acceptance of apparatus, making a net cost for machine of \$8,208.00.

After careful investigation by the Board of Fire Commissioners and Fire committee of the merits of various tractors for the Aerial Ladder Truck, the board and committee recommended the purchase of a Reo tractor, same being the lowest bid given and assuring service, if necessary, by their

Loca! Service Station, and following motion was made and carried:

Motion made and carried that the Board of Fire Commissioners and Fire committee recommend to the Common Council that they accept the bid of Staebler & Sons, Incorporated, to furnish a special 2½ ton Reo Tractor for the aerial ladder truck, for the sum of \$2,143.00.

The Board of Fire Commissioners also wishes to recommend to the Common Council that said body authorize the Board of Fire Commissioners and Fire Chief to dispose of such horses and displaced fire equipment as soon as expedient, and to the best interests of the fire department.

Board of Fire Commissioners, Fire Committee from Common Council,
Sid W. Millard, Julius F. Haarer,
C. J. Sweet.

Attest: Julius F. Haarer, Secretary of Meeting.

Bids are as follows:

Pumper—

American La France\$8,550.00
Less 4 percent8,208.00

Seagrave Company 9,000.00
Ahrens-Fox Co. 9,500.00

Less 3 percent 9,215.00
Robison Co. 9,000.00

Tractor—

Staebler & Sons (Reo)\$2,143.00
Thompson Co. (Federal) .. 2,450.00

Robinson Co., 2 wheel..... 4,000.00
Robinson Co., 4 wheel..... 4,500.00

Moved by Ald. Huss, that the recommendations of the Fire Commissioners be concurred in, and after purchasing the new equipment, any balance which shall remain from the sale of horses and old equipment be placed in the contingent fund.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

From Board of Public Works.

To the Board of Public Works, Ann Arbor, Michigan: Sirs—Your committee to whom was referred the matter of pump for lifting road oil from the city storage tank, respectfully suggest that this board recommend to the Council the installation of a motor driven pump, with pipe line to deliver the oil from said tank to oil distributor at the entrance to the Gas Company's plant on Broadway.

Respectfully submitted, Jos. L. Arnet.

Adopted by board.

(Council action)—

Moved by Ald. Lutz, that recommendation be approved, and board authorized to install pump with pipe line.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

(From Board)—

To the Board of Public Works, Ann Arbor, Michigan: Sirs—Your committee to whom was referred the matter of plan for North Main street respectfully suggest that this board recommend to the Council the construction of sidewalk on the west side of North Main street, from the north end of the present walk to the city limits, and on the east side of North Main street, from the end of the present walk past the building of the Ann Arbor Scrap Metal Company. In establishing the line and grade for these walks it will be necessary that the matter of plan be properly worked out.

Respectfully submitted, Titus F. Hutzel.

Adopted by board.

(Council action)—

On motion of Ald. Lutz, referred to Sidewalk committee.

(From Board)—

To the Board of Public Works, Ann Arbor, Michigan: Sirs—I have had under consideration the matter of road oil bids which were received at the last meeting of the board. I respectfully recommend that the bid of the Indian Refining Company, 6.67c per gallon bulk in tank cars, f. o. b. Ann Arbor, be accepted. The 65 per cent and 85 per cent asphalt oil to be specified at the time of ordering. This oil to be used for oiling unpaved streets.

I would respectfully recommend that two or three tank cars of tar bid upon by the Barrett Manufacturing Company, be purchased for tarring the concrete and asphalt block pavements. My reason for recommending this refined tar in preference to the crude tar formerly used, is to avoid the frothing and foaming of material in the newly purchased distributor, due to driving off water and lighter oils while bringing the oil to temperature.

This material to be ordered as needed by the Street Commissioner.

Respectfully submitted, Manley Osgood.

Moved by Mr. Hutzel, that report be accepted and recommended to Council. Adopted by Board.

(Council action).—

Moved by Ald. McGregor, that recommendations be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

(From the Board).—

Sealed proposals, plans and specifications for construction of incinerator were received from Michigan Incinerator and Contracting Co., Detroit, Michigan; H. H. Wagner, Huntington, Ind.; Decarie Incinerator Co., Minneapolis, Minn.; Borg, incorporated corporation, New York; the Crimson-Russell Co., New York.

Moved by Mr. Arnet, that the bids be referred to a committee of three, and the City Engineer, to report back to Board at next meeting.

Adopted, and Messrs. Hutzel, Arnet and Cole appointed as committee.

City Engineer presented communication from the McGuire-Hunter Co., relative to submitting bid, etc., for incinerator, and it was referred to special committee on incinerator bids.

Committee Report on Incinerator Bids.

Ann Arbor, Michigan, May 2, 1917.

Board of Public Works, Ann Arbor, Mich.: Your committee to whom was referred the question of a garbage disposal plant have had the matter under thorough consideration, and beg leave to submit the following report:

We have before us four or five propositions ranging from \$9,700.00 to \$35,000.00 in price, for garbage incinerating plants. In our opinion, it would be wise to give the Wagner system a thorough investigation, on account of the low cost and its recommendations. The Wagner system is installed at Richmond, Indiana, and at Iron Mountain, Michigan.

We would, therefore, unanimously recommend a close investigation of the Wagner system, and if the investigation shows this system to be all that Mr. Wagner represents it to be, and if it can be installed for a sum not to exceed \$9,700.00, and if Mr. Wagner is willing to give a satisfactory bond for the construction of such a plant to dispose of the amount of garbage this city has to dispose of, say from twelve to fifteen tons per day, we would further recommend

that the contract be awarded to Mr. Wagner.

It would also seem wise, in the opinion of your committee, that a very reasonable and desirable location for the placing of such an incinerating plant would be on the property owned by the City of Ann Arbor on the North River road, known as the "Old Pest House Property". This property is favorably located to all parts of the city, can easily be connected with the main sewer and has a natural drainage to the river. All of which is respectively submitted. Titus F. Hutzel, Jos. L. Arnet, A. R. Cole, committee.

(Adopted by Board).

Moved by Ald. Freeman, that a committee of three, one of whom to be Ald Lutz, be appointed to confer with a like committee from the Board of Public Works to investigate the incinerator bids and report back to Council.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Chair appointed Ald. Lutz, Freeman and Arnet.

Accountant's Report.

Ann Arbor, Mich., May 4, 1917.

To the Common Council of the City of Ann Arbor: Gentlemen—In compliance with your resolution of April 16th, I have carefully examined the books, vouchers and accounts of the City Treasurer, and of the City Clerk, and find that the same have been prepared and kept correctly; that the balance shown to be on hand April 30, 1917, was deposited in the bank designated by the Council as the depository of the monies belonging to the city, except the small sum collected after banking hours, and that amount was on hand in the vault of the City Treasurer.

Respectfully, Jno. R. Miner, Accountant.

Moved by Ald. McGregor, that report be accepted. Adopted.

From Detroit Edison Company.

The Detroit Edison Company, Eastern Michigan Division, Ann Arbor, Mich., May 2, 1917.

The Honorable, Common Council of the City of Ann Arbor: Gentlemen—We have been in receipt of certain complaints, and have, ourselves, been aware of the cause for complaints regarding the boulevard lighting on Main street, and the first

blocks of the intersecting streets, and are desirous of co-operating with the city of Ann Arbor to correct this state of affairs in so far as we may.

The present cause of the trouble with the boulevard lighting on these streets, is when the system was installed, there was not sufficient copper provided in the under-ground distribution to permit of sufficient flow of current, particularly, to the more remote parts of the system, resulting in serious dimming of the lights. This state of affairs existed since the system was installed, and will exist as long as the system is operated as at present.

As a correction, we propose one of two changes: First that The Detroit Edison Company be permitted to cut the system into four or five sections and have a meter for each section.

The second consideration is that The Detroit Edison Company be permitted to buy the present system at a fair value, and install a system which is thoroughly up-to-date, and be satisfactory to the city of Ann Arbor and also to The Detroit Edison Company.

As a means of demonstration of what this proposed system will be like, assuming, of course, that the city of Ann Arbor wishes to make a change, The Detroit Edison Company is asking for permission to install two posts at the intersection of Main and Huron streets, on diagonally opposite corners, each post to be of cast iron about 10-feet high and carrying on the top a single nitrogen filled lamp. The Detroit Edison Company will assume the expense of the installation and the expense of operation for a period of one month as a demonstration. These posts to be installed and to be the same, in general, as the posts used in the lighting system in the village of Highland Park and Grosse Pointe. These two mentioned villages having been, recently, equipped with up-to-date boulevard lighting systems.

In order to bring about the improvement in this boulevard lighting as soon as possible, we are, therefore, praying your honorable body to grant us permission to take such action as you feel will be the greatest advantage to the city of Ann Arbor. Yours very truly, E. T. Cope, District Agent.

Referred to Lighting committee.

Moved by Ald. Sherk, that The Detroit Edison Company be granted per-

mission to install two posts at intersection of Main and Huron sts., for the purpose of demonstration, as requested in their communication. Adopted.

Petitions.

To the Common Council of the city of Ann Arbor: We, the undersigned, citizens of Ann Arbor, most respectfully petition your honorable body to take such action as may be necessary to make Eastern standard time the generally adopted time of the city of Ann Arbor during the months of April, May, June, July, August and September, and central standard time, city time, during the remaining six months of each year.

Signed L. D. Wines, and 225 others.

On motion of Ald. Lutz, referred to Ordinance committee.

Petitions for Oiling Streets.

Of Wm. Goodyear, et al., on Lincoln ave., from Hill st. to and including Wuert's and Robinson's property.

Of Frank E. Jones, et al, on S. Main st., from Packard st. to Madison st.

Of J. F. Breakey, et al., on Cambridge road, from Lincoln ave. to Baldwin ave., and on Baldwin ave., from Washtenaw ave. to south line of J. F. Breakey property.

Of G. J. Rav, et al., on E. University ave., from Hill st. to Tappan, on Oakland ave., from Tappan to Church st., and on Hill st., from Twelfth st. to Church.

Of D. W. Springer, et al., on Tappan, from Hill st. to E. University ave.

Of Genevieve Allen, et. al., on Willard st., east block.

Of Mrs. Frank R. Payne, et. al., on State and Thayer sts. between Huron and Catherine sts., and on Ann st., between State and Thayer sts.

Of J. L. McGregor, et al., on South and on East University aves.

Foregoing petitions referred to City Engineer for estimates, and distribution of cost of preparing and oiling said streets.

Warranty deed received from James W. Glover and wife, Charles E. Bowling and wife, and George H. Fischer and wife, to city of Ann Arbor, for street purposes, and referred to City Attorney and Street committee.

Quit-claim deeds for right of way for sewers in block four, south, range four and five west, William S. Maynard's Third Addition to City of Ann Arbor, were received from Dorothea

Goetz, Fred Schleyer, Frederick J. Hoffman and wife, Emory A. Keppler and wife, Ernest Elsasser and Samuel Henne, et al.

Moved by Ald. McGregor, that quitclaim deeds be accepted.

Adopted by unanimous vote of those present, 14.

- 619 South Thayer, raise to grade 5 ft. section at north end and 5 ft. section at south end of property.
- 619 South Thayer, repair at driveway.
- Northeast corner Olivia ave. and Granger, on Olivia avenue side, repair and mop.
- Your sidewalk committee has had the following matter under consideration and respectfully recommend:
1. That the city clerk notify Contractor Thomas Hession to tear out and relay, in the cement sidewalk laid by him on the north-east corner of Division and William street, five 5-foot sections on William street, and three 5-foot sections at corner William street and South Division street, as specified by and to the satisfaction of the city engineer and street commissioner; and in case of his neglect to carry out this order that the contract of the said Thomas Hession with The City of Ann Arbor for the construction of cement sidewalks be cancelled.
 2. That sidewalk grade at 210 West Kingsley st. remain as set by city engineer.
 3. That the City Clerk be authorized to draw warrant in favor of The Goodspeed Real Estate Company, for \$20.63, being approximately one half the cost of constructing sidewalks in front of their property on South State street, and the said amount be charged against the account of Sewer Contractor Thomas Joyce, or his bondsmen.
- Respectively submitted: Chris T. Donnelly, O. R. Mayer, Sam Heusel, I. L. Sherk, C. C. Freeman, W. L.

Henderson, Sidewalk Committee.

Ald. Donnelly moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Lighting Committee Report.

To the Honorable, the Common Council: Gentlemen—As arrangements have been made to use the railway bridge on the Michigan Central sidetrack for foot passengers and horsedrawn traffic during the construction of the Broadway bridge, your Lighting committee has deemed it advisable to order an arc light placed over said temporary traffic bridge and we recommend that the committee's action be concurred in. Respectfully submitted: Mark B. Sugden, J. W. Markey, Sam C. Andres, Lighting committee.

Ald. Sugden moved the adoption of report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Respectfully submitted, WATERWORKS DEPARTMENT of the City of Ann Arbor, by Geo. S. Vandawalker, Manager.

Reports for month of April were received from City Treasurer, City Clerk, and Acting Marshal, and quarterly reports from Water Works Department and Justice John D. Thomas.

Report ordered to take usual course.

City Engineer's Report.

Ann Arbor, Mich., May 4, 1917.

To the Honorable Common Council, Ann Arbor, Michigan: Sirs—Last year when we were considering the advisability of heating both the Fire Station and the City Hall from one heating plant, it was

noted that if the present boiler room were properly sealed to prevent the dust and dirt from rising through the walls above, a much cheaper grade of coal could be burned than is at present being used. This grade of coal would also give better satisfaction in the operation of the furnace which is provided with grates for that grade of coal. I would therefore recommend that you take under advisement the plastering and sealing of this boiler room and coal bin.

Respectfully submitted, Manly Os-good.

Moved by Ald. Lutz, that the matter be referred to Police committee and City Engineer. Adopted.

Report from Ald. Andres and Supt. of Parks Ray C. Bassett, relative to expenditure of appropriation for skating ponds, received and ordered on file. Report showed total expenditures \$174.81 and balance of appropriation \$125.19 returned to Entertainment fund.

City Clerk called attention to condition of city scales and matter was referred to Street committee.

City Attorney presented the following communication:

Toledo, Ohio, At: Ann Arbor, Mich., April 20th, 1917.

Mr. Frank B. DeVine, City Attorney, 106 No. Fourth ave., Ann Arbor, Michigan: My dear sir—Confirming our conversation this evening, relative to opening Edwin street, Ann Arbor, across the Ann Arbor Railroad, I beg to confirm proposition made to you, viz., That because of the large number of train and engine movements which are now being made over this proposed street, because it is at the "throat" of our yard where all of our switching is done, we do not want the street opened, but rather than get into lit-

igation with the City, and to show our willingness to co-operate in the development of your City, we will be willing.

(1) To grant to the City of Ann Arbor the right of way across the railroad tracks for the proposed street, without charge.

(2) The City of Ann Arbor to enter into an agreement, under which they would provide wholly at their own cost.

(a) Necessary gates on each side of the tracks, operated from a tower by gateman, which we estimate will cost approximately \$1400.00 or \$1500.00.

(b) Installing necessary crossing plank, side walk and such other structural changes as may be necessary; estimated expenditure of approximately \$400.00.

(c) The City to pay 50 percent of the wages of the man operating the gates, and any other watchman which may be required for safe protection of the traffic over the said crossing; the other 50 percent to be paid by the Railroad Company.

(d) The Ann Arbor Railroad Company to stand the cost of maintenance of the new structures.

We understand, as stated to you, that this is more than the law would require us to do, but as we stated, it is our desire to co-operate in the development of the City and for that reason make this proposition.

Yours very truly, A. W. Towsley, Vice President and General Manager of The Ann Arbor Railroad Company.

City Attorney recommended that matter be referred to Street and railway committees, and it was so referred.

By Ald. Lutz: Resolved, that the prices determined by the City Engineer for the oiling of all streets for which petitions have been received, be fixed and determined as the price to be paid by the petitioners, and that the City Treasurer be ordered to collect all sums to be paid by petitioners.

Resolver, further that the Board of Public Works proceed with the oiling of all streets for which petitions have been received and approved, upon receiving the notice from the City Treasurer, as provided by an ordinance, relative to street oiling.

Adopted by the following vote: Yeas, Ald. Hensel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Resolutions.

Moved by Ald. Lutz that matter of alleged damages to property of George Huntington, 1038 Huron st., in consequence of sewer construction, be referred back to Sewer committee. Adopted.

By Ald. Donnelly: Resolved, that the Ann Arbor Driving Club be granted the use of that portion of Burns Park lying inside of the race track, provided that said club keep up said and in a manner suitable to the city, and without any cost to the city.

Resolved, further, that the Board of Park Commissioners be requested to concur in this matter.

Referred to Park committee and Park Commission.

By Ald. Lutz: Resolved, that the heads of all departments prepare an itemized statement of the approximate cost of their respective departments, for the ensuing year, with the distinct understanding that the several amounts must be cut down to the very lowest amount possible. These statements to be in the Clerk's office not later than May 17th. Adopted.

By Ald. Lutz: Resolved, that a committee of the whole be held Friday, May 18, 1917, 7:30 p. m., at Board of Public Works room, for the purpose of preparing the budget for the ensuing year. Adopted.

The Chair announced that the term of office of John D. Lindenschmitt, as Water Works Commissioner, expires at this time. Titus F. Hutzl and John Lindenschmitt were nominated. On motion, ballot was taken with following result: total vote cast 14, of which Mr. Lindenschmitt received 9, and Mr. Hutzl 5.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

May 9, 1917.

To the Honorable Common Council of the City of Ann Arbor Mich.: Gentlemen—We ask for your confirmation for an increase from \$50.00 to \$65.00 per month for the fireman at stations one and two, of the Water Department. Same to take effect May 1, 1917.

Very respectfully, John Lindenschmitt, Geo. J. Mann, Wirt Corns, Water Commissioners.

Moved by Ald. Lutz, that increase, recommended by Water Commissioners, be approved.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Henderson, Donnelly, Markey

Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ann Arbor, Mich., May 21, 1917.

To the Common Council: Mr. G. F. Allmendinger has offered to the City of Ann Arbor, for park purposes, a triangular piece of land of more than three acres, bounded by three proposed streets in his new addition to the Second ward of this city, with the condition attached to the offer that the City shall perform the preliminary street grading necessary around this property, the work to be done during the season of 1917.

Another triangular piece of land opposite the land in the above offer, is to be tendered to the School Board for school purposes, and should this board for any reason, not desire the tract, it will be added to the above offer and on the same conditions.

The Board of Park Commissioners believe that this partially wooded area is so situated to be of real value

City's future park development, and request that the Common Council accept this generous offer from Mr. Allmendinger, and that they authorize the street department to do the preliminary street grading necessary around the tract as specified in the offer.

Respectfully submitted, Board of Park Commissioners. Ray E. Bassett, Gen'l Supt.

Moved by Ald. Donnelly, that the matter be referred to Street committee. Adopted.

Ann Arbor, Mich., May 21, 1917.
City Clerk: I do not believe that it will be necessary to submit an estimate on bridge for Island park, inasmuch as the council now knows how much the bridge will cost, and have made necessary provision in their budget for that purpose. Mr. Busche of Grand Rapids, the contractor of the Broadway bridge, was the lowest bidder, and his bid was just under \$1200.00, so you see that the Council action will cover the cost, and when officially acted upon to-night, the Park Commission will be empowered to let the contract.

Yours truly, Ray E. Bassett.

Referred to Park committee.

Ann Arbor, Mich., May 16, 1917.
To the Honorable Common Council: Gentlemen—I hereby ask your honorable body to construct a sanitary sewer in Ninth st., from Huron st. to W. Washington st., as soon as possible.

John A. Wessinger, Health Officer.

Moved by Ald. Lutz, that the matter be referred to Sewer committee and City Attorney. Adopted.

Petitions.

Ann Arbor, Mich., May 19, 1917.
To the Common Council: Gentlemen—The undersigned respectfully petitions your honorable body to cause the sanitary sewer on South University avenue, from Church street to 1221 South University avenue, lowered so that the basement of building can be used in connection of said sewer.

Yours very respectfully, Hudson T. Morton.

Referred to Sewer committee, on motion of Ald. Freeman.

Ordinance Committee.

Ald. Sink presented an ordinance to amend an ordinance entitled: "An ordinance relative to porters, runners, and drivers, and to regulate hacks and drays," passed March 16, 1896; approved March 17, 1896; amended August 20, 1900; amended November 15, 1915; which was given its first reading by title, passed to and given its second reading and referred to ordinance committee by the following vote:

Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none. By Ald. Sink, Whereas, this body has received petitions signed by 225 citizens of the city of Ann Arbor, requesting that the city adopt eastern standard time as the official time for the city of Ann Arbor during the months of April, May, June, July, August and September, and that central standard time be made the official time for the city of Ann Arbor for the remaining six months of each year and,

Whereas, this body is of the opinion that the adoption of eastern standard time for the six months above named would be beneficial to the city at large, now,

Therefore, be it resolved, that eastern standard time is hereby designated as the official time for the city of Ann Arbor for the months of April, May, June, July, August and September of each year, and that central standard time be and is hereby designated as the official time for the city of Ann Arbor for the months of October, November, December, January, February, and March of each year. Resolved, further, that the county officials and the University authorities be asked to adopt the above time as their official times for the periods above stated, and that the county authorities and the University be asked to regulate the county clock and university clock accordingly.

Ald. Sink moved to lay on table until next meeting.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, Ald. Markey, 1.

ANNUAL REPORT OF PARK DEPARTMENT.

Ann Arbor, Michigan, May 5th, 1917.

To the Honorable Mayor and Common Council of the City of Ann Arbor: Gentlemen—We beg to submit a report of the work done by the Ann Arbor Park Commission for the year ending May 1st, 1917, together with a detailed financial statement of the receipts and expenditures of the Park Department for the same period. An itemized budget was pre-

sented one year ago to the Council, stating in detail the work to be done during the year 1916-17, and we wish to report that all the work contemplated at that time, and for which the Council allowed in our annual appropriation, has been completed, with but two exceptions:

The grading contemplated for 1916-17 at Burns park has not been completed as yet, but the contractor, Mr. Snyder, expects to complete it in a very short time.

The re-enforced concrete bridge at the Island has not been built, due to the fact that the bids on the bridge as planned were much higher than the amount available for that purpose.

Briefly stated, the important work done during the past year, aside from general maintenance and improvement, is as follows:

At West Park, completed public toilets, built one new tennis court, general improvements on new addition and acquired and fenced off D. U. R. strip of land across Laubengayer property, connecting West Park with new addition.

At Burns Park, built one new tennis court, started the grading inside the race track and filling in low point at corner of Wells and Baldwin, and planted additional trees.

Over 1,000 shade trees trimmed and 100 trees removed.

Grading and planting several hundred shrubs on new property on Washtenaw.

Purchased 20 additional benches for park use and additional playground apparatus.

Organized a police patrol system on Park and drive properties, and purchased Ford service car and trailer for the Department's use.

Among other things, one of the most important things which the Department has accomplished, and which cannot be fully appreciated, is the prevention of an epidemic of the Tussock moth in our city. This insect is one of the most troublesome pests to the trees in this country, some places completely defoliating large areas, and a great many of our cities are spending thousands of dollars every year to fight this enemy. This moth is the cause of a large annual expense in Detroit, and was noticed in Ann Arbor to some extent last fall. Spraying and other means for destroying it were used, and it has been exterminated, and we hope for good.

Together with the work on our parks, drives and shade trees, the Department has furnished expert advice and assistance to all residents of Ann Arbor in regard to the care and planting of trees and shrubs, and general improvements of their property. More than 500 calls have been made throughout the year in work of this nature. Also, a systematic spraying campaign has been organized whereby any resident can get spraying properly done. Several hundred fruit trees and other trees and shrubs in the city have been sprayed in this way. Trouble was experienced in this regard this spring, because of the fact that we were unable with one exception to get men with power sprayers to do the work.

A city beautifying campaign has been conducted each spring and fall since the spring of 1913, and a total of over 45,000 plants (shrubs, trees and vines), have been purchased by no less than 1,200 residents of the city since the beginning. Approximately 5,000 plants are purchased each season through this campaign by at least 125 residents.

Another achievement which our Department has been instrumental in helping carry out, is the children's summer recreational work in children's gardens and playgrounds. These gardens were located in fourteen sections of the city and more than 500 children had individual gardens at the locations. The bulk of the seed was furnished by the government, some donated locally, the plowing was done by the city, and a Committee of Mothers in each ward supervised the work of the children.

In our playgrounds, 1,440 children were enrolled and six paid directors were used in this work. The Board of Education paid the salaries of the directors, and part of the land and playgrounds equipment was furnished by this Department.

At a request for skating ponds for the children from representatives of several organizations in the city, an appropriation was made by the Council for that purpose. Owing largely to the inadequate water supply, this project was abandoned and the failure to procure adequate skating ponds was keenly felt.

This Department was also instrumental in producing an open air Municipal Xmas Tree celebration. A large tree was moved to the Court House square, decorated, and an ap-

propriate program was given to make the event a success.

Olmsted Brothers of Brookline, Mass., are still working on a general plan for development of the city and surrounding property, and when completed will be a great asset to our future planning.

All these various enterprises, we believe, are for the interest and betterment of the community at large as well as a great convenience to the residents of the city.

The Board of Park Commissioners also wishes to present at this time, its estimates of expenses for the coming year. Aside from the general cost of maintenance, there are several important items mentioned among which are the following:

1. Toilet facilities at the Island Park.
2. Complete the graveling and build a concrete culvert on Long Shore Drive to meet the heavy traffic conditions due to the closing of the Main St. road at the river.
3. Repair the park shelter and continue the grading inside the track at Burns Park.

4. Start the reforestation of the Steere farm.

5. Clean up the waterworks property west of Eighth st. for park purposes.

6. Ask that the Common Council accept the offer of Mr. G. Frank Allmendinger to the City of more than three acres of land to be used for park purposes in his new addition in the Second ward, and authorize the street department to do the preliminary street grading necessary as stipulated in the offer of the land.

7. Maintain the municipal bath house and bathing beach donated to the city, and,

8. Handle the preparation of children's gardens.

While our budget calls for a larger appropriation than heretofore, due partly to undertaking new responsibilities and partly to advanced prices, we trust the Common Council will consider seriously the various items mentioned therein.

Respectfully submitted: Board of
Park Commissioners, by L. D.
Wines, President.

Mayor's Call.

May 28th, 1917.

Mr. I. G. Reynolds, City Clerk, City: Dear Sir—You will kindly call a special meeting of the Council for Tuesday, May 29th, 7:30 p. m., for the purpose of taking such action on veto of that portion of the proceedings of the meeting held under date of May 21st, 1917, relative to the calling of a special election for the purpose of submitting the proposed charter to the electors as it may deem expedient, and to take such further action relative to the submission of said proposed charter as may be proper. Also for the purpose of receiving the report of the special committee on a garbage disposal plant and taking such action on same as meets with the approval of said Council, and to act upon any other matters relative to the disposal of garbage, which may come before it.

Very truly yours, Ernst M. Wurster, Mayor.

Mayor's Veto.

May 25th, 1917.

To the Honorable, the Common Council, City of Ann Arbor: Gentlemen—I am returning to you without my approval that portion of the proceedings of your meeting held under date of May 21st, 1917, relative to the calling of a special election for the purpose of submitting to the electors of the city the proposed charter for their approval or rejection.

My reason for vetoing that portion of your proceedings are, briefly, as follows: I feel that the date which you have determined is rather an inconvenient one, and that it would be much better to hold the election either earlier or later, as the voting population of the city is greatly decreased during the months of July, August and part of September, in each year. I feel that it will be for the best interest of the city to have the charter question disposed of at the earliest date possible. As matters now stand we cannot plan for the future as we should, and I feel that

this condition will continue until the proposed charter is adopted or rejected.

For the above reasons I am returning this matter to you for your further consideration.

Respectfully yours Ernst M. Wurster, Mayor.

Communication From Charter Commission.

Ann Arbor, Mich., Council Chamber, City Hall, Friday, May 25th, 1917.

The Charter Commission in regular meeting assembled, has carefully considered the action of the Common Council in asking that the charter election be held August 14th, 1917, instead of June 12th, 1917, as fixed by the said commission. The commission believes that the citizens are anxious to vote on the charter at as early a date as possible, and that the date set by the Council would disfranchise a large number of our citizens. We therefore deem it inexpedient to change the date originally set, and respectfully request the Mayor and Common Council to take such steps as may be necessary to hold the election on the day originally set, June 12th, 1917.

D. W. Springer, Chairman.

The Chair put the question: "Shall the resolution pass, the Mayor's veto notwithstanding?"

The Chair declared veto would stand, there being no objection.

Moved by Ald. Lutz, that that part of recommendation of Board of Public Works, relative to location of garbage incinerator, be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Donnelly, Freeman, Lutz, Sink, Pres. Reichert, 9. Nays, Ald. Andres, Henderson, Markey, Sherk, Hauser, McGregor, 6.

By Ald Lutz: Whereas, the city of Ann Arbor has been notified by the authorities of the township of Ann Arbor, that after the 1st day of September, 1917, the city will not be permitted to dispose of its garbage in said township, and

Whereas, Act number 539 of the Local Acts of Michigan, for the year of 1905, entitled "An act to authorize and enable the city of Ann Arbor to build, construct and install a garbage crematory or plant, to purchase land, machinery and appurtenances therefor, and to raise the money for such purpose by tax or loan," authorizes the city of Ann Arbor to raise a sum

not to exceed ten thousand dollars, and

Whereas, this body is of the opinion that the city should at once construct a garbage crematory or disposal plant, now, therefore it is hereby

Resolved, that a special election be and the same is hereby called to be held under date of June 22, 1917, for the purpose of submitting to the qualified electors of the city of Ann Arbor the proposition of raising by loan the sum of ten thousand (\$10,000.00) dollars, said sum when raised to be used for the purpose of constructing a garbage disposal plant or crematory.

Resolved, further, that the polls be held in the following places:

First ward, voting room basement of City Hall; Second ward, ward building on S. Ashley st.; Third ward, ward building on Miller ave.; Fourth ward, voting room basement of New Armory on Fifth ave.; Fifth ward, ward building on corner of Swift and Pontac st.; Sixth ward, voting room basement of Tappan school on East University ave.; Seventh ward, ward building on Mary st.

Resolved, further, that the polls shall be open at 7 o'clock a. m. and remain open until 8 o'clock p. m., and that the Supervisors and Aldermen act as Election Inspectors, according to the charter of the City of Ann Arbor.

Resolved, further, that the ballots shall be of white paper of equal width and length and shall read:

For the garbage crematory or plant loan. Yes (—)

For the garbage crematory or plant loan. No (—)

Resolved, further, that the canvass and determination of said vote be made according to the State Law and Charter of the City.

Resolved, further, that the City Clerk is hereby authorized to issue the usual call for said special election, pursuant to the state law and charter of the city of Ann Arbor, and cause to be printed ballots as above provided, for the use of the electors at said election.

Resolved, further, that the City Clerk make all necessary arrangements for the registration of voters, both men and women, at the usual voting rooms in each ward of the city on Wednesday, June 20th, 1917, according to the state law and city charter.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andes, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

By Ald. Freeman: Whereas, at the General City Election, held under date of April 3, 1916, the proposition of a general revision of the Charter of Ann Arbor, received a majority of the votes cast at said election, in favor of said revision, and

Whereas, at said election eleven (11) commissioners were duly and legally elected to revise said charter, and

Whereas, said commissioners have prepared a proposed charter for said city and now have the same ready for submission to the electors of said city for their approval. Now, therefore, be it

Resolved, that a special election be and is hereby called to be held on the 22nd day of June, 1917, for the purpose of submitting the proposition of adopting the proposed charter to the qualified electors of said city.

Resolved, further, that the polls be held in the following places: First ward, voting rooms in basement of City Hall; Second ward, ward building on South Ashley st.; Third ward, ward building on Miller ave.; Fourth ward, voting rooms in basement of New Armory on Fifth ave.; Fifth ward, ward building on corner of Swift and Pontac sts.; Sixth ward, basement of Tappan school on East University ave.; Seventh ward, ward building on Mary st.

Resolved, further, that the canvass and termination of said vote be made according to the state law and city charter.

Resolved, further, that the City Clerk of the said city is hereby authorized to issue the usual call for said special election, pursuant to the

state law and charter of the city, and cause to be printed ballots as above provided for the use of the electors at said election.

Resolved, further, that the City Clerk make all the necessary arrangements for the registration of voters, at the usual voting rooms in each ward of the city of Ann Arbor for Wednesday, June 20th, 1917, accord-

ing to the state law and city charter.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer, Huss, And'res, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

The Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich.,
June 4, 1917. Regular Session.

Meeting called to order by the President. Present: Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15.

Minutes of regular meeting, May 21, 1917 and special meeting May 29, 1917, approved.

(From Board of Public Works)

Scaled proposals for construction of sidewalks were received as follows:

Ann Arbor, Mich., May 23, 1917.

To the Board of Public Works: Gentlemen—My bid on city sidewalks for this summer is 12c per square foot, and 15c for driveways and extensions, and for reinforced concrete 45c per square foot.

Thomas Hession.

Ann Arbor, Mich., May 23, 1917.

To the Hon. Board of Public Works: Gentlemen—The undersigned agrees to furnish labor and material to build cement sidewalks ordered by the Council and the Board of Public Works during the year 1917 as follows:

Cement sidewalk, 4in. thick, laid according to the city standard specifications for 12c per square ft.

Cement sidewalk, 6in. thick at driveways, with cement buffers on each side, according to the city standard specifications for 15c per sq. ft.

Cement sidewalks over vaults or area-ways, when ordered and required by the Board, with reinforced concrete, for 40c per sq. ft.

We also agree that all walks ordered by the Council and Board of Public Works during the year 1916 and not built during last fall, will be laid by us during the present season, as ordered by the Board of Public Works and the Street commissioner, under out 1916 contract and at the prices per square foot for last year's cement sidewalk work.

Very respectfully, C. M. Thompson & Son.

Moved by Mr. Rehberg, that the Board recommends to Council the acceptance of bid of Thompson & Son. Adopted by Board.
(Council action)

Moved by Ald. Markey, that recommendation of Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Communication From Charter Commission.

Whereas, the Common Council of the City of Ann Arbor is prepared to submit to the people a proposed bond issue for an incinerator plant, and

Whereas, the same cannot be legally submitted to the people before June 21st,

Therefore be it resolved, that in the interest of economy, the action by which the date of the charter election was fixed for June 12th, be reconsidered, and that said charter be submitted to the people for acceptance or rejection at a special election to be held Monday, June 25th, 1917, and

Be it further resolved that the Common Council of the City of Ann Arbor be notified of this action and requested to hold both elections on that date.

At a meeting of the Charter Commission, held at five o'clock Thursday, May 31, 1917, the above resolution was unanimously adopted.

D. W. Springer, Chairman.

Moved by Ald. Freeman, that Council reconsider the resolution, adopted at special meeting held May 29, 1917, relative to special election to submit the revised charter.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Ald. Freeman moved to amend the resolution by striking out the date "22nd day of June" and inserting therefor "25th day of June."

Amendment adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

The original resolution, as amended, was presented as follows:

By Ald. Freeman: Whereas, at the General City Election, held under date of April 3, 1916, the proposition of a general revision of the Charter of Ann Arbor, received a majority of the votes cast at said election, in favor of said revision, and

Ann Arbor, Mich., June 4, 1917.

To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS,

City Clerk.

To the Honorable the Common Council: Gentlemen—Your Finance Committee as reviewed the foregoing report, Warrants for salaries were drawn June 1, 1917. We recommend that the same be approved and that warrants be ordered drawn for the foregoing accounts.

GEO. LITZ, O. R. MAYER, JOHN Mc-GREGOR, Finance Committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Engineer's Estimates.

Ald. Lutz presented the following estimates from the City Engineer:

Fourth estimate Sewer Dist. No. 72, Ray D. Baker, contractor, amount now due, \$356.18.

Third estimate Sewer Dist. No. 75, Wm. Eddy & Son, contractors, amount now due, \$923.75.

Second estimate W. Madison st. storm sewer, Hochrein & Co., contrac-

tors, amount now due, \$1,344.69.

First estimate Broadway bridge, J. P. Rusche, contractor, amount now due, \$542.24.

Moved by Ald. Lutz, that estimates be allowed and City Clerk authorized to draw warrants for amounts now due.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Ordinance Committee.

Ald. Sink requested that action on resolution, relative to adoption of eastern standard time, be deferred until next meeting, and request was granted on motion of Ald. Donnelly.

Sewer Committee Report.

To the Honorable, the Common Council: Gentlemen—Your Sewer committee, to whom was referred the estimates and reports of the City Engineer relative to the construction of lateral sewers in sewer districts Nos. 82, 83, 84, begs leave to report that we have had such estimates and reports, as well as the resolution of the Council, under consideration, and have made due inquiries relating thereto, and have heard all persons desiring to be heard in the premises, and your committee is of the opinion that there is necessity for the construction of such lateral sewers in said districts Nos. 82 and 84, and that special taxing or assessment districts ought to be fixed by the Common Council upon and against which the construction of such sewers may be charged, street crossings excepted, pursuant to the ordinance in such case made and provided.

Your committee further recommends that resolutions fixing the boundaries of said districts be prepared by the City Engineer, and the Board of Public Works be ordered to advertise for bids for the construction of above named sewers.

We further recommend that the construction of sanitary sewer in district No. 83 (Cedar, Wright and Pontine streets) be postponed until next year.

Respectfully submitted, I. L. Sherk, J. W. Markey, Wm. L. Henderson, John Huss, Mark B. Sugden, Sewer Committee.

Ald. Sherk moved the adoption of the report, which was

adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

By Ald. Sherk: Resolved, that this Council, still deeming it a necessary public improvement, and expedient to cause to be constructed lateral sewers in lateral sewer districts No. 82, on Packard st., from Brooklyn ave. to city limits, No. 84, in all streets in Killins Heights addition, the construction of the same is hereby ordered.

Resolved, further, that the City Engineer furnish proper boundaries as soon as possible, and that this order and determination be certified to the City Assessor and the Board of Public Works, and the Board of Public Works advertise for bids for the construction of said sewers, city to furnish men to see that sewer pipe is properly laid.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Street Committee Report.

Ann Arbor, Mich., June 4, 1917.

To the Honorable Common Council, Ann Arbor, Michigan: Sirs—Your Street committee respectfully recommends:

1. That Mr. Jacob Goffe be ordered to remove that part of his building which is between the street lines of North Main street, and unless he complies with this order within thirty days, the City Attorney be instructed to take proper steps to force him to comply with same.

2. That the Michigan Central Ry. Company be instructed to remove their siding and any part of their stockyards which is within the limits of street lines of North Main street.

3. That horse drinking fountain, which was presented to the city be placed on the east side of Main street, about twenty-five feet north of Madison street.

4. That the plat of Scottwood First addition be accepted.

5. That the grading of streets in the Granger-Bixby addition be accepted.

6. That trees be removed from the streets, as follows: One at the corner of Forest and Wells st.; one at

the corner of Olivia and Wells st.; and one at the corner of Olivia and Gran-ger ayes.

Respectfully submitted, Sam Heusel, O. R. Mayer, Sam C. Andres, J. W. Markey, O. E. Hauser, John McGregor, C. A. Sink, Street Commit-tee.

Ald. Heusel moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Hender-son, Donnelly, Sherk, Hauser, McGreg-or, Freeman, Lutz, Sink, Pres. Reich-ert, 14. Nays, Ald. Markey, 1.

The Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich.,
June 18, 1917. Regular session.

Meeting called to order by the President. Present: Ald. Heusel, Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Absent: Ald. Sink, 1. Minutes of previous meeting approved.

From Board of Public Works.

Ann Arbor, Mich., May 26, 1917.

To the Board of Public Works, Ann Arbor, Mich.: Sirs—I have to report that Dr. G. C. Rohde, in the new construction work on his building at the corner of Huron street and Ashley street, is encroaching on Huron street about six inches and on Ashley street about four inches.

Respectfully submitted, Manley Osgood, City Engineer.

Moved by Mr. Rentschler, that report of City Engineer be referred to council. Adopted.

(Council action.)

Referred to Street committee.

From Park Commissioners.

Ann Arbor, Mich., June 17, 1917.

To the City Clerk: At a meeting of the Board of Park Commissioners, held June 15th, 1917, the following action was taken relative to the proposed new concrete foot bridge at Island Park:

"Inasmuch as the Common Council has appropriated \$1,300.00 in the bridge, culvert and crosswalk fund, for the building of a bridge at the Island Park, Resolved, that although it is the sense of this board that the building of this bridge at this time is neither economical or desirable, that if this is the wish of the Common Council, the superintendent of instruction to close the contract with J. P. Rusche of Grand Rapids for the sum of \$1,169.88, in accordance with his bid on same."

Respectfully, Ray E. Bassett, Superintendent.

(Council action.)

Referred to Park committee.

Bid For Custody of City Funds.

Ann Arbor, Mich., June 16th, 1917.

The Honorable Common Council of the city of Ann Arbor: Gentlemen—As per your adv. in the Times News, asking for bids for the care of city money for the ensuing year, commencing July 1st, 1917, I beg to advise you that the Ann Arbor Savings bank will pay two percent interest on average daily balances of money on de-

posit, and will charge five percent interest on any sums necessary to advance to take care of any warrants authorized by the Common Council.

Yours very truly, William L. Waiz,
Cashier.

Moved by Ald. Lutz, that bid of Ann Arbor Savings bank be accepted.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Petition of H. A. Kenyon, to repair tar walk, received and referred to Sidewalk committee.

Petition of O. T. Albro, et. al., for crosswalk across Geddes ave., received and referred to Sidewalk committee.

Common Council, city of Ann Arbor: Gentlemen—Re-statement of claims of persons damaged by pumping of water from so-called sixteen feet in diameter well on Steere farm in the year 1915:

George Wisely, to damage done to his open well at his house by lowering the water therein \$59.00

Carrie and Louie Davison, to damage in flowing well on their farm in the township of Pittsfield, by diminishing the flow thereof\$100.00

William Canby, to damage caused by drying up completely two flowing wells ..\$200.00

Thomas and William East, to damage done to two flowing wells by diminishing the flow thereof\$ 60.00

George Lavender, to damage done to two flowing wells by diminishing the flow thereof \$ 60.00

John E. Lawrence, damages as follows: July 3rd, 1915, paid A. J. McOmber for putting down drive well at the house \$ 49.50

July 19, 1915, bricking up well and putting pipe therein ..\$ 6.00

Pump\$ 7.50

Paid Hutzel & Co., for work in old well\$ 15.00

August 4th, 1915, paid A. J. McOmber for work on flowing well\$ 40.00

Putting down new well and work on old well\$ 48.00

Putting new well in place of old well diked up in field near R. R. right of way\$ 31.00

\$197.00

Damage for drying up a flowing well of large flow and unusually good water\$200.00

The above claimants are willing to accept the several sums above mentioned in settlement of whatever damage has been done to them in the past by the pumping of water from the large well, in case payment is promptly made, say within ten days;

this offer is made as a compromise and for the purpose of reaching a settlement, and for no other purposes, and is not intended to cover any damage for future pumping. In case this offer is not accepted, it is understood that it is not to be used in any way in any litigation that may arise between said claimants and said city.

Yours, etc., Arthur Brown, Attorney for Claimants.

Moved by Ald. Freeman, that the claims be referred to a special committee, composed of Ald. Lutz, Ald. Sherk and City Attorney, with full power to act.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Hende son, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

To the Common Council: Gentlemen—In view of the fact that the city is endeavoring to settle all outstanding claims for damages arising out of the Steere farm wells, we wish to state that we will accept the sum of three thousand dollars (\$3,000.00) in full of all claims heretofore filed against the city. It being understood that this offer is good in case no proceedings have to be taken to secure the payment of the claims.

A. J. Sawyer, J. W. Dwyer, Attorneys for Mr. and Mrs. Fred Osborn.

We would suggest to the Council that the wells be closed to prevent the waste of water, as the wells are a continuing damage to the Osborns.

Dated, June 15th, 1917.

Moved by Ald. Lutz, that matter be referred to City Attorney. Adopted.

Quit-claim deeds were received from George Franklin Allmendinger and wife, and August T. Birk and wife, for and to be used to widen and continue Seventh st. Referred to Street committee and City Attorney

Ordinance Committee.

On motion of Ald. Andres resolu-
 tion presented by Ald. Sink May 21,
 relative to adoption of eastern time,
 was taken from the table.

By Ald. Lutz. Whereas, this body
 has received petitions signed by 225
 citizens of the city of Ann Arbor, re-
 questing that the city adopt east-
 ern standard time as the official time
 for the city of Ann Arbor during the
 months of April, May, June, July,
 August and September, and that cen-
 tral standard time be made the offi-
 cial time for the city of Ann Arbor
 for the remaining six months of each
 year and,

Whereas, this body is of the opin-
 ion that the adoption of eastern
 standard time for the six months
 above named would be beneficial to
 the city at large, now

Therefore, be it resolved, that
 eastern standard time is hereby de-
 signated as the official time for the
 city of Ann Arbor for the months of
 April, May, June, July, August and
 September of each year, and that
 central standard time be and is here-
 by designated as the official time for
 the city of Ann Arbor for the months
 of October, November, December,
 January, February, and March of
 each year.

Resolved, further, that the county
 officials and the University author-
 ities be asked to adopt the above
 time as their official time for the
 periods above stated, and that the
 county authorities and the University
 be asked to regulate the county
 clock and university clock accord-
 ingly.

Resolved, further, that this resolu-
 tion take effect after July 1, 1917,

and after the University officials and
 County officials take similar action.

Adopted by the following vote:
 Yeas, Ald. Heusel, Sugden, Mayer,
 Huss, Andres, Henderson, Donnelly,
 Markey, Sherk, Hauser, McGregor,

Agreement of Property Owners.

Whereas, we, the undersigned owners of the property of Eighth street, in the city of Ann Arbor, Michigan, between Huron and Washington streets, are derisive of having a sanitary sewer constructed on and along said Eighth street, and

Whereas a sanitary sewer so constructed would be a benefit to our property.

Now, therefore in consideration of the construction of the aforesaid sanitary sewer by the city of Ann Arbor we, the undersigned, hereby agree to pay any and all assessments levied on or against all of the property owned by us and fronting upon said Eighth street between Washington and Huron streets, and we hereby waive any irregularities in any proceedings taken for the construction of the aforesaid sewer and waive any defense that we might have or otherwise make to said assessments.

Dated this 23rd day of May, 1917.

Edw. N. Kay, Geo. W. Fiegel, Wm. Frey.

By Ald. Sherk: Resolved, that the matter of sanitary sewer in district No. 83, on Eighth st., between Huron and Washington sts., including the report thereon of the City Engineer, and the agreement of the abutting property owners, be referred to the Sewer committee, and said committee meet in the room of the Board of Public Works, at a time to be fixed by the chairman of said committee, for the purpose of making due inquiry relating to said sewer district, and after hearing all persons interested therein and desiring to be heard, said committee report to the Council at the next regular meeting.

Special Committee On Claims.

Ann Arbor, Mich., June 23d, 1917.

To the Honorable the Common Council, City of Ann Arbor: Gentlemen—We, the undersigned, to whom was referred the matter of the claims against the city of Ann Arbor for the alleged damages caused by reason of the test which the city made at the 16-foot shaft constructed on the property owned by the city of Ann Arbor and known as the "Steere Farm," beg leave to report that we have settled the claims on the basis of the offers of compromise made in the communication to this body by Mr. Arthur Brown, attorney for claimants, a copy of which statement is hereto attached. The name of William Canby appears in the proposal of settlement, which is a mistake. The name should be Samuel Canby.

Respectfully submitted, George Lutz, I. L. Sherk, Frank B. DeVine, City Attorney, committee.

Common Council, City of Ann Arbor: Gentlemen—Re-statement of claims of persons damaged by pumping of water from so-called sixteen foot in diameter well on Steere farm in the year 1915:

George Wilsey to damage done to his open well at his house by lowering the water therein, \$50.00.

Carrie and Louie Davison, to damage done in flowing well on their farm in the township of Pittsfield by diminishing the flow thereof, \$100.00.

William Canby to damage caused by drying up completely two flowing wells, \$200.00.

Thomas and William East, to damage done to two flowing wells by diminishing the flow thereof, \$60.00.

George Lavender to damages done to two flowing well by diminishing the flow thereof, \$60.00.

John F. Lawrence damages as follows:

July 3rd, 1915, paid A. J. McOmber for putting down drive well at the house	\$ 49.50
July 19th, 1915, bricking up well and putting pipe therein	6.00
Pump	7.50
Paid Hutzel & Co. for work in old well	15.00
August 4th, 1915, paid A. J. McOmber for work on flowing well	40.00
Putting down new well and work on old well	48.00
Putting new well in place of old well dried up in field near R. R. right of way	31.00

Total	\$197.00
Damage for drying up a flowing well of large flow and unusually good water	\$200.00

The above claimants are willing to accept the several sums above mentioned in settlement of whatever damage has been done to them in the past by the pumping of water from the large well, in case payment is properly made, say within ten days; this offer is made as a compromise and for the purpose of reaching a settlement and for no other purpose and is not intended to cover any damage for future pumping. In case this offer is not accepted, it is understood that it is not to be used in any way in any litigation that may arise between said claimants and said city.

Yours, etc., Arthur Brown, Attorney for claimants.

Ald. Lutz moved the adoption of the report and that the committee's action be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

From Board of Park Commissioners.

July 13, 1917.

To the Common Council—In consideration of the splendid offer made to the City of Ann Arbor by the Huron Farms Co. of building a well-equipped bath-house and bathing beach for public use at the entrance to Long Shore Drive, the Board of Park Commissioners gladly submits herewith a lease to the same which it recommends for your acceptance.

The expense of maintaining this bathing beach was one of the items included in our annual budget last spring and which was accepted by the council at that time.

The beach is being equipped as an additional playground for the city and the School Board has placed two directors there to supervise the play. It is planned to have the beach open free to the public each day from 8 o'clock in the morning to 9 o'clock in the evening.

Respectfully, Board of Park Commissioners, Ray E. Bassett, Superintendent of Parks.

Communication and proposed lease referred to Park and Sanitary committee.

Ann Arbor, Mich., July 16, 1917.

To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to be best of my knowledge.

ISAAC G. REYNOLDS, City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn July 16, 1917. We recommend that the same be approved and that warrants be ordered drawn for the foregoing accounts.

JOHN MCGREGOR, O. R. MAYER,
Finance Committee.

Ald. Mayer moved the adoption of the report, which was adopted by the following vote: Yeas, Aldermen Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly,

Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Sewer Committee Report.

Agreement of Property Owners.

Whereas, we, the undersigned owners of the property of Eighth street, in the city of Ann Arbor, Michigan, between Huron and Washington streets, are desirous of having a sanitary sewer constructed on and along said Eighth st., and

Whereas, a sanitary sewer so constructed would be a benefit to our property,

Now therefore in consideration of the construction of the aforesaid sanitary sewer by the city of Ann Arbor we, the undersigned, hereby agree to pay any and all assessments levied on or against all of the property owned by us and fronting upon said Eighth street between Washington and Huron streets, and we hereby waive any irregularities in any proceedings taken for the construction of the aforesaid sewer and waive any defense that we might have or otherwise make to said assessments.

Dated this 23d day of May, 1917.

Edw. N. Kay, Geo. W. Fiegel, Wm. Frey.

To the Honorable, the Common Council: Gentlemen—Your Sewer committee, to whom was referred the attached agreement of Edw. N. Kay, Geo. W. Fiegel and Wm. Frey, recommends that said agreement be accepted.

Respectfully submitted, I. L. Sherk, J. W. Markey, Wm. L. Henderson, John Huss, M. B. Sugden, Sewer Committee.

Ald. Sherk moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

To the Honorable, the Common Council: Gentlemen—Your Sewer committee, to whom was referred the estimates and reports of the City Engineer relative to the construction of lateral sewers in sewer districts No. 83, on Eighth st., from Huron st. to Washington st., No. 85, on Eber White Blvd. and Hiscock Blvd., begs leave to report that we have had such estimates and reports, as well as the resolution of the Council, under consideration, and have made due inquiries relating thereto, and have heard all persons desiring to be heard in the premises, and your committee is of the opinion that there is neces-

sity for the construction of such lateral sewers in said districts Nos. 83 and 85, and that special taxing or assessment districts ought to be fixed by the Common Council upon and against which the construction of such sewers may be charged, street crossings excepted, pursuant to the ordinance in such case made and provided.

Your committee further recommends that resolutions fixing the boundaries of said districts be prepared by the City Engineer, and the Board of Public Works be ordered to advertise for bids for the construction of above named sewers.

Respectfully submitted, I. L. Sherk, Wm. L. Henderson, John Huss, C. C. Freeman, Sewer Committee.

Ald. Sherk moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Sherk: Resolved, that this Council, still deeming it a necessary public improvement, and expedient to cause to be constructed lateral sewers in lateral sewer districts No. 83, on Eighth st., from Huron st. to Washington st.; No. 85, on Eber White Blvd. and Hiscock Blvd., the construction of the same is hereby ordered.

Resolved, further, that the City Engineer furnish proper boundaries as soon as possible, and that this order and determination be certified to the City Assessor and the Board of Public Works, and the Board of Public Works advertise for bids for the construction of said sewers, city to furnish men to see that sewer pipe is properly laid.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Sidewalk Committee Report.

To the Honorable the Common Council: Gentlemen—Your Sidewalk committee has had the following matter under consideration, and recommends that the request of The Detroit Edison Co., be granted, to extend the concrete walk to the curb on the William street front and half the front on the Main street side of their property.

Respectfully submitted, Chris. T. Donnelly, Wm. L. Henderson, O. R. Mayer, S. Heusel, C. C. Freeman, C.

A. Sink, I. L. Sherk, Sidewalk committee.

Ald. Donnelly moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Ald. Donnelly made oral report that in the construction of walk for David E. Hook, the contractor gave fall to walk of 2½ inches instead of 1½ in., and, on motion of Ald. Freeman, the matter was referred to Sidewalk committee, City Attorney and Engineer.

Lighting Committee.

Ald. Sugden moved to reconsider the location of lights ordered placed opposite Hanover sq., and at intersection of Kingsley and Thayer sts.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Moved by Ald. Sugden, that the matter of location of light under consideration be referred to the Lighting committee, with power to act.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Park and Sanitary Committee.

To the Honorable the Common Council: Gentlemen—Your Park and Sanitary committee, to whom was referred the proposed lease between the Huron Farms company, and the city of Ann Arbor relative to the bath house and bathing beach connected therewith, and the communication from the Board of Park Commissioners recommending the acceptance of said lease, has had the same under consideration, and recommends that the city lease said bath house and bathing beach connected therewith, and the Mayor and City Clerk authorized to enter into agreement hereto attached, subject to approval of City Attorney.

Respectfully submitted, J. W. Markey, Oscar E. Hauser, S. Heusel, Park and Sanitary committee.

IT IS HEREBY MUTUALLY AGREED, by and between THE HURON FARMS COMPANY, of the city of Ann Arbor, Washtenaw county and state of Michigan, and THE CITY OF ANN ARBOR, a municipal corporation, party of the second part, as follows:

The said party of the first part, in consideration of the rents, covenants and agreements herein specified does hereby LET and LEASE to the said party of the second part:

"The bathhouse and bathing beach connected therewith" located on a portion of the north half of the southeast fractional quarter of section twenty (20), town two (2) south, range six (6) east, which said bathing house and beach fronts on the Argo dam.

It is hereby agreed that said premises shall be rented by said first party to said second party for the term of five (5) years from and after this date on the terms and conditions hereinafter mentioned, to be occupied by the said second party for bathing house and bathing beach.

In consideration of said terms of rental aforesaid, the said party of the second part is to save, keep harmless and indemnify the said party of the first part of and from all harm, trouble, damage action and causes of action, cost and expense from and by reason of any negligence or misdemeanor upon the said premises of any of the employees of the said second party.

It is hereby further agreed between the parties that the annual rental to be paid by the second party for said premises is the sum of One Dollar.

It is hereby further agreed by and between the parties hereto that the said city of Ann Arbor shall grant no concessions for the sale of soft drinks, or serve soft drinks themselves or through their agents or employees, or conduct stands of any kind upon or about said premises.

It is further hereby mutually agreed that said city of Ann Arbor is to keep a man in charge of said bath house during the bathing season, and to pay all expense in connection therewith and do everything that is necessary to keep said building in a habitable and good condition.

It is further agreed that if there is any default in the management or conduct of said bathing house, that it shall be lawful for said party of the first part, its attorneys, successors, representatives or assigns, to re-enter and to re-possess the said premises, and the said party of the second part, and each and every other occupant to remove and put out.

It is further agreed between the parties that the said city of Ann Arbor shall not assign or transfer this lease

or sub-let said premises, or any part thereof, without the written assent of the said party of the first part.

It is further hereby mutually agreed that no liquors shall be sold upon said premises, and that said business shall be at all times conducted in an orderly and respectable manner.

It is further hereby agreed that the said city of Ann Arbor upon the termination of this lease shall deliver up said premises to the said party of the first part in like condition as when taken, reasonable use and wear thereof and damage by the elements excepted.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals this day of July, A. D. 1917.

Special Committee on Garbage Disposal.

Ald. Freeman presented tentative contract with Mr. Henry H. Wagoner.

On motion of Ald. Freeman, the amount of surety bond was placed at \$6,000.00.

To the Honorable, the Common Council: Gentlemen, Your special committee on garbage disposal, to whom was referred the matter of contract with Mr. H. H. Wagoner, has had the same under consideration, and respectfully recommends that the accompanying contract, tendered by Mr. Wagoner, be accepted, when approved by the City Attorney, and that upon such approval the Mayor and City Clerk be authorized to sign contract.

C. C. Freeman, O. R. Mayer, J. W. Markey, Special committee.

Contract.

Tentative Contract.

Memorandum of Agreement, by and between the Corporate City of Ann Arbor, Michigan, hereinafter called the city, and Henry H. Wagoner, of Huntington, Indiana, hereinafter designated Wagoner, entered

into this day of July, A. D. 1917, witnesseth:

That each party herein binds himself, his heirs and assigns, to observe, do and perform the following things, terms, conditions and covenants:

The said Wagoner agrees to collect and reduce to a complete ash, without odor or objectionable feature, all the garbage in said city for a term of five years from the....day of 1917, under the terms and conditions hereinafter set out, for the sum of six thousand dollars per year, payable monthly on the Tuesday after the first Monday of each month by the city.

And the city agrees to permit said Wagoner to so have the exclusive collection and disposal thereof for said term; provided, however, that upon written request of any citizen, said citizen may dispose of such garbage by other means, without cost or liability to Wagoner, and the same may be cared for by some one other than Wagoner. Written permission to be granted by Wagoner.

Said Wagoner agrees to erect and operate a sanitary garbage incinerator of sufficient capacity and with such plans and designs, that an additional capacity of more units may be added thereto, on land hereinafter described in the City of Ann Arbor, to-wit:

which land is hereby leased to said Wagoner, for the purpose of incinerator construction and use, for the term of said above mentioned five years, or during the life of this contract or any renewal thereof.

Said incinerator foundations and said two burners, exclusive of the foundation for any tall or permanent chimney, shall be so built by said Wagoner that the same will sustain a permanent building and shall be so planned and arranged that additional units with additional foundations may be added thereto and a permanent stack made therefore if desired by the city, and the city shall have full right at any time to enter said premises and so construct any improvements; provided, however, the city shall not interfere with the working of said Wagoner in the discharge of this contract.

At any time after the expiration of the first year of this contract the city may, by giving 60 days' notice, take over said plant at its cost price, less a depreciation of 20 percent for each

year, or proportionate part thereof, and may terminate this contract. At the expiration of said five years, the city may, without cost or expense, take over as its sole property, at its option, all of said plant excepting the personal property, consisting of teams, wagons, etc., which shall remain the property of said Wagoner.

When said city shall take over said plant, then said Wagoner shall cause to be conveyed by proper deeds, the right to use the patents under which such plant is constructed, and improvements thereon, without expense to the city.

Said incinerator plant is to be completed within 90 days after the execution of this contract, unless prevented by causes beyond the control of said Wagoner, and he shall then commence the collection and burning of garbage. Said plant shall be finished with dash pebble construction on the outside, or other equal finish, satisfactory to the city.

The city agrees to enact and enforce an ordinance requiring the garbage which is to be collected to be dry and devoid of free water and to be kept in covered metal receptacles until collected, and the presence of free water shall justify the refusal to so collect such garbage so carrying free water. Said Wagoner shall insure his employes and shall save the city harmless of all liens, costs and charges excepting as above set out.

Said collection and incinerator plant shall be operated under the approval of the City Health Officer and Wagoner shall comply with the requests of said officer when made for the purposes of keeping the same thoroughly sanitary. The plant shall contain a hot water system for the purpose of washing the wagons.

Said collection of garbage shall be made in covered wagons and shall be conducted as regards frequency, as directed by the city, but Wagoner shall not be obliged to collect more frequently than once each day in the business part of the city and at hospitals and boarding houses and three times per week in the residence portion of the city during the months of April, May, June, July, August and September, and twice a week at other times. The city may reduce the collections required, but the maximum amount shall be as above.

Wagoner shall execute his surety company bond, of \$6,000.00 to the city, to the approval of the city at-

torney, for the faithful performance of this contract.

Witness our hands and seals this day of July, A. D., 1917.

Respectfully submitted:	MANLEY OSGOOD, City Engineer.		

By Ald. Sink: Resolved, that the prices determined by the City Engineer for which petitions have been received and approved, be fixed and determined as the price to be paid by the petitioners, and that the City Treasurer be ordered to collect all sums to be paid by petitioners.

Resolved, further, that the Board of Public Works proceed with the oiling of all streets for which petitions have been received and approved, upon receiving the proper notice from the City Treasurer, as provided by an Ordinance relative to street oiling.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Shek, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.
July 16, 1917.

To the Honorable, the Common Council: Gentlemen—The State law requires the enforcement of the ordinance relative to collection of dog licenses. Section 51 of our charter entitles the City Clerk to a fee for every license issued by him, and I have therefore authorized Mr. A. D. Phillips to collect dog licenses for me, payment for his service to be made from said fees. I respectfully ask your approval of my action.

Respectfully submitted, Isaac G. Reynolds, City Clerk.

Moved by Ald. Sink, that action of City Clerk be approved.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Shek, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Resolutions.

By Ald. Sink: Whereas, at a special election held in the city of Ann Arbor, State of Michigan, on the 3d day of April, 1916, the qualified electors of said city did vote to authorize the raising of the sum of twenty-five thousand dollars (\$25,000.00), by loan, such sum when raised to be used for the purpose of construction of a new bridge over the Huron river on Broadway in said city, and

Whereas, the said sum of twenty-five thousand dollars (\$25,000.00) was found to be insufficient for the construction of said bridge, and the bids received showed that the city needed to raise an additional eighteen thousand dollars (\$18,000.00) for said bridge, and

Whereas, at a special election held in the city of Ann Arbor, State of

Michigan, on the 2d day of April, 1917, the qualified electors of said city did vote to authorize the raising of the additional sum of eighteen thousand dollars (\$18,000.00), by loan, such sum when raised to be used for the purpose of construction of a new bridge over the Huron river on Broadway in said city; therefore,

Resolved, that the Mayor and City Clerk be and are hereby directed to sign and issue Broadway Bridge Bonds under date of August 1st, 1917, in the sum of forty-three thousand dollars (\$43,000.00), payable to bearer, in ten equal annual installments from and after the first day of August, 1918, at the office of the City Treasurer, with interest at the rate of four and one-half percent (4½ percent) per annum, principal and interest payable on August 1st, of each year at the office of the City Treasurer of the city of Ann Arbor, Michigan.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Sink: Whereas, at a special election held in the City of Ann Arbor, State of Michigan, on the 2d day of April, 1917, the qualified electors of said city did vote to authorize the raising of the sum of ten thousand dollars (\$10,000.00), by loan, such sum when raised to be used for the purpose of purchasing additional equipment for the fire department; therefore

Resolved, that the Mayor and City Clerk be and are hereby directed to sign and issue fire department bonds in the sum of ten thousand dollars (\$10,000.00), dated August 1st, 1917, and deposit them with the City Treasurer, taking his receipt therefor. Said bonds to be of the denomination of five hundred dollars (\$500.00) each, and payable two thousand five hundred dollars (\$2,500.00) annually, commencing August 1st, 1918, and to draw interest at the rate of four and one-half percent (4½ percent) per annum, principal and interest payable on August 1st, of each year at the office of the City Treasurer of the city of Ann Arbor, Michigan.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Moved by Ald. Markey, that the Health Officer be included with City

Officials, who are authorized to attend the convention of the League of Michigan Municipalities at Grand Rapids.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Sink, Pres. Reichert, 13. Nays, none.

Moved by Ald. Donnelly, that City Attorney Frank B. DeVine act as chairman of the delegation. Adopted.

The Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich.,

Aug. 6, 1917. Regular Session.

Meeting called to order by the president. Present: Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Absent: Ald. Hauser, 1. Minutes of previous meeting approved.

Communications.

From the Mayor—

Ann Arbor, Mich., Aug. 4, 1917.

To the Honorable, the Common Council: Gentlemen—I hereby announce the appointment of Yale Leeland as special police, for police duty at the University campus, and without pay from the city.

Respectfully yours, Ernst M. Wurster, Mayor.

Ordered on file.

From Board of Public Works.

Moved by Mr. Rehberg, that the Board requests Council for permission to purchase a carload of paving bricks for crosswalks construction. Adopted by Board.

(Council action).

Moved by Ald. Lutz, that request of Board be granted.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

(From Board).

Sealed proposals for furnishing 72,000 No. 1. wire-cut, lug paving block f. o. b. Ann Arbor, received as follows: Hocking Valley Brick Co., Nelsonville, Ohio, \$27.40. Metropolitan Paving Brick Co., Canton, Ohio, \$27.50. Medal Paving Brick Co., Cleveland, Ohio, \$28.20, subject to discount of \$1.00 per thousand for payment on the 15th of month following month of shipment.

Moved by Mr. Arnet, that inasmuch as the city has 36,000 Metropolitan block on hand to be used toward repaving of Huron st., and it is advisable to match them with same quality and color, therefore, the Board recommends to council that bid of Metropolitan Paving Brick Co. be accepted. Adopted by Board.

(Council action).

Moved by Ald. Lutz, that recommendation of Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

(From Board.)

Sealed proposals for construction of sanitary sewers were received as follows:

Dist. No. 83, Engineer's estimate, \$268.50; Hochrein & Co., \$327.70; J. C. Stewart, \$326.08.

Dist. No. 85, Engineer's estimate, \$1,614.00; Hochrein & Co., \$2,077.35; J. C. Stewart, \$2,096.23.

Moved by Mr. Scott, that inasmuch as Hochrein & Co. are the lowest bidder, the Board recommends to Council that they be awarded the contract.

(Council action).

Moved by Ald. Sink, that recommendation of Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

(From Board.)

Moved by Mr. Hutzel, that in the matter of grading Seventh st. as per action of Council of Aug. 7, 1916, the Board recommends to Council that Mr. W. E. Tench be employed to grade said Seventh st., at 55c per yard, and \$75.00 for removal of all stumps, the work to be done under the direction of City Engineer and Street Commissioner. Adopted by Board.

Council action:

Moved by Ald. Markey, that recommendation of Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

(From Board.)

Moved by Mr. Hutzel, that the Board recommends to Council that the Board be authorized to advertise for bids for a ten ton road roller and scarifier, and trade in our present twenty ton road roller. Adopted by Board.

(Council action).

Moved by Ald. Mayer, that recommendation of Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

From Park Commission.

Ann Arbor, Mich., Aug. 6, 1917.

To the Common Council: Mr. J. P.

Rusche of Grand Rapids, with whom the Superintendent of Parks was instructed to close the contract for the construction of a concrete foot bridge at Island Park, in accordance with his bid on same, \$1,169.88, has reported that he does not care to take the contract at this time.

The City Engineer is of the opinion that the bridge can be built for much less money than the amount of Mr. Rusche's bid, and therefore, in view of the fact that the city has no open bids on the same at this time, the Board of Park Commissioners through its Superintendent, hereby recommends that the City Engineer be authorized by the Common Council to proceed with the construction according to plans and specifications, under the direction of the park department. Respectfully submitted, Ray E. Bassett, Superintendent.

Moved by Ald. Sherk, that recommendation of Park Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pros. Reichert, 14. Nays, none.

Communication from H. Dollarhide, inviting Council to inspect new incinerator plant at Hamtramck, received and ordered on file on motion of Ald. Lutz.

Communication from Michigan State Association Superintendents of Poor, inviting this city to membership, received and ordered on file on motion of Ald. Lutz.

Ordinance Committee.

Ald. Sink presented an ordinance entitled: "An ordinance relative to the changing of the names of certain streets in the city of Ann Arbor," which was given its first reading by title, passed to and given its second reading and referred to Ordinance committee by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherik, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Ald. Sink presented the following ordinance which was given its third reading:

An ordinance to amend an ordinance entitled, "An Ordinance relative to porters, runners, and drivers, and to regulate hacks and drays," passed March 16, 1896; approved March 17, 1896; amended August 20, 1900; amended Nov. 15th, 1915.

The Common Council of the City of Ann Arbor ordain:

Section 1. That an ordinance entitled "An ordinance relative to porters, runners and drivers, and to regulate hacks and drays," passed March 16, 1896; approved March 17, 1896; amended Aug. 20, 1900; amended Nov. 15th, 1915, be and the same is hereby amended by the addition of a section to be known as section 2a, said section to read as follows:

Section 2a. Each driver of a vehicle used for the conveyance of household goods or household furniture in any part of the city, or into or out of the city, except for a retail store, shall keep a record of the place from and the place to which he moves the household furnishings or household goods of any person, and the person for whom the goods were moved; and on Monday of each week, except when Monday is a legal holiday, and then on the next succeeding secular day, shall file with the chief of police, a detailed statement containing every such transaction of the previous week. Such statements shall be made upon blanks furnished free of charge upon application to the city clerk.

This ordinance shall take effect and be in force on and after ten days from legal publication.

The Chair put the question, "Shall this ordinance pass?"

Passed by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherik, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Respectfully submitted,

Waterworks Department,

of the City of Ann Arbor,

GEO. WANDAWARKER.

Report of Water Works Dept. for quarter ending July 31 1917, and reports of City Engineer for month of June, and of Acting Marshal for month of July received and ordered to take usual course.

City Clerk made oral report of necessary repairs for receiving vault at Fair View cemetery.

Moved by Ald. Lutz, that matter of repairs be referred to Poor and Cemetery committee, together with the City Clerk, with power to act.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Prs. Reichert, 14. Nays, none.

City Engineer presented the following estimate for oiling Packard st., from Granger ave. to and including the driveway of the Packard Lawn property, petition by S. A. John. Total cost, \$84.01; property to pay \$50.41.

By Ald. Lutz: Resolved, that the price determined by the City Engineer for which petitions have been received and approved, be fixed and determined as the price to be paid by the petitioners, and that the City

Treasurer be ordered to collect all sums to be paid by petitioners.

Resolved, further, that the Board of Public Works proceed with the oiling of all streets for which petitions have been received and approved, upon receiving the proper notice from the City Treasurer, as provided by an Ordinance relative to street oiling.

Adopted by the following vote:

Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pr. s. Reichert, 14. Nays, none.

City Attorney Frank B. DeVine made oral report that he had approved the contract with the Ann Arbor Railroad company, relative to opening of Edwin st. which has been signed by proper officials of Railroad company and of the City. Also that he approved the lease between The Huron Farms Company and City, as submitted at last meeting. Regarding contract with Mr. H. H. Wagoner for disposal of garbage, City Attorney reported that with consent of Mr. Chas. Butler, attorney for H. H. Wagoner, certain provisions were inserted in contract to which Mr. Butler later notified the City Attorney that H. H. Wagoner could not consent.

Moved by Ald. Sherk, that the City Attorney be authorized to notify Mr. H. H. Wagoner that unless the contract and bond, as drawn by City Attorney, are properly signed and returned to City Attorney within ten days, that the city will not enter into the contract.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, McGregor, Freeman, Lutz, Sink, Pr. s. Reichert, 14. Nays, none.

Engineer's Estimate.

Converting Allen's Creek Into Storm Sewer.

Ann Arbor, Michigan, August 6, 1917.

To the Honorable Common Council, Ann Arbor, Michigan: Sirs—I present the following estimate of cost of improving Allen's Creek by converting it into a closed main storm sewer. The general plans showing the proposed location, grade and sizes are on file in my office. The specifications to govern are the standard specifications for sewer construction in the city of Ann Arbor:

8,210 cu. yds. reinforced concrete at \$18.00.....\$147,780.00
Excavation and backfilling:

18,176 c. yds. 0-6 ft. at \$1.00	18,076.00
3,875 cu. yds., 6-8 ft., at \$1.20	4,650.00
2,786 cu. yds., 8-10 ft., at \$1.50	4,179.00
1,306 cu. yds., 10-12 ft., at \$2.00	2,612.00
426 cu. yds., 12-14 ft., at \$2.50	1,065.00
72 cu. yds., 14-16 ft., at \$3.00	216.00
	<hr/>
	\$178,578.00

Engineering and contingencies

\$196,435.00

This estimate is divided into sections as follows:

Huron river to Main.....	\$ 14,707.00
Main to Felch	29,152.64
Felch to Miller ave.	31,554.10
Miller ave. to Huron	20,694.00

Inasmuch as the prices for work of this kind are at an abnormally high level and there is no certainty of the improvement being built under these conditions, some of the smaller details of this sewer have not been completed, it being considered that these details, together with a revised estimate of the cost, should be worked out immediately prior to the building of the whole or any section of this improvement and taking into account conditions existing at that time.

I have investigated, to some extent, the question of right of way for this sewer and believe that in all except perhaps two or three cases, the right of way for this improvement will be donated by the people or corporation across whose land it must be constructed for the benefit that it will be to the property.

This problem in general has been very carefully studied and worked out as to the larger details of a eas tributary and sizes needed.

The converting of this open creek into a covered storm sewer is one of the most important improvements now facing the city of Ann Arbor. The construction of this improvement should be started at as early a date as possible and if it is not deemed

advisable to construct it in its entirety during any one year of short period of time, amounts of money sufficient to build it section by section should be appropriated each year and the work carried on in this way as rapidly as possible until it is completed.

Very respectfully submitted, Manley Osgood, City Engineer.

Referred to Sewer committee.

The Council adjourned.

ISAAC G. REYNOLDS,
City Clerk.

Police Committee.

To the Honorable Common Council, Ann Arbor, Michigan: Sirs—Your Police committee, to whom was referred the matter of sealing the boiler room in the City Hall, respectfully recommend that the boiler room and coal bin be so sealed as to prevent dust and dirt rising into the office rooms above, also that the main steam riser from the boiler be enlarged from four inches to six inches. The Board of Public Works to prepare the necessary plans and specifications and advertise for bids.

Respectfully submitted, Sam C. Andres, Geo. Lutz, I. L. Sherk, Police Committee.

Ald. Andres moved the adoption of the report which was adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Respectfully submitted: A. J. PAUL,	
Street Commissioner.	

Reports of City Treasurer, Clerk, Street Commissioner and Engineer for month of July, received and ordered to take the usual course.

The City Attorney presented a bond of the Fidelity and Casualty Company, in the sum of \$6,000.00 covering the first year of the contract between the city and H. H. Wagoner on collection and disposal of garbage, and said that he did not see any reason under the present circumstances for not accepting the same.

Moved by Ald. Freeman that the bond as presented by the City Attorney be accepted.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

August 20, 1917.

To the Hon. the Common Council of Ann Arbor: Gentlemen—In the matter of the claim of Flora Osborn and Frederick Osborn against the city of Ann Arbor, which matter was taken up by the Council as a committee of the whole and by them referred to your Mayor and City Attorney, we beg leave to submit the following report:

We have been able to settle the claim with the Osborns for the sum of one thousand dollars, which will be in full of all past and future dam-

ages suffered by them by reason of any act done by the city of Ann Arbor, or which it may have already committed.

We feel that this is much more than the Osborns are entitled to, but owing to the fact that the citizens of the city are demanding that we obtain the water from the so-called Steere farm at the earliest opportunity, we feel that this settlement will avoid litigation which would involve the city for a period of at least a year and possibly longer, and in view of the fact that we have obtained, as part of the consideration of the settlement with the Osborns, their written consent and agreement that they will not apply to the courts for an injunction to prohibit the city from taking water from said land or make further tests, provided the city furnishes them in any manner which it deems wise a quantity of water equal to the amount that they receive or will receive at the time of such pumping or testing would start.

Upon this settlement being made, stipulations will be filed with the clerk of the Circuit Court dismissing both of the suits therein pending, which have been started by the Osborns again the city of Ann Arbor.

In view of the foregoing, we would respectfully recommend a settlement on this basis, which settlement seems to be in accord with the wish which you expressed at the meeting of the Council as a committee of the whole. Respectfully submitted, Ernst M. Wurster, Mayor, Frank B. Devine, City Attorney.

Moved by Ald. Lutz, that the recommendation of the Mayor and City Attorney be concurred in, and the City Clerk draw a warrant in the sum of \$1,000 in favor of Mr. and Mrs. Fred Osborn, on order of the City Attorney.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ann Arbor, Mich., Aug. 20, 1917.

To the Honorable, the Common Council: Gentlemen—I submit the following report relative to expenditures for charter revision:

Appropriation	\$1,000.00
Post cards redeemed	1.77

Total receipts\$1,001.77
Bills approved by Charter Commission 1,933.23
Appropriation necessary to

balance account 31.48

As the proposed charter was submitted at the same time as the special election on garbage crematory, the expenses of said election and special registration, amounting to \$714.08, were paid from the contingent fund.

Respectfully submitted, Isaac G. Reynolds, City Clerk.

Resolutions.

By Ald. Lutz: Resolved, that the sum of \$31.48 be appropriated from the contingent fund to balance account of charter revision expenses.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Donnelly, Markey, Sherck, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Heusel: Whereas the date of the next regular meeting of the Council falls on Labor Day, therefore,

Resolved, that when we adjourn, we do so to meet Tuesday evening, September 4th, 1917, 7:30 o'clock.

Adopted by unanimous vote of those present, 13.

By Ald. Sink: Resolved, that the

Board of Public Works be instructed to secure and put in place as soon as possible correct street signs for the newly named streets, and for such other streets as may be without signs.

Adopted by unanimous vote of those present, 13.

Moved by Ald. Markey that the Street Commissioner have North Main street, from pavement to city limits, repaired as soon as is possible.

Referred to the Street committee on order of President.

Moved by Ald. McGregor, that the Street Commissioner make an agreement with Mr. Wm. Clancy, to sprinkle E. University ave., from College street to N. University ave., until such time as said street can be oiled.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Donnelly, Markey, Sherck, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

The Council adjourned.

ROSS GRANGER

Deputy City Clerk.

Council Chamber, Ann Arbor, Mich.,
Sept. 4, 1917. Regular session.

Meeting called to order by the president. Present: Ald. Heusel, Mayer, Huss, Andres, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert. 11. Absent: Ald. Sugden, Henderson, Donnelly, Sink. 4. Minutes of previous meeting approved.

Communications.

From Mayor—

Ann Arbor, Mich., Sept. 4, 1917.

To the Honorable the Common Council: Gentlemen—As the contract for the collection and disposal of the city's garbage terminates on September 15th, I would recommend that steps be taken for a satisfactory collection of garbage during the time intervening the expiration of the present contract, and such time when the new system can be put in operation. As this is a matter of vital importance to our citizens I respectfully request immediate action.

Respectfully yours, Ernst M. Wurster, Mayor.

On motion of Ald. Lutz, referred to Sanitary committee.

Ann Arbor, Mich., Sept. 1, 1917.

To the Honorable, the Common Council: Gentlemen—I herewith wish to inform you that our City Physician is now in the U. S. army, commissioned as lieutenant. On leaving the city, Dr. Ganzhorn left the duties of the office in charge of Dr. John F. Blinn, who is also in charge of Dr. Ganzhorn's private practice. I respectfully recommend the approval of Dr. Blinn as Acting City Physician.

Very respectfully yours, Ernst M. Wurster, mayor.

Moved by Ald. Freeman, that recommendation of Mayor be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 11. Nays, none.

Ann Arbor, Mich., Sept. 4, 1917.

To the Honorable, the Common Council: Gentlemen—Inasmuch as Eastern Standard time has been so generally adopted, and proven itself so practical, also on having had many inquiries and expressions favoring its retention, I urge your honorable body to, at this or an adjourned meeting, consider the advisability of continuing indefinitely or at least state what time will be used during the winter months.

I am informed that the university would favor the retention of the east-

ern time and it is necessary at this time to know on account of announcements and schedules which are now being sent out. I am also convinced that should you now again change to central time, you would have much difficulty in again adopting the eastern time.

Very respectfully yours, Ernst M. Wurster, Mayor.

Ordered on file.

Ann Arbor, Mich., Sept. 4, 1917.

To the Honorable, the Common Council: Gentlemen—We respectfully request permission to purchase 1,000 feet of Paragon fire hose, at \$1.00.00. Respectfully, C. J. Sweet, Sid W. Millard, Albert Fiegel, Fire Commissioners.

Referred to Fire committee.

Petitions.

Of E. A. Schmid for grading of Murray ave., between Washington and Liberty sts., received and referred to Street committee.

Council Chamber, Ann Arbor, Mich., Sept. 17, 1917. Regular Session.

Meeting called to order by the President. Present: Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Absent: Ald. Sugden, McGregor, Sink, 3. Minutes of previous meetings approved.

From Board of Public Works.

Mr. Thompson, representative of Kelly-Springfield, made oral proposition as follows: Will ship at once the Kelly-Springfield gasoline two-cylinder ten-ton roller, with scarifier, to be rented by city until July 1, 1918, at rental of \$1,600.00, allowing \$600.00 for old roller, and \$1,000.00 to be paid in 30 days. At expiration of rental period city can purchase for \$3,950.00, deducting rental \$1,600.00 leaving balance of \$2,350.00.

Mr. W. Cornwell presented the following proposition:

Ann Arbor, Mich., Sept. 12th, 1917.

Proposition: On behalf of the Austin Western Road Machinery Co., of Chicago, Ill., I am pleased to offer herewith my proposal for furnishing the City of Ann Arbor, Michigan, with one of our rollers complete, with scarifier attached, and with all tools and attachments regularly furnished with said machine—subject to the terms and conditions hereafter named.

We will ship at once one—ten ton Austin single cylinder motor roller, with pneumatic scarifier, as illustrated and described, complete in every detail, and in accordance with the specifications submitted with our formal bid—will pay the freight, and on its arrival here will furnish a competent operator to unload and put it to work on your streets, under the direction of your Engineer or other proper official. You on your part agree to furnish a man who is to run the machine, and also such assistance and fuel as may be necessary in the actual unloading and running, and our expert will remain here to teach your operator the care and operation of the machine (such instruction to be without expense to the city) until such time as you are thoroughly satisfied that the roller is according to our guarantees, and is formally accepted by you.

Providing the machine is in accordance with our guarantees and capable of doing the work for which it is intended, in an efficient and thorough manner, you agree to accept it for a rental period ending July 1st, 1918, and agree to pay as rent for this per-

iod the sum of four hundred dollars (\$400.00) in cash on Dec. 1st 1917, and four hundred dollars (\$400.00) in cash on May 1st, 1918, and to deliver the machine F. O. B. cars immediately upon expiration of the rental period.

In the event, however, of your deciding to purchase the machine at any time from now on to that date, viz., July 1st, 1918, we agree to allow the above amount paid as rental to apply on the purchase price as bid formally to you, viz., \$3000.00 and your old roller, together with interest at 6 percent on the deferred amount from date of acceptance to date of purchase.

But should you find the machine not up to our representations and unable to accomplish its tasks in the amount described, then we will reload the machine and return it to the factory without any additional expense or obligation on your part.

Respectfully submitted, W. Cornwell, Mich. State Agent.

Moved by Mr. Scott, that the rental proposition, with option to purchase, submitted by the Austin Western Road Machinery Co., be recommended to Council for acceptance. Adopted by Board.

(Council action)

Moved by Ald. Heusel, that recommendation of Board be laid on table.

Lost by the following vote: Yeas, Ald. Heusel, Henderson, Donnelly, Markey, 4. Nays, Ald. Mayer, Huss, Andres, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 8.

Moved by Ald. Freeman, that the recommendation of Board of Public Works be concurred in.

Adopted by the following vote: Yeas, Ald. Mayer, Huss, Andres, Sherk, Hauser, Freeman, Lutz, Pres. Reichert 8. Nays, Ald. Heusel, Henderson, Donnelly, Markey, 4.

Communication from Michigan Association of City Clerks, relative to annual convention to be held at Mt. Clemens Sept. 20th, and 21st, received.

Moved by Ald. Markey, that the City Clerk be authorized to attend convention at expense of city.

Adopted by the following vote, Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Ann Arbor, Mich., Sept. 17, 1917.

To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS, City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn Sept. 15, 1917. We recommend that the same be approved and that warrants be ordered drawn for the foregoing accounts.

Respectfully submitted: GEO. LUTZ, O. R. MAYER, Finance Committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Sewer Committee.

To the Honorable, the Common Council: Gentlemen—Your Sewer committee respectfully recommends that the following matters be referred to the committee of senior Aldermen, appointed to prepare amendments to our present charter:

That provision be made for issue of

Sanitary sewer bonds in amount of 3-10ths of one per cent, and storm sewer bonds in amount of 2-10ths of one per cent, of the assessed valuation of the city.

That a sewer connection fund be provided, from which sewer connections may be made and paid for in four years.

Respectfully submitted, I. L. Sherk, Geo. Lutz, John Huss, Wm. L. Henderson, J. W. Markey, Sewer Committee.

Ald Sherk, moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Street Committee.

To the Honorable, the Common Council: Gentlemen—Whereas, G. Frank Allmendinger has presented two deeds to the city for street purposes in the Second ward of the city of Ann Arbor, and

Whereas, said deeds have been approved by the City Attorney and

Whereas, in the opinion of this committee said deeds should be accepted in order to open and widen certain streets in said ward, now therefore be it

Resolved, that the deeds from said G. Franklin Allmendinger and wife to the said city, of land to be used for street purposes, be and are hereby accepted.

Whereas, G. Frank Allmendinger and wife has presented a deed to the city of Ann Arbor of two parcels of land said land to be used for park purposes, and

Whereas, said deed has been approved by the City Attorney, and

Whereas, this committee has investigated the matter and deem it advisable to accept said land, now therefore be it

Resolved, that the deed from G. Frank Allmendinger and wife to the city of Ann Arbor of two parcels of land in the Second ward to be used for park purposes be and is hereby accepted.

Respectfully submitted, Sam Heusel, O. R. Mayer, Sam C. Andres, O. E. Hauser, Street Committee.

Ald. Heusel moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Whereas, the city entered into an agreement with G. Frank Allmendinger and wife that it would accept a certain parcel of land in the Second ward of the city, for park purposes, and that the city would pay Mr. Allmendinger for grading the streets around said park the sum of \$300.00 and

Whereas, all streets have been properly graded and have been accepted by the Street committee and City Engineer, now therefore, be it

Resolved, that the City Clerk be and is hereby directed to draw a warrant in favor of G. Frank Allmendinger in the sum of \$300.00.

Respectfully submitted, Sam Heusel, O. R. Mayer, Sam C. Andres, J. W. Markey, O. E. Hauser, Street Committee.

Ald. Heusel moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Sidewalk Committee.

To the Honorable, the Common Council: Gentlemen—Your sidewalk committee respectfully recommends that the following sidewalks be ordered built and the following resolution adopted:

Resolved, that the grading and construction of the sidewalks hereinafter mentioned is deemed and declared to be a necessary public improvement.

Therefore, it is hereby ordered that stone or cement sidewalks be graded, built and constructed in the City of Ann Arbor, on and along the north side of Washington st. from Crest ave. west to No. 1 12 West Washington st. Lot No. 9 Huron Crest Subdivision, Clarence G. and Eva Cobb.

Catherine st. side of No. 216 No. State st., new walk to replace two broken blocks, N. 5 rods of lot 8, and the W 16ft. of the N 5 rods of lot 7, B 2 N. R 10 east, Eastern addition, James Franklin Adams.

Respectfully submitted, Chris T. Donnelly, Wm. L. Henderson, O. R. Mayer, S. Heusel, I. L. Sherk, C. C. Freeman, Sidewalk Committee.

Ald. Donnelly moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Whereas, under the date of August 20th, 1917, this council ordered a side-

walk on and along the west side of North Main street, from the end of the present side walk to the City limits and

Whereas, it was the intention of the Sidewalk committee to recommend a walk along the east side of said street, from the end of the present walk to the city limits, because of the fact that the factories are all located along that side, now, therefore, be it

Resolved, that the action of this Council in ordering a walk constructed on and along the west side of North Main street, from the end of the present walk to the city limits, be revoked and that the committee be given further time in which to consider the advisability of ordering a sidewalk built on and along the east side of North Main street, from the end of the present walk to the city limits.

Respectfully submitted, Chris. T. Donnelly, Wm. L. Henderson, I. L. Sherk, C. C. Freeman, O. R. Mayer, S. Heusel, Sidewalk Committee.

Ald Donnelly moved the adoption of the resolutions which were adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays none.

Sanitary Committee.

Whereas the Garbage contract with Mr. Edward Besch, the present contract expired on the 17th day of September 1917, and

Whereas Mr. Henry H. Wagoner, will not have his incinerator constructed and ready for the disposal of garbage until on or about the 1st of January, 1918, and

Whereas, at the last meeting of this Council the undersigned committee was authorized to take up the matter of making a new contract with the present contractor until such time as Mr. Wagoner is ready to dispose of the garbage, and

Whereas, said committee has taken the matter up with the present contractor, and have received an offer from said contractor to dispose of said garbage until such time as Mr. Wagoner starts collecting under his contract, for the sum of \$28.00 per day, six days per week now therefore be it

Resolved, that the Mayor and City Clerk execute a contract with Mr. Edward Besch for the disposal of said garbage for the term above provided, when said contract is approved by the City Attorney.

Respectfully submitted, J. W. Markey, O. E. Hauser, Sam Heusel, Sanitary committee.

Ald Markey moved the adoption of the report and resolutions, which were adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

MANLEY OSGOOD, City Engineer.

Reports of City Treasurer, City Clerk and City Engineer for month of August received and ordered to take usual course.

City Attorney, Frank B. DeVine, made oral report that Mr. A. H. Waggoner desired to lease, during the period of his contract for collecting garbage, the house on city property where incinerators to be constructed. Mr. Waggoner agreeing to expend a sum on said property in improving the same equal to the rent now being paid for said property being the sum of \$8.00 per month, or to pay to the city the difference between the amount of said improvements and the annual rent.

Moved by Ald. Lutz, that oral report of City Attorney be adopted, and the Mayor and City Clerk be instructed to sign lease when approved by City Attorney.

Adopted by the following vote. Yeas, Ald. Heusel, Mayer, Huss, Anderson, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Pres. Reichert, 12. Nays, none.

Ann Arbor, Mich., Sept. 8, 1917.

To the Honorable Common Council, Ann Arbor, Michigan: Sirs—I beg to advise that the total cost of oiling the alley in block one, north, ranging three east, from Huron street to north end of pavement in said al-

ley, will be \$5.00, of which the property owner's share, 60 percent, will be \$3.00.

Respectfully submitted, Manley Osgood.

By Ald. Lutz: Resolved, that the prices determined by the City Engineer for which petitions have been received and approved, be fixed and determined as the price to be paid by the petitioners, and that the City Treasurer be ordered to collect all sums to be paid by petitioners.

Resolved, further, that the Board of Public Works proceed with the oiling of all streets for which petitions have been received and approved, upon receiving the proper notice from the City Treasurer, as provided by an Ordinance, relative to street oiling.

Adopted by the following vote: Yeas, Ald. Heusel, Mayer, Huss, Anderson, Henderson, Donnelly, Markey, Sherk, Hauser, Freeman, Lutz, Reichert, 12. Nays, none.

Ald. Markey stated that a number of residents had requested that the Council take proper action to allow the keeping of pigs in certain parts of the city. No action taken.

Mayor Ernst M. Wurster informed Council that 103 drafted men from Washtenaw county would leave Wednesday morning for Camp Custer, and requested that members of Council

and all city officials join in the demonstration and parade which would be given in honor of these men.

Moved by Ald. Donnelly, that the Council as a body join in the parade and that all city officials be requested to accompany them. Adopted.

The Mayor called attention to the

necessity of comfort stations, especially in connection with garages, on account of tourists. On motion of Ald. Lutz, the matter was referred to Sanitary committee and the Mayor.

The Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich.,

Oct. 1, 1917, regular session.

Meeting called to order by the president. Present: Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Absent: Ald. Sink, 1. Minutes of previous meeting approved.

Ann Arbor, Mich., Oct. 1, 1917.

To the Finance Committee of the Common Council: Gentlemen: I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that

they are correct to the best of my knowledge.

ISAAC G. REYNOLDS, City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn Oct. 1, 1917. We recommend that the same be approved and that warrants be ordered drawn for the foregoing accounts.

Respectfully submitted, G. O. LUTZ, O. R. MAYER, JOHN MCGREGOR, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Bill of \$544.00 received from Edward Besch for collection of garbage during month of September.

Moved by Ald. Lutz that bill be allowed and City Clerk instructed to draw warrant for same.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 14. Nays, none.

Fire Committee.

To the Honorable, the Common Council: Gentlemen—Your Fire committee has had the following matter under consideration, and respectfully recommends that the Water Works Dept. be instructed to raise, under the direction of the Chief of Fire Dept., the fire hydrants situated as follows:

Corner Detroit and Catherine sts.; Detroit and Kingsley sts.; Detroit st. in front of Wm. Lanskv property; Broadway and Moore sts.; Depot st. in front of city yards; Miller ave. and Spring sts.; W. Huron st., in front of No. 620; State and Huron sts.; N. Ann Arbor, Mich., Oct. 15, 1917.

To the Honorable, the Common Council: Gentlemen—The combination pumper and hose wagon ordered by your honorable body will be here about October 29th, which will necessitate changes in Fire Station No. 1. We respectfully recommend that the building be rewired, the two west rooms be repainted, the west room be changed from horse stalls to room for fire equipment, a cement floor and door in store shed, and change door back of middle room and other minor repairs. The cost will not exceed \$600.00.

Respectfully submitted, C. J. Sweet, Albert Fiegel, Sid W. Millard, Fire Commission.

By Ald. Huss: Resolved, that the recommendation of the Fire Commission be concurred in, and that they are hereby authorized to make all repairs and changes at Station No. 1, as specified, upon the approval of the Board of Public Works.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

From Water Works Commission.

Oct. 15, 1917.

To the Honorable Common Council, of the City of Ann Arbor, Mich.: Gentlemen—We herewith present you with report of meter rates and cost of installation, and other information furnished by Mr. Gardner S. Williams, consulting engineer.

We respectfully submit the same for your consideration.

Provided these rates and estimates meet with your approval, we recommend the immediate installation of meters, and ask that you provide the necessary funds.

Very truly yours, Wirt Cornwell, Geo. J. Mann, John Lindenschmidt, Water Commissioners.

(Council action).

Moved by Ald. Lutz that the report be received, and the President of Council call a meeting of committee of the whole to take the matter under consideration. Adopted.

(From Water Works Commission.)

Ann Arbor, Mich., Oct. 15, 1917.

To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS, City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. We recommend that the same be approved and that warrants be ordered drawn for the foregoing accounts.

Respectfully submitted, GEO. LUTZ, O. R. MAYER, JOHN MCGREGOR, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherck, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Engineer's Estimate.

City Engineer's tenth estimate for construction of sanitary sewer in District No. 72, approved by majority of members of Board of Public Works, was presented by Ald. Lutz.

Moved by Ald. Lutz, that the amount now due, \$4,149.99, be allowed and the City Clerk be instructed to draw warrant for same in favor of the contractor, Ray D. Baker.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherck, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Street Committee.

By Ald. Heusel: Whereas, this common council has been applied to in writing by a majority of the owners of the lands, which are liable to be assessed for the payment of the construction of the same, praying for the grading and paving of alley running north and south between Washington and Liberty sts., in Block 2 South, Range 3 East, within the corporate limits of the city of Ann Arbor, Michigan; therefore

Resolved, that it is hereby declared to be the purpose of the Common Council to cause said alley in Block 2 South, Range 3 East, within the limits aforesaid, to be graded and paved under the charter and ordinances of the city of Ann Arbor, and in pursuance of the prayer of said petitioners.

Resolved, further, that the cost and expense of the construction of such public improvement shall be charged, assessed and paid as follows: Assessed and paid by special assessment levied and assessed according to benefit on and against all the lands, tenements and premises lying on or fronting alley in Block 2 South, Range 3 East, within the limits aforesaid.

Resolved, further, that the plans, specifications and approximate esti-

mate of the cost of paving said alley as presented by the Board of Public Works, through the City Engineer, October 1 1917, be approved and accepted; and the Board of Public Works is hereby authorized to advertise for bids for and proceed with the construction of said pavement according to the Charter and ordinances of the city.

Resolved, further, that the construction of said pavement is deemed and hereby declared to be a necessary public improvement.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherck, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Park and Sanitary Committee.

Ald. Markey stated that his attention had been called to the sale of shrubbery by Supt. of Parks, and the matter was referred to Park and Sanitary committee.

Respectfully submitted: ALFRED J. PAUL, Street Commissioner.	

Reports of City Treasurer, City Clerk, Street Commissioner and Acting Marshal for month of September, received and ordered to take usual course.

Moved by Ald. Freeman, that the Water Commission, City Attorney and City Engineer be requested to attend committee of whole meeting, relative to schedule of water rates. Adopted.

Moved by Ald. Sherk, that the Ordinance committee be instructed to amend the ordinance relative to licenses so that licenses will not be necessary to sell meat, fish, fruits, and farm and garden produce. Adopted.

On motion of Ald. Lutz, Council adjourned.

ISAAC G. REYNOLDS,
City Clerk.

Council Chamber, Ann Arbor, Mich.,
Nov. 5, 1917. Regular Session.

Meeting called to order by the President. Present: Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sirk, Pres. Reichert, 12. Absent: Ald. Heusel, Hauser, McGregor, 3. Minutes of previous meeting approved.

Communications.

From the Mayor—

November 3, 1917.
To the Honorable, the Common Council, City of Ann Arbor: Gentlemen—Since this city has had the sad misfortune of having its Treasurer, the late Charles L. Miller, taken by death, and it becoming necessary to appoint a successor to fill the un-expired term I feel that as a matter of business the books of that office should be audited before they are turned over to the incoming treasurer, and I would therefore recommend that this Council order the same audited at once by some person whom they feel competent to do the work.

Respectfully submitted, Ernst M. Wurster, Mayor.

Moved by Ald. Lutz, that the Mayor's recommendation be accepted and adopted.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

By Ald. Lutz: Resolved, that Mr. Frank L. Pack be and is hereby employed to audit the books and accounts of the City Treasurer's office, from May 1, 1917, to date.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

November 3, 1917.
To the Honorable, the Common Council, City of Ann Arbor: Gentlemen—I have felt for some time that in view of the compensation paid to the holder of the office of City Treasurer, which compensation is limited by the provisions of our charter to the sum of \$100.00 a month, and \$100.00 a year for clerk hire, that it is asking too much of any man to ask him to furnish his own bond, and I would therefore recommend that the incoming city treasurer furnish a surety bond in the sum of \$50,000.00, and that the city pay the costs of procur-

ing said bond, and that the city also pay the costs of furnishing a surety bond for the treasurer to the County of Washtenaw, when a bond is necessary to cover the collection of the taxes which are remitted to the county.

Respectfully submitted, Ernst M. Wurster, Mayor.

Moved by Ald. Sink, that recommendation of Mayor be concurred in.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

November 5, 1917.
To the Honorable, the Common Council: Gentlemen—I herewith submit for your approval, the appointment of Ross Granger as City Treasurer, to fill the vacancy caused by the death of Chas. L. Miller. This appointment to take effect as soon as Mr. Granger has qualified.

I respectfully ask confirmation of this appointment.

ERNST M. WURSTER, Mayor.

Moved by Ald. Sink, that the appointment be confirmed.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

October 25, 1917.
To the Honorable, the Common Council: Gentlemen—I hereby wish to announce the appointment of the following special police for duty at University, and without pay from the city: J. A. Richardson and G. E. Darrow on University property. Christian Frey on campus.

Respectfully yours, Ernst M. Wurster, Mayor.

Ordered on file.

From Board of Public Works.

Plat of George P. Whaley's Subdivision in the City of Ann Arbor presented.

Moved by Mr. Scott, that plat be approved and referred to council.

Adopted by Board.

(Council action)

Referred to Street committee.
(From Board)

Moved by Mr. Rentschler, that concerning recommendation from Council in matter of repairs to fire station No. 1, the Board respectfully reports that they have made a personal investigation, and would recommend that in place of repairs suggested a

general change be made by tearing out the partition walls and putting in steel columns and "I" beams, to make entire first floor one room. The Board feels that with present motor driven equipment this would be a necessary improvement, and that the money would be more judiciously spent by making such a general change than by the temporary improvements recommended. Adopted by Board.

City Engineer presented plans and specifications in accordance with above recommendation.

Sealed proposals were received as follows: C. H. Kittrege, wiring fire station No. 1 for electric lights as per plans and specifications, \$380.00; A. R. Cole Co., to furnish and erect steel columns and "I" beams, furnish new door and frame, and install same at the rear of the present middle room on the main apparatus floor, all according to the plans, for \$1,685.00, does not include the tearing down of brick walls, encasing of "I" beams, electric wiring or heating and plumbing. H. J. Hochrein, \$1,998.00, complete, according to plans and specifications.

Moved by Mr. Arnet, that if the Council see its way clear to install the work according to plans and specifications presented by City Engineer, the Board recommends that contract be awarded to Mr. H. J. Hochrein. Adopted by Board. (Council action)

Moved by Ald. Donnelly, that matter be referred to Finance committee. Adopted by unanimous vote of those present, 12.

From Park Superintendent.

November 5, 1917.

To the Common Council: Owing to the fact that the Whitmore Lake road grade separation bridge will not be completed this fall, the heavy traffic all winter from that point to the city will necessarily be over Long Shore drive along the river. With the appropriation of \$150.00 which was allowed the Park Commission last spring, for road improvements, the road was greatly improved; however, not sufficiently so for the heavy traffic which will come through the winter.

At the suggestion of Mr. Markey, chairman of your Park committee, Mr. Underdown of the Huron Farms Co., has consented to give \$200 toward putting this road in good con-

dition providing the city will give a like amount.

In consideration of this generous offer from the Huron Farms Co., the Park Commission through its Superintendent hereby asks the Common Council for a special appropriation of \$200 to properly build up this road. Respectfully submitted, Ray E. Bassett, Superintendent of Parks.

Moved by Ald. Markey, that matter be referred to Finance committee, and chairman of Park committee, with power to act.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Petitions.

Petition of Edward S. Everett, et. al., for grading and paving of McKinley ave., between Packard and State sts., received and referred to Street committee and City Engineer.

Petition of John Wilkinson, et. al., for street light at corner of State st. and Granger ave., received and referred to Lighting committee.

Petition of G. H. Wild, et. al., requesting installation of boulevard lighting system on State, William, Maynard and Liberty sts., and N. University ave., in accordance with proposal of the Detroit Edison Co., attached, received and referred to Lighting committee.

Committee Reports.

Finance Committee —

By Ald. Lutz: Resolved, that Five Thousand Dollars be and is hereby transferred from the Bridge, Culvert and Crosswalk fund to the Street fund.

Adopted by the following vote: Yeas: Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Respectfully submitted MANLEY OSGOOD, City Engineer.

Reports of City Treasurer, City Clerk and Acting Marshal for month of October, City Engineers report for September, and report of Water Works Dept. for quarter ending October 31, 1917, received and ordered to take usual course.

Resolutions.

November 5, 1917.

To the Honorable, the Common Council, Ann Arbor, Michigan: Gentlemen—A few days ago we were all grieved to learn of the passing away of our good friend and fellow citizen, Charles L. Miller, a man who has served the community in many capacities for a long time. He has been a member of the School Board, a member of this Body, an official of the City, and of the County in which we live, and in these several capacities in which so many of us have had occasion to meet him, he has won the admiration and esteem of us all. He was a man of genial personality, kindly disposed, and ready and willing at all times to serve the public untriflingly and without prejudice.

It is therefore fitting that as a mark of appreciation there should be entered upon the minutes of this Body a resolution of gratitude for his many services, and as a token of appreciation for his unselfish devotion to public duty.

It is resolved that in his passing away the community has been bereft of a splendid citizen at a time when

we had reason to expect many more years of valuable service, and that we, as representatives of the citizens of Ann Arbor, do hereby express our regret at his untimely death, and extend to the members of his family our sincere sympathy.

Respectfully submitted, Charles A. Sink.

Adopted by unanimous vote.

November 5, 1917.

By Ald. Lutz: Resolved, that the City Engineer furnish this Council, as soon as possible, with an estimate of the total cost of all wells, pumping stations, pipe lines, etc., necessary to supply the Steere Farm water to the City of Ann Arbor.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Moved by Ald. Mayer, that the City Clerk be authorized to send flowers and an expression of sympathy from this Council to Ald. Samuel Heusel, who met with an accident in Detroit, and is now confined at Harper Hospital.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

On motion of Ald. Lutz, Council adjourned.

ISAAS G. REYNOLDS,

City Clerk.

To the Finance Committee of the Common Council: Gentlemen I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. KEYNOLDS, City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn Nov. 16, 1917. We recommend that the same be approved and that warrants be ordered drawn for the foregoing accounts.

Respectfully submitted: GEO. LUTZ, O. R. MAYER, JOHN MCGREGOR, Finance Committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote. Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markov, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ald. Lutz presented report of audit of books and accounts of City Treasurer's Office from May 1, 1917, to November 1, 1917, as prepared by Mr. Frank L. Pack.

By Ald. Lutz: Resolved, that report of audit of books and cash of the City Treasurer's office, by Frank L. Pack, be accepted and ordered or file, and that warrant be ordered drawn on Labor Account Sewer District No. 82, in favor of Mr. Charles Stoll, in the sum of Forty-one dollars, as recommended in Auditor's report.

Resolved, further, that the following warrants be and are hereby ordered cancelled: Contingent fund, No. 4452, to Burroughs Adding Machine Co., \$1.54; No. 8110, to Burroughs Adding Machine Co., \$3.90; Water Works Fund No. 5743, to C. G. Darling, \$4.80; Poor Fund, No. 3348, to John McGregor, \$7.49.

Resolved, further, that warrant be drawn on Poor fund, in favor of John McGregor, in the sum of \$7.49, in payment of warrant cancelled.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markov, Sherk,

Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Lutz: Resolved, that Two Hundred Dollars be and is hereby transferred from the Dog License fund to the Park fund.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ald. Lutz made oral report that the Finance committee, to whom was referred the recommendation of the Board of Public Works, and bids for changes at Fire station No. 1, had considered the matter, and recommended that the Board of Public Works and Fire committee make only necessary repairs, not to exceed \$600.00 appropriated for said purpose. Adopted.

Ordinance Committee.

Ald. Sink presented the following ordinance which was given its third reading:

An Ordinance to amend an ordinance entitled, "An Ordinance to regulate and control the selling of milk within the City of Ann Arbor, and to license the vendors thereof, and to regulate the care of cows, from which milk is sold, and for the inspection and examination of dairies and dairy herds and milk, passed March 14, 1904, approved March 22nd, 1904; amended April 18th, 1904; amended January 4th, 1915.

The Common Council of the City of Ann Arbor Ordain:

Section 1. That section twelve of an ordinance entitled, "An Ordinance to regulate and control the selling of milk within the City of Ann Arbor, and to license the vendors thereof, and to regulate the care of cows, from which milk is sold, and for the inspection and examination of dairies and dairy herds and milk," passed March 14th, 1904; approved March 22d, 1904; amended January 4th, 1915, be and the same is hereby amended to read as follows:

Section 12. All receptacles from which or in which milk is sold or delivered by any dealer or person shall be thoroughly scalded before being used as such receptacle, and the use of faucet tanks or cans are hereby prohibited.

This ordinance shall take effect and be in force from and after ten days from legal publication.

The Chair put the question, "Shall this ordinance pass?"

Passed by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ald. Sink presented "An ordinance to amend an ordinance entitled, "An Ordinance relative to licenses," passed July 6, 1891; approved July 15, 1891; amended Feb. 4, 1895; amended March 16, 1896; amended Dec. 19, 1898; amended June 4, 1900; amended Nov. 6, 1905; amended June 17, 1907; amended Jan. 6, 1908.

The Common Council of the City of Ann Arbor ordain: which was given its first reading by title, passed to and given its second reading and referred to ordinance committee by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

To the Hon. the Common Council, City of Ann Arbor: Gentlemen—We, your Ordinance committee, have prepared an amendment to an ordinance entitled "An Ordinance relative to Porters, Runners, and Drivers and to regulate Hacks and Drays," to provide for the charges which could be made by taxicab owners for the carriage of passengers, and would have submitted the said amendment for its second reading to night had it not been for the fact that the taxicab companies of the city have attempted to take this matter into their own hands and ignore this body, as well as attempt to ignore the provisions of the present ordinance. For this reason we feel that the present ordinance is not adequate to take care of present conditions, and we are therefore drafting an entirely new ordinance to cover hacks and taxicabs, and dealing with them alone.

Attached hereto is a copy of the letter which was received by your committee from the taxicab companies, and we feel certain that upon reading this letter the members of this body will feel that we are pursuing the proper course.

Ann Arbor, Mich., Nov. 9, 1917.
Honorable Councilman, C. A. Sink, Chairman of the Ordinance Committee, 719 S. Thayer st., Ann Arbor, Mich.: In speaking in behalf of the Taxicab Companies, must express that it is our desire to co-operate with the

City of Ann Arbor to amend an ordinance which is fair to all. On account of the litigation, which we now expect will be of some duration, we feel that to protect ourselves and the taxicab service of Ann Arbor, it will be impossible to wait until this ordinance is passed, and to maintain ourselves until this time, it is necessary that the new rates become effective on and after Monday, November 12th, 1917. We also state we are willing to meet the ordinance committee at all times to thoroughly discuss this question and feel reasonably assured that we can come to a satisfactory agreement to all.

Thanking you, we remain, yours truly,
Ann Arbor Taxi & Transfer Co., by
Wm. J. Mayer.

Respectfully submitted: Charles A. Sink, C. C. Freeman, Ordinance Committee.

Ald. Sink moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Sewer Committee.

To the Honorable, the Common Council: Gentlemen—Your Sewer committee has had the following petitions under consideration, and respectfully recommends that petition of Hudson T. Morton for lowering of sewer on South University ave., be not granted as the present sewer accommodates all houses on this street at the present time, and the city has no available funds to construct more sewers. That petition of Douglas Golden to have the city put in tile in front of his property in Golden ave. to take care of water be not granted, until city can make this a permanent improvement.

Respectfully submitted: I. L. Sherk, M. B. Sugden, J. W. Markey, Wm. L. Henderson, Geo. Lutz, C. C. Freeman, John Huss, Sewer Committee.

Ald. Sherk moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Sewer Boundary.

By Ald. Sherk: Resolved, that each and all of the lands, tenements and premises hereinafter mentioned, are deemed and declared to be benefitted

by the construction of lateral sewer No. 84, to the extent of the cost thereof, street crossings excepted, and all such lands shall constitute and all of the said lands hereinafter mentioned is fixed and determined as the district and special district upon and against which shall be assessed and charged all the costs and expenses of construction of such lateral sewer, that is to say.

All of the lots in Killins Height's Addition to the City of Ann Arbor, except lots 1, 2, 3, 4, 5, 6, 7, 8, 63, 64, 65, 88, 89, 118, 119, 120, 121, 122, 150, 151 and 152.

Revised boundary to take the place of that adopted by the Common Council on August 20, 1917.

Resolved, further, that this resolution, order and determination be and the same is hereby certified to the City Assessor.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays none.

Lighting Committee.

To the Honorable, the Common Council: Gentlemen—Your Lighting committee has had the following matters under consideration, and respectfully recommends:

That arc light be placed at intersection of State st. and Granger ave., and that tungsten lights be placed as follows. On the west side of Fourth st., between Jefferson and William sts. one-half way between Nos. 430 and 436; on south side of Packard st., 15 ft. east of fire hydrant on lawn extension in front of Perry school; on the west side of S. Fifth ave., 6 ft. north of driveway of No. 544; on the north side of Granger ave., at intersection of Golden ave., on the south side of Geddes ave., at intersection of Camden court on Edison Co.'s pole.

That petitions for lights at following locations be not granted; corner Elm st. and Mack road, and on the easterly side of Detroit st., north of White Swan laundry.

Your committee has favorably considered the petition of G. H. Wild, et al., relative to boulevard lighting system in State st. district, but on account of the matter of expense we recommend that the matter be referred to the Lighting and Finance committees, for further consideration.

Respectfully submitted, M. B. Sugden, J. W. Markey, Lighting committee.

Ald. Sugden moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Board of Review on Sidewalks.

Council Chamber, Ann Arbor, Mich., Nov. 19, 1917.

To the Common Council: Gentlemen—The undersigned, City Clerk, begs leave to submit the following as the proceedings of the Board of Review, having under consideration the several sidewalks constructed by the Board of Public Works in the City of Ann Arbor, at the expense of the building sidewalk fund.

The Council sitting as such Board of Review, in pursuance to its order and appointment for the purpose, met at the Council Chamber on Monday, November 19, 1917, at seven o'clock p. m., and due proof of publication of the notice of the meeting filed. The roll call of the aldermen being called and a quorum being present as follows: Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, 11.

The certificate of the Board of Public Works being presented the Council entered upon the consideration of same.

Ann Arbor, Mich., Oct. 3, 1917.

To the Common Council, from the Board of Public Works: Gentlemen—We submit to your honorable body the report of all sidewalks built by this board, and charged to the property owners, as per your order. The amount placed after each description being the actual cost of the walk, with ten per cent added, this being the amount which is a lien upon the property, as per section 13 of an ordinance relative to sidewalks.

Sidewalks built by city, cost of same and ten per cent added to be assessed against the property along which said walks have been constructed.

 received, ordered to take usual course.

City Attorney's Report.

To the Hon. The Common Council,
 City of Ann Arbor: Gentlemen—In
 Re: Frank Krawz vs. City of Ann Ar-

bor. Having learned that the above
 entitled claim was to be presented to
 the Council at this meeting, I made
 an investigation of the same in com-
 pany with Mr. Bassett, superintendent
 of parks, and I therefore desire to
 report at this time so that the matter

may be closed as far as the city is concerned. We found that Mr. Krawz had driven his machine upon the lawn extension at the point where he ran into the limb of the tree. The inside wheel tracks of his automobile were within three feet of the outer edge of the sidewalk, and the wheel tracks on the left hand side of his machine showed them to be inside the gutter box and entirely upon the lawn extension. Had Mr. Krawz remained in the street proper, even if he had driven over as far as the gutter box, it would have been impossible for him to drive into the limb of the tree which damaged his automobile, as at the time that Mr. Bassett and myself made the investigation we backed the park department car down into the gutter, and found that the limbs was fully two feet above the top of the automobile.

In my opinion, no liability attaches to the city in any manner whatever, and I would therefore recommend that the claim be disallowed.

Respectfully submitted, Frank B. Devine, City Attorney.

Moved by Ald. Lutz, that report of City Attorney be adopted.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz,

Sink, Pres. Reichert, 13. Nays, none. By Ald. Lutz: Resolved that the Ordinance committee be instructed to to amend an Ordinance relative to the burning of leaves, to amend to change the hour of 12 noon to 3 p. m.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Mayer: Resolved, that Ann Arbor Railroad Co., be ordered to repair south end of crosswalk at intersection of A. A. R. R. and W. Liberty st.

Moved by Ald Lutz, that estimates be allowed and City Clerk instructed to draw warrants for amounts due.

Adopted by following vote: Yeas, Ald. Heusel, Sudgen, Mayer, Huss, Andres, Henderson, Donnelly, Mark-
ey, Sherk, Hauser, McGregor, Free-
man, Lutz, Sink, Pres. Reichert, 15.
Nays, none.

Ann Arbor, Mich., Dec. 3, 1917.

To the Honorable, the Common Council: Gentlemen—Your Finance committee, to whom was referred the request from The Ann Arbor Federation of Charities for an appropriation, has had the matter under consideration, and recommends that the sum of two hundred dollars be appropriated from the contingent fund, to said society, for charitable purposes, and that the City Clerk be instructed to draw warrant for same.

Respectfully submitted: Geo. Lutz, O.

R. Mayer, John McGregor, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Officers' Reports.

Report of acting Marshal for month of November received and ordered on file.

Ann Arbor, Mich., Nov. 30, 1917.

To the Honorable Common Council: Sirs—In connection with the building of the bridge over the Huron river on Broadway, that part of Pontiac st., between Swift st. and Moore st., is being widened and graded, the dirt being used for the fill over the bridge. The Fifth Ward voting place stands at the Swift st. entrance to this part of Pontiac st. I would recommend, if you think it advisable, that this be moved to some other location nearby in order that this street may be properly graded for its full width and length.

Very truly yours, Manley Osgood, City Engineer.

Referred to Street committee.

Mr. I Bethel addressed Council relative to arrest for violation of city or-

dinance, and the matter was referred to Police committee.

Mayor Ernst M. Wurster advised Council to reduce the hours of boulevard lighting, to aid in conservation of coal.

Moved by Ald. Freeman, that the matter be referred to the Mayor, Chairman of Lighting committee, and Acting Marshal, with power to act.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

Ald. Sink, in a few well chosen words, expressed to Ald. Heusel the pleasure of the Council that he had so far recovered from his recent accident to be able to attend its meeting, and in response Ald. Heusel thanked the members for their kindly interest and for the beautiful flowers which he received from them.

Mr. Theo. H. Trost, Secretary of Merchant's Credit Association, addressed Council relative to state convention of merchants to be held in this city next February, and requested that Council appropriate from the entertainment fund a sufficient sum to purchase 800 copies of booklet, published by Ann Arbor Civic Association, to be presented to the visitors.

Moved by Ald. Sink, that the matter be referred to the Finance committee with power to act.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 15. Nays, none.

On motion of Ald. Markey, Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich.,
Dec. 17, 1917. Regular Session.

Meeting called to order by the President. Present: Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, Freeman, Lutz, Sink, Pres. Reichert, 11. Absent: Ald. Heusel, Andres, Sherk, McGregor, 4. Minutes of previous meeting approved.

Communications.

(From Board of Public Works.)

City Clerk presented agreement, signed by owners of the Washington Heights addition to the city of Ann Arbor, in consideration of the acceptance of said plat that the cost of an outlet sewer for said district shall be assessed against said property, and paid by the owners of said property, without any cost to the city of Ann Arbor. Moved by Mr. Scott, that the agreement be approved and referred to Council, with the recommendation that agreement be recorded in Register of Deeds office. Adopted by board.

(Council action.)

Ann Arbor, Mich., Dec. 17, 1917.

To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS,

City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report, Warrants for salaries were drawn Dec. 15, 1917. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

Respectfully submitted: Geo. Lutz, O. R. Mayer, John McGregor, Finance Committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, President Reichert, 12. Nays, none.

To the Honorable, the Common Council: Gentlemen—Your Finance committee, to whom was referred the request of the Merchants Credit Association that booklets published by the Ann Arbor Civic Association be presented to the delegates attending the state convention of merchants, to be held in this city next February, has had the matter under consideration, and respectfully recommends that 800 copies of the booklet be purchased, at 5 cents each, for purpose mentioned, with the privilege of returning all copies not used, payment to be made from Entertainment fund. Respectfully submitted, George Lutz,

O. R. Mayer, John McGregor, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres Reichert, 12. Nays, none.

Ordinance Committee.

Ald. Sink presented the following ordinance, which was given its third reading:

An Ordinance to amend an ordinance entitled, "An Ordinance relative to Licenses," passed July 6, 1891; approved July 15, 1891; amended February 4, 1895; amended March 16, 1896; amended December 19, 1898; amended June 4, 1900; amended November 6, 1905; amended June 17, 1907; amended January 6, 1908.

The Common Council of the City of Ann Arbor ordain:

Section 1. That section seven of an ordinance entitled, "An Ordinance relative to Licenses," passed July 6, 1891; approved July 15, 1891; amended January 6, 1908, be and the same is hereby made to read as follows:

Section 7. Every hawker, peddler or person going about from place to place or who makes use of any of the streets or open places in said city, selling or offering for sale goods, wares, merchandise or any species of property, shall pay a license in the sum of one hundred dollars (\$100.00) per year, or fifty dollars (\$50.00) for six months. And for a period less than six months, such person shall pay a license therefor as follows: That is to say, if he intends to travel on foot, \$3.00; if he intends to travel with one horse or more, \$5.00 for every vehicle used. Any person selling or offering for sale any property from any wagon, hand-cart, showcase, window or stand in any street or open place shall pay the sum of \$10.00 per day; and in granting licenses for any such purpose, in any street or open place, the Mayor may designate where any such wagon, hand-cart, stand or show case shall be located, and shall have the power to change and relocate the same from time to time at his discretion; provided, that any resident of the city of Ann Arbor, having a bona fide residence in said city for a period of at least six months prior to the time of making application for a license, may obtain a license by the payment of \$25.00 for a six months period, for the purpose of selling, and peddling, dairy,

farm and garden produce. Provided, further, this section shall not apply to persons selling meat, domestic fruit, dairy, farm or garden produce (of their own raising and production), nor to bakers or merchants delivering goods to their customers.

Section 2. All ordinances and parts of ordinances inconsistent herewith are hereby repealed.

Section 3. This ordinance is to take effect and be in force on and after ten days from legal publication.

The chair put the question, "Shall this ordinance pass?"

Passed by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Hauser, McGregor, Freeman, Sink, Pres. Reichert, 10. Nays, Ald. Markey, Lutz, 2.

Ald. Sink presented an ordinance entitled: "An ordinance to license public carriages, omnibusses, hacks, cabs, automobiles, taxicabs, and to prescribe the rights and duties of the owners and drivers thereof. The Common Council of the City of Ann Arbor ordain," which was given its first reading by title, passed to and given its second reading and referred to the Ordinance committee by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, President Reichert, 12. Nays, none.

Street Committee Report.

Whereas, we, the undersigned, owners of the following described lands, commencing at a point 10 rods north of the center of section number twenty-eight, on the north and south quarter line of said section; thence east parallel with the south line of section number twenty-eight, sixty-five rods; thence north parallel to the quarter line ten rods; thence west parallel to the south line of said section to the north and south quarter line ten rods to the place of beginning, excepting a right of way twelve feet wide along the north side of said land to the land adjoining on the east, situate on the southwest quarter line of the northeast quarter of section number twenty-eight, town two south, range six east, City of Ann Arbor, Washtenaw county, Michigan, have platted the same, and

Whereas, the plat of said above described land was presented to the Board of Public Works of said City of Ann Arbor for acceptance, and Whereas, said Board of Public Works authorized the City Clerk of said City

to sign their approved when the owners had signed an agreement approved by the City Attorney, that the cost of an outlet sewer for said property would be assessed against said property.

Now, therefore, we, the undersigned owners, in consideration of the acceptance of the Washington Heights Addition to the City of Ann Arbor, hereby agree, that the cost of an outlet sewer for said district shall be assessed against said property, and paid by the owners of said property, without any cost to the city of Ann Arbor.

In witness whereof we have this 24th day of November, 1917, herunto set our hands and seals.

Eda C. Schlottorbeck, James W. Glover, George H. Fischer.

In presence of: Agnes E. Finnell, Frank B. DeVine.

Respectfully submitted: MANLEY OSGOOD,

Reports of City Treasurer, Clerk, Engineer and Street Commissioner for month of November received and ordered to take usual course.

Resolutions.

By Ald. Mayer: Resolved, that the City Attorney be ordered to notify the Detroit United Railway Co., that all cars are expected to be stopped at 7th st., to take on or discharge passengers, in accordance with the provisions of its franchise with the City of Ann Arbor.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Ald. Markey suggested that ar-

rangements be made to procure wood for the citizens.

Moved by Ald. Sink, that the Mayor and three Aldermen be appointed a committee to investigate the matter. Adopted and chair appointed Mayor Wurster, Ald Sink, Markey and Huss as such committee.

Mr. Henry H. Wagoner informed Council that he would start collection of garbage under his contract on January 1st, 1918; and provided he could procure fuel, he would begin December 24, 1917.

On motion of Ald. Lutz, Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich., January 7, 1918. Regular session.

Meeting called to order by the president. Present: Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Absent: Ald. Heusel, Andres, 2. Minutes of previous meeting approved.

Communications.

From the Mayor—

January 7, 1918.

To the Hon. the Common Council: Gentlemen—Recently, as also in the past, I have received numerous complaints from citizens of the city, as well as from city officials, relative to the encroachment by adjacent property owners upon the public streets of the city. This encroachment has taken the form of either an addition or enlargement of a building, show window, oil pumps, or other obstruction, until in many instances from three to four feet of the sidewalk is occupied by said obstructions. I feel that the time has come when the city of Ann Arbor is in need of all of the sidewalk space, as I know that during rush hours on Saturday nights it almost is impossible to pass along the sidewalk up and down Main street. I also feel that it is really unfair on the part of those merchants and property owners who have appropriated a portion of the city property, for the purpose of carrying on their own business. I feel certain that those same men would not think of doing likewise to private property owners, and yet it is just as much wrong in one case as in another. Also further from a business standpoint I can see no advantage that is gained by those who have seen fit to construct their windows out into the street, for the reason that when others have done likewise, they are again all on the same line, and no one merchant has any more than what he had originally.

In view of the foregoing facts, I feel it the duty of the council to pass an ordinance prohibiting any future encroachment upon the streets of the city, and compelling those who are now encroaching upon the streets to vacate within some reasonable time to be fixed in such an ordinance.

Respectfully submitted, Ernst M. Wurster, Mayor.

Enter Ald. Andres.

Petition received from J. F. Rentschler, and 28 others, asking Council to immediately pass an ordinance prohibiting all encroachments upon the

sidewalks and public places, and that all present encroachments be moved within some reasonable time, to be fixed in said ordinance, providing that in the case of show windows that the owners be given at least until Jan. 1, 1920, within which to remove the obstructions.

Moved by Ald. Lutz, that the recommendation of the Mayor and petition of J. F. Rentschler, et al., be accepted, and matter be referred to Ordinance committee.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

January 7, 1918.

To the Honorable, the Common Council: Gentlemen—In order that more of the military training may be done by daylight, and also for the conservation of artificial light, the University has since the beginning of this year adopted eastern standard time.

While I fully realize that many of our citizens, as well as industries and business houses, do not favor eastern standard time at this season of the year, and I feel keenly the inconvenience some will be put to still by reason of the adoption of said time, a great many are now obliged to adopt this earlier time, as they must serve those connected with the University who are operating on the new time.

As now most of our churches, many of our citizens and business houses, along with the University, have adopted eastern standard time, and as the great majority of our people are either directly or indirectly connected with the University or affected by its newly adopted time, I therefore deem it my duty to recommend to your Honorable Body that you take the necessary steps to bring about a unanimous adoption of eastern standard time for the City of Ann Arbor, as it would be unpractical and unwise to have a variety of times in one community.

I respectfully ask that immediate action be taken.

Very truly yours, Ernst M. Wurster, Mayor.

Communication received from Shirley W. Smith, Secretary of University of Michigan, relative to adoption of eastern standard time by the Regents of the University.

Communication received from Theo. H. Trost, secretary of Merch-

ants' Credit Association, asking Council to adopt eastern standard time.

Moved by Ald. Sink, that the recommendation of the Mayor and of the Merchants' Credit Association, relative to adoption of eastern standard time, be concurred in, and eastern standard time be adopted as the official time of the City of Ann Arbor, to take effect January 8th, 1918, at midnight; and the city clerk is hereby instructed to notify the Board of Supervisors of Washtenaw county, and request that the court house clock be set on eastern standard time.

Lost by the following vote: Yeas, Ald. Andres, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 7. Nays, Ald. Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Sherk, 7.

Communications from R. C. Maxwell, Chief of United States Food Administration, and from George A. Prescott, Federal Food Administrator, requesting erection of sign on Municipal building, calling attention to conservation of food, received and referred to Ordinance committee.

From Board of Public Works.

The Street Commissioner reported that in the matter of purchase of oak plank for bridge No. 3, and for other city purposes, he believed a better quality of lumber could be purchased from John Lawson, of Milan, Mich., and recommended that award of contract to Thos. Forman Co., be cancelled.

Moved by Mr. Hutzer, that we recommend to Council that the award of contract to Thos. Forman Co. be cancelled, and that bid of John Lawson be accepted, to furnish approximately 5,200 feet of 12 ft. length and 3,000 feet of 14 or 15 ft. length 3 inch white oak plank, at \$40.00 per M., delivered in Ann Arbor anywhere specified by the Street Commissioner.

Moved by Ald. Huss, that recommendation of Board of Public Works be concurred in.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

(From Board)

Moved by Mr. Scott that we recommend to Council that the Street Dept. car be overhauled, and the Board be authorized to expend amount necessary for same.

Moved by Ald. McGregor, that

recommendation be concurred in.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Communication from Manley Os-good, relative to request of B. St. James Estate for return of part of money paid for construction of sidewalk in front of property corner Main and Washington sts., received and referred to Finance committee.

Communication from Star Motor Co., asking that the value of the gravel taken from Edward st., be credited to assessments for grading of said street, received and referred to Finance committee and City Engineer.

Communication from Mrs. Christina Sanzi, asking for an adjustment of her taxes, received and referred to Finance committee.

Communication from University Hospital Circle of Kings Daughters, giving brief report of the work of Visiting Nurse and requesting appropriation, received and referred to Finance committee.

University of Mich., Dec. 28, 1917.

To the Honorable Common Council, City of Ann Arbor, Ann Arbor, Mich.; Gentlemen—I beg to transmit to you the following resolutions adopted by the Regents of the University of Michigan, at their meeting held in Ann Arbor, December 21, 1917, and to request for this resolution such consideration as the circumstances warrant:

Whereas, there now exists on the so called Volland street, Ann Arbor, Mich. at its western end, an acute angle in the street lines, and inasmuch as the abutting property upon both sides of the street on these angles is owned by the University, therefore, be it resolved: That the Common Council of the City of Ann Arbor be requested to straighten the western street lines of Volland street, until they intersect Washtenaw avenue, and to authorize such measures by Council action and notices to property owners on this street, as may be necessary. It is agreed on the part of the University of Michigan that the parcels of property upon both sides of this street, which will be used in such straightening, will be deeded to the City of Ann Arbor for this purpose, such parcels to be in

exchange for parcels now occupied by the street.

Yours very truly, Shirley W. Smith,
Secretary.

Referred to the Street committee.
Washtenaw Gas Co., Ann Arbor,
Mich., Jan. 4, 1918.

To the Honorable Common Council, of the City of Ann Arbor, Mich: Gentlemen—On January 1st, the ordinance relative to Gas Works, passed March 5th last, became operative. The reduced price of gas provided for in this ordinance makes a decrease in the revenues of this company which would be a great hardship at this time.

Since the passage of the ordinance, the cost of coal used by us has increased about \$8500.00 per month, and the increased selling price of coke has only in a very small part covered this great increase in operating costs.

Any reduction in the price of gas at this time would prove a great hardship to us, and we feel that our customers and the public generally, will see the fairness of asking for a revision of rates provided for in the ordinance referred to, until the present unsettled war conditions are over.

Section 5 of the ordinance provides:

"At the instance of either party hereto, a rate revision under this franchise may be had at any time, said rate revision to be made by a Public Utility Commission, if one is in existence in the State of Mich., at said time. If a Public Utility Commission does not then exist, said revision shall be made by a commission to be created as follows: The Council of the City of Ann Arbor shall appoint one member, and the Gas Company shall appoint one member, and a third member shall be appointed by the justices of the Supreme Court of the State of Michigan. Said commissioners to be persons versed in work of this character. The expenses of said commission shall be borne by the party applying for said rate revision."

We therefore ask that under the terms of this section, you will appoint as soon as possible a commissioner to act on a revision of rates as provided therein.

Yours truly, Washtenaw Gas Co., by
H. W. Douglas.

Moved by Ald Lutz, that the communication from the Washtenaw Gas

Co., be referred to a committee, composed of the Mayor, President of Council and City Attorney.

Adopted by the following vote:
Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherk, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Exit Ald. Sink.

Petitions.

Of Jas. W. Blashill, et. al, to change the name of McKinley ave. to E. University ave., received and referred to Ordinance committee.

Of John Young, et. al, for sanitary sewer on Hoover ave., from Main st., west 600 ft., received and referred to Sewer committee.

Of John Young, et al., for sidewalks on both sides of Hoover ave., from Main st., west 600 ft., received and referred to Sidewalk committee.

Ann Arbor, Mich., Jan. 7, 1918,
To the Finance Committee of the Common Council, Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that

they are correct to the best of my knowledge.

ISAAC G. REYNOLDS,

City Clerk.

To the Honorable the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn Jan. 2, 1918. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

Geo. Lutz, O. R. Mayer, John McGregor, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherker, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 13. Nays, none.

Ald. Lutz presented invoice from Ann Arbor Railroad company for cost of installing gates at Hoover ave., as per contract entered into July 10, 1917, total cost \$2,144.23; which was approved by City Engineer.

Moved by Ald. Lutz, that the account be allowed and the City Clerk instructed to draw warrant for \$2,144.23 in favor of Ann Arbor Railroad Co.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherker, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 13. Nays, none.

Ald. Lutz presented City Engineer's eighth estimate for construction of Broadway bridge, as approved by Board of Public Works, and moved that the amount now due, \$2,757.15, be allowed, and City Clerk instructed to draw warrant in favor of the contractor, J. P. Rusche.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherker, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 13. Nays, none.

Ordinance Committee.

Ald. Freeman, of the Ordinance committee, announced that the committee would hold a meeting so that all persons interested in proposed ordinance relative to taxicabs could be heard.

Special Committee on Firewood.

To the Honorable the Common Council: Your committee on Firewood have investigated the matter of supply and demand for firewood, and find that the matter is rather indefinite, from both points of view, and are accordingly unable to make a final recommendation.

We do, however, recommend that the Mayor and Chief of Police be

authorized to purchase, for the purpose of resale or city use, up to 100 cords, provided they can secure it at a price which they consider satisfactory.

Charles A. Sink, John Huss, J. W. Markey, R. E. Reichert, Ernest M. Wurster.

Moved by Ald. Freeman, that report of committee be accepted and adopted.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Sherker, Hauser, McGregor, Freeman, Lutz, Pres. Reichert, 13. Nays, none.

By Ald. Mayer: Resolved, that at the general city election to be held on Monday, April 1st, 1918, the question of the adoption of eastern standard time be submitted to the voters of said city, for their approval or rejection, and that the City Clerk have the necessary ballots, for the submission of said question printed.

Adopted by the following vote:
Yeas, Ald. Sugden, Mayer, Huss, And-
res, Henderson, Donnelly, Markey,

Sherk, Hauser, Freeman, Pres. Reichert, 11. Nays, Ald. McGregor, Lutz, 2.

Mr. H. H. Wagoner announced to Council that he started collection of garbage, under his contract with the city, on Jan. 1, 1918, but that accumulations of garbage when he took over the contract caused delay,

and he would endeavor to proceed with satisfactory collection soon as possible.

On motion of Ald. Lutz, Council adjourned.

ISAAC G. REYNOLDS,
City Clerk.

Council Chamber, Ann Arbor, Mich.,

Jan. 21, 1918. Regular session.

Meeting called to order by the President. Present Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Absent: Ald. Heusel, Huss, Sherk, 3.

Ald. Lutz called attention to typographical error in the spelling of name of Mr. Hutzel, in the printed pamphlet of Jan. 7, 1918, and with this correction the minutes were approved.

Communications.

The Board of Education, Ann Arbor, Mich., Jan. 16, 1918.

To the Common Council of The City of Ann Arbor, Mich: Gentlemen—At a meeting of the Executive committee of our Board, action was taken by which they expressed it to be their opinion that it would be wise for the city, including the public schools, to adopt Eastern standard time beginning Feb. 3rd, 1918, and I was directed to inform you of this action.

Very respectfully, G. J. Ray, Secy.
On motion of Ald. Lutz, communication received.

From Board of Public Works.

Moved by Mr. Cole, that the Board recommends to Council that \$400.00 be advanced to Mr. J. C. Stewart, on final estimate for repaving of Huron st.

(Council action)

Moved by Ald. Markey, that recommendation of Board be concurred in, and the City Clerk instructed to draw warrant in favor of J. C. Stewart for \$400.00, on final estimate.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Communication from Manley Os good, relative to assessment on lot 5, block 1, Hiscock's second addition, for grading of Edward St., received and referred to Finance committee.

Ann Arbor, Mich., Jan. 21, 1918.
To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS,
City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn January 16, 1918. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

Geo. Lutz, O. R. Mayer, John McGregor, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

To the Honorable, the Common Council: Gentlemen—Your Finance committee, to whom was referred the following matters, respectfully recommend:

That \$200.00 be appropriated from the Contingent fund, to the Hospital Circle of Kings Daughters, toward the support of the Visiting Nurse, and that the City Clerk be instructed to draw warrant for said amount on Feb. 1, 1918.

That the City Clerk be instructed to draw warrant for \$18.01, on the Sidewalk fund, in favor of Mrs. B. St. James. This amount represents the cost of constructing sidewalk extension at corner of Main and Washington sts., and was included in the bill paid to the city by Mrs. St. James for sidewalk built along her property adjoining.

Respectfully submitted: Geo. Lutz, John McGregor, O. R. Mayer, Finance committee.

Ald. Lutz moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman,

Lutz, Sink, Pres. Reichert, 12. Nays, none.

In the matter of petition of Mrs. Christiana Sanzi, asking an adjustment of her taxes, inasmuch as she is a soldier's widow, Ald. Lutz made oral report that the finance committee had considered the petition and felt that Council had no jurisdiction in the matter, and read a letter from Board of State Tax Commissioners, which stated the allowance on this property of \$1000.00 exemption, to which a soldier's widow is entitled.

Moved by Ald. Lutz, that it is the sense of this Council, that we have no jurisdiction in the matter.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Haus-er, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Ordinance Committee.

Ald. Sink made oral report of the public meeting held for those interested in the proposed taxicab ordinance, and that several matters brought out in the discussion were now under consideration.

Special Committee on Lighting.

Ald. Sugden, Chairman of Lighting committee, Mayor Wurster, and Acting Marshal O'Brien, explained to Council their efforts to conserve fuel

by eliminating some of the street lighting.

Moved by Ald. Sink, that the entire question of city lighting be referred to the Mayor, Chairman of Lighting committee, and Acting Marshal, with power to act.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Haus-er, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Special Committee.

To the Honorable, the Common Council: Gentlemen—Your committee, to whom was referred the communication of the Washtenaw Gas Co., under date of Jan. 7, 1918, beg leave to report that we have considered said communication, and have secured Mr. Ray Howlands to act as a commissioner to investigate the request for change of rates and respectfully request your confirmation.

Respectfully submitted: Ernst M. Wurster, Mayor; R. E. Reichert, Pres. of Council; Frank B. DeVine, City Attorney, special committee.

Moved by Ald. Lutz, that the recommendation of committee be concurred in.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Haus-er, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays none.

Reports of City Engineer and Street
Commissioner, for month of Decem-
ber, received and ordered printed.

Resolutions.

By Ald. Lutz: Resolved, that sec-
tion 69, of the Charter of the City of
Ann Arbor, is hereby amended to
read as follows:

Section 69. The officers of said
corporation shall be entitled to re-
ceive out of the city treasury the fol-
lowing sums in full payment for their
services: The Mayor shall be paid
\$1.00 per annum; the City Clerk shall
receive \$1,500.00 per annum, and he
shall be allowed \$500.00 per annum
for clerk hire; the City Attorney shall
be entitled to receive such a sum as
the Common Council shall allow, not
exceeding \$600.00 per annum, which
shall be in full for all services ren-
dered in suits and proceedings in
courts of record; the Common Coun-
cil may allow in addition to the sal-
ary aforesaid for such services such
additional compensation as the Com-
mon Council shall deem just, not ex-
ceeding \$400.00 per annum. The
Treasurer shall receive as full com-
pensation for his services the sum of
\$1200.00 per annum, and an addi-
tional allowance of \$720.00 per an-
num, which shall be in full for his
services as well as the services of the
deputy, or clerk hire, or other assist-
ants required in the performance of
the duties of his office; said treasurer
shall keep an exact account of all
fees allowed by law, the collection of
which is provided for in section 184
of this charter, and it shall be his
duty to collect the same, and when
so collected, he shall credit the same
to the contingent fund, and he shall
likewise account for all fees provided
for, collecting the taxes to be levied
and collected in the said city and
credit the same to the contingent

fund. The Marshal shall be entitled to receive such compensation as the Common Council shall allow. The Assessor shall receive \$1500.00 per annum; the Justices of the Peace and the Constables shall be allowed the same fees as are by law allowed to corresponding township officers; members of the Common Council shall serve without pay, excepting for services on boards of review, election boards and boards of registration, for which services they shall receive payment of five dollars per day; Supervisors and all other officers of said city shall be entitled to receive such compensation as the Common Council shall allow, not exceeding \$4.00 per day for every day actually employed in the performance of the duties of their respective offices. Provided, that the Common Council may increase the compensation of any officer whenever authorized by a majority vote of the qualified electors of the said city, voting at any charter election, ten days notice having been given of the proposed increase.

Adopted by the following vote:
Yeas, Ald. Sugden, Mayer, Andres,

Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Moved by Ald. Lutz, that a committee composed of City Attorney, Poor Commissioner and City Clerk be appointed to present a suitable plan to keep Council informed as to liabilities for care of the city patients at County Farm. Adopted.

By Ald. Sink: Resolved, that the following warrants be and are hereby ordered cancelled: Fire fund, No. 6247, to Chas. S. Millen, \$13.95, drawn Sept. 5, 1916.

Park fund, No. 7641, to Athletic Association of U. of M., \$3.00, drawn Dec. 4, 1916. No. 10069, to W. F. Bird, \$2.80, drawn June 18, 1917.

Street fund, No. 12751, to Case Ruyvan, \$3.50, drawn Dec. 17, 1917.

Adopted by the following vote:
Yeas, Ald. Sugden, Mayer, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

On motion of Ald. Markey, Council adjourned.

Washtenaw Gas Co., Ann Arbor,
Mich., Jan. 23, 1918.

To the Mayor and Common Coun-
cil of the City of Ann Arbor, Mich.:
Gentlemen—I beg to advise you that
the Washtenaw Gas Company names
Henry E. Riggs as its commissioner
on our application for revision of
rates in accordance with the ordin-
ance.

Yours Truly, H. W. Douglas.

Ordered on file.

Mr. I. Reynolds, City Clerk, Ann
Arbor, Mich.: Dear Sir—In con-
formity with the terms of my lease
with the city, I hereby give notice
that I exercise my option for re-
newal of said lease for the period of
another year. Yours very truly,

Clarence D. Lennon.

Ann Arbor, Mich., Feb. 4, 1918.

To the Finance Committee of the Common Council: Gentlemen I have examined the foregoing accounts against the city of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS,

City Clerk.

To the Honorable, the Common Council: Gentlemen Your Finance committee has reviewed the foregoing report, Warrants for salaries were drawn Feb. 1, 1918. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

GEO. LUTZ, O. R. MAYER, JOHN McGILGOR, Finance committee.

Ald. Lutz moved the adoption of report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Hauser, Freeman, Lutz, Pres. Reichert, 11. Nays, none.

Ald. Lutz presented City Engineer's ninth estimate for construction of Broadway bridge, amount now due contractor, Mr. J. P. Rusche, \$9,115.20, which was approved by the Board of Public Works Jan. 29, 1918, after personal inspection.

Moved by Ald. Lutz, that the estimate be allowed, and the City Clerk be instructed to draw warrant for amount due, \$9,115.20.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Hauser, Freeman, Lutz, Pres. Reichert, 11. Nays, none.

Ordinance Committee.

To the Honorable, the Common Council: Gentlemen—The Ordinance committee has had under considera-

tion the several communications from the State Food Administrator, addressed to the Mayor, in reference to the displaying of "Food Signs," and recommend that the Mayor, President of the Council, and City Engineer be authorized to place such signs in the city as they may deem fitting.

The committee has also had under consideration the petition from citizens, and the communication from the Mayor, relative to encroachments in the streets, and have decided to hold a public meeting of the committee, in the near future, for the purpose of giving all persons interested an opportunity to be heard.

Respectfully submitted: Charles A. Sink, C. C. Freeman, Sam C. Andres, Ordinance committee.

Ald. Freeman moved the adoption of report, which was adopted by the following vote. Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Hauser, Freeman, Lutz, Pres. Reichert, 11. Nays, none.

Special Committee.

To the Honorable the Common Council: Your special "Wood Committee" begs to report that, in company with the Mayor and the President of the Council, they have had a meeting with the county fuel administrators.

It appears evident that the present coal shortage is due primarily to transportation difficulties, and that this situation is likely to become steadily worse. It therefore seems quite likely that there will be a similar, if not a still more serious fuel shortage next winter.

The shortage in coal must be overcome by the substitution of wood. Green wood produces about half as much heat as dry wood. In order to provide an adequate supply of dry wood, to meet the emergency next year, it should be cut at once, before the farmers' spring work begins, and allowed to dry during the summer.

Your committee, therefore, recommends that the President of the Council appoint a special committee, to act with a similar committee of Ann Arbor fuel dealers, to canvass the wood supply in the vicinity of Ann Arbor, and to ascertain complete information regarding its use by the city.

Respectfully submitted: Charles A. Sink, John Huss.

Ald. Huss moved the adoption of report, which was adopted by the following vote. Yeas, Ald. Heusel,

Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Hauser, Freeman, Lutz, Pres. Reichert, 11. Nays, none.

President appointed Ald. Henderson, Andres and Huss as special committee.

Officers' Reports.

Ann Arbor, Mich., Feb. 4, 1918.

To the Honorable, the Common Council: Gentlemen—Notice is hereby given that at the next meeting of your Honorable Body, you will appoint a Floor Commissioner and a City Physician for the year next ensuing, the first Monday of March, 1918.

Respectfully submitted: Isaac G. Reynolds, City Clerk.

Ordered on file.

Ann Arbor, Mich., Jan. 24, 1918.

Ann Arbor Common Council: Gentlemen—I hereby make application to your Honorable Body for the position of City Physician for the following year.

It is understood, that, should I receive the appointment, I will accept it with the understanding that, should Dr. Ganzhorn return during the following year, and desire the position, it will be turned over to him.

Asking your favorable consideration, I am

Yours very truly, John F. Blinn.

Ordered on file.

City of Ann Arbor, Mich., Jan. 30, 1918.

To the Honorable Common Council, Ann Arbor, Mich.: Sirs—In accordance with your instruction of November 5th, 1917, I wish to advise that the water from the Steere Farm could, under present labor and material conditions, be supplied to the City of Ann Arbor for a sum estimated to be

One hundred and forty thousand dollars (\$140,000.00).

This estimate is made on a basis of present labor and material costs, and is subject to change or revision, with change in the present unstable conditions. If construction is delayed, it should be revised prior to financing same.

This installation for bringing the water from the Steere Farm to the City of Ann Arbor, would not be such as we have estimated in the past to cost between \$105,000.00 and \$125,000.00, but, under present conditions, we believe it to be the most economical and most advisable installation. The pumping station and collecting lines at the Steere Farm would be just such as the former estimate contemplated, but the force main from the Steere

Farm to the city would be one having a life of not less than 20 years, and probably considerably longer. Assuming that, at the end of twenty years, conditions will again be normal and cast iron pipe and labor will have returned to a stable and normal market, this force main can then be relaid with permanent cast iron pipe, and the combined cost of the present installation and the installation at the end of twenty years will not total the cost of a present cast iron pipe installation.

Under present conditions, the cost of installation previously estimated to cost from \$105,000 to \$125,000.00, would cost between \$220,000.00 and \$260,000.00.

This estimate is, sir, very respectfully submitted: Manley Osgood.

Moved by Ald. Lutz, that report be accepted and placed on file. Adopted.

City Attorney Frank B. DeVine made oral report that the case of City of Ann Arbor vs. Tom Joyce and The Chicago Bonding and Surety Company, was now ready in circuit court, and he expected a settlement, and unless settlement was made the case would be tried in a week or ten days.

Respectfully submitted: ROSS GRANGER,
City Treasurer,
Ann Arbor Savings Bank, Ann Arbor,
Mich.

To the Honorable Common Council of
the City of Ann Arbor: Gentlemen: This
is to certify that there was on deposit in

the Ann Arbor Savings Bank to the credit
of Ross Granger, City Treasurer, the sum
of One Hundred Twenty Two Thousand
Five Hundred Forty Nine and 77-100
(\$122,549.77) Dollars at the close of busi-
ness January 31st, 1918.

WILLIAM L. WALZ, Cashier.

Ann Arbor, Michigan, February 1st, 1918.
Annual Report Board of Public Works.
City of Ann Arbor, Michigan, January
14, 1918.

To the Board of Public Works, Ann
Arbor, Michigan: Sirs—I submit the
following report of work done, under
my direction, in your Engineer's De-
partment, during the year ending Decem-
ber 31, 1917. It is,
Very respectfully submitted: Manley
Osgood.

PAVING.

**Catherine Street and Miller Avenue,
District No. 36:** This pavement was
planned, contracted for an completed
during 1916 and reported upon in the
annual report for that year, but it
was accepted subject to a written
agreement that several minor repairs
should be made by the contractors,
Messrs. Barnes & O'Neil, or the cost
of same deducted from amounts there-
after due them. These minor repairs
were not completed at the time the
agreement expired and they were done
by the City at a cost of \$6.17. There
were a considerable number of brick
remaining from this pavement on
Catherine st. and Miller Ave., which
were purchased from the contractors,
Barnes & O'Neil, for use on repaving
E. Huron St. from Fourth Ave. to
Fifth Ave. When payment was made
for this brick this \$6.17 was deducted
from the payment.

South University Avenue: From
State St. to Washtenaw Ave. You
were instructed by the Common Coun-
cil to prepare plans and specifications
for paving So. University Ave. from
State St. to Washtenaw Ave. It de-
veloped, however, that the district pe-
titioned for was S. University Ave.
from State St. to Oxford Road and E.
University from N. University Ave.
to Hill St. Under the ruling of the
City Attorney a district of this kind
could not be divided and made into two
separate districts. He also held that
it would be necessary to have a ma-
jority foot frontage sign for such a
pavement exclusive of the University
of Michigan frontage. For these rea-
sons it was informally decided by
members of the Council that no new
paving would be done during the year
of 1917 and the amount available for

pavements this year left to accumulate so that a greater amount may be available during 1918 or whenever it is deemed advisable to proceed with pavement construction. Only the preliminary profile for the pavement on S. University from State St. to Wash-tenaw Ave. was run at a total cost of \$15.06. The records of this work are available so that whenever it is decided to pave this street they may be used.

Alley in Block 2 S., Range 3 E.: Later, on August 20th, 1917, you were instructed by the Common Council to prepare plans and specifications for paving Alley in Block 2 S., Range 3 E. (Running from Liberty St. to Washington St. and between Main St. and Ashley St.) These plans and specifications were prepared by us and taken directly to the Common Council, approved and sent to you in October with instructions to advertise for bids. On account of the lateness of the season, however, it was decided to postpone any work of this kind until next year. The total cost for preparing plans, specifications, etc. was \$7.98.

Repaving East Huron Street: You were instructed to prepare plans and specifications for the repaving of that part of Huron St. between the west line of Fourth Ave. and the east line of Fifth Ave., with vitrified brick, on concrete foundation, pavement. This replaced one block of asphaltic-block-on-sand pavement laid in 1900 and specifications with estimate of cost were submitted to the Council on June 18th and at the Council meeting on July 2nd you recommended that the contract be awarded to J. C. Stewart. This recommendation was afterwards concurred in and Mr. Stewart was awarded the contract, the sum of \$7,500.00 having been appropriated in the annual budget for that purpose. The work has progressed on the pavement so that it is now open to traffic but some small work remains to be done by the contractor for which ten per cent of the cost of the pavement is still being retained. It is almost impossible to complete this work until better weather conditions prevail, so that the balance for paving this street will probably not be paid before spring. The total cost of this work to date has been \$7,298.11 distributed as follows:

Engineering	\$ 77.41
Inspection	122.72
Payments to Contractor.....	3,703.13

Cost of brick on site of im-	
provement	2,464.59
Cement furnished by City..	930.26

Total	\$7,298.11
-------------	------------

Payment which will be due Mr. Stewart, the Contractor, upon the proper completion of the work remaining is \$514.82, making a total cost of \$7,812.93. The cost of engineering amounts to one per cent of the cost of construction or \$.029 per square yard and the cost for inspection amounts to 1.6 per cent of the cost of construction or \$.046 per square yard. The cost for engineering and inspection are very remarkably low. The unit costs are as follows:

Cost per square yard completed.	\$2.93
Cost per square yard for paving only, not including curbing or grading	2.65

These unit costs are based on the total area of 2,666 square yards.

The contractor's unit prices were as follows:

Per square yard for vitrified brick pavement including mortar cushion and grouted brick surface, brick furnished by City	\$.55
Per lineal foot stone curbing reset50
Per cu. yard for concrete foundation	7.00
Per lineal foot for stone headers.	.65
Per square yard for old paving removed16
Per cubic yard for excavation..	.65

However after bids were submitted, an agreement was made with Mr. Stewart whereby the City was to furnish him cement at the actual cost to the City, which was 48c per barrel cheaper than Mr. Stewart could purchase it, and Mr. Stewart allowed the City a reduction, based on the difference in the cost to him of cement, on the concrete foundation. Under this agreement Mr. Stewart received \$6.52 per cubic yard for concrete foundation.

The City purchased the brick for this work and delivered them on the site of the improvement. From Barnes & O'Neil were purchased 36,250 brick, which remained on Miller Ave. at the price of \$21.50 per thousand. From the Metropolitan Paving Brick Co. were purchased the balance of the brick necessary at \$27.50 per thousand. The total cost of hauling brick from Miller Ave. in the case of

those purchased from Barnes & O'Neil and from the cars in the case of those purchased from the Metropolitan Paving Brick Co. was \$323.23.

The contractor, Mr. J. C. Stewart, is under bond in the sum of one-third the amount of his bid, to maintain this pavement for a period of five years and to make all necessary repairs, at the end of the five year period, to put this pavement in practically as good condition as at the time of the completion of the work.

This pavement is of the highest grade vitrified brick surface laid on concrete foundation five inches thick, mixed in the proportion of one part cement to two and one-half parts of sand and five parts of gravel. Over the top of the concrete foundation a layer of dry sand mortar mixed in the proportion of one part cement to three parts of sand was spread. The brick was laid on this mortar cushion and thoroughly rolled to even bearing, after which the mortar cushion was wet before the application of the grout which filled the spaces between the brick. The space between the brick are filled with sand grout mixed in the proportion of one part cement to one part of fine sand. This method of construction eliminates the sand cushion which was formerly placed between the concrete foundation and brick wearing surface, putting in its place the mortar cushion which, in the course of construction, is hardened and made immovable. It has been the experience of other cities that this method of construction eliminates a great amount of troubles formerly experienced with brick pavements.

It was impossible to obtain washed sand and gravel for paving work or any other work during the past year and on this pavement Mr. Stewart was allowed to use screened sand and gravel, taken from a gravel pit about three miles from the City on Pontiac St., which was carefully analyzed from time to time to make sure that it contained no dirt or other foreign matter which would be injurious to the concrete.

Maintenance: All of the repairs or maintenance of pavements with the exception of repaving East Huron St. from Fourth Ave. to Fifth Ave. was taken care of by the Street Department and is reported upon by them. In 1914, again in 1916, and again this year it has been necessary to replace a block of pavement laid many years

ago with new paving. The expense of such reconstruction will increase rapidly in the future until the annual cost for same becomes quite large. The expense in the instances already cited has been borne by the City at large and taken out of the general tax levy for that year. This maintenance, resurfacing and reconstruction is a matter for careful consideration and study and each particular case should be investigated in order that the most economical method, considering traffic and location, may be adopted. This will undoubtedly save a part of this expensive burden or at least obtain the greatest return for the amount spent.

On Division St. and Jefferson St. it is noted that more holes have developed north of Lawrence St. in the asphaltic wearing surface and cracks are appearing at intervals along the street. These will need more attention during the coming season. The contractors are under bond by the Chicago Bonding and Surety Company to maintain these pavements for a period of five years and to leave them at five years after date of acceptance in condition practically as good as when accepted. Any repairs made in that time will necessarily be paid by either the contractor or Bonding Company. Some repairs have already been made by the Globe Construction Co. employed by the Chicago Bonding and Surety Company as reported upon in my report for 1916.

General: Again this year the City of Ann Arbor built the only pavement constructed in strict accordance with standard engineering practice. Great care has been exercised to see that all materials used were strictly first class and that the pavement was properly constructed from this material. The paving work was awarded to contract and for that reason prevailing prices for work of this kind must be given rather than prices actually paid by the contractor. These prices are as follows:

Cement, per bbl. net, allowance deducted for sacks returned.	
(Price under city contract was \$1.92)	\$ 2.40
Brick, per M., F. O. B. Ann Arbor	27.50
Screened sand, per load of about one and one-third cubic yards delivered on street	1.50
Screened gravel, per load of about one and one-third cu-	

bic yards delivered on street	1.75
Water, per 100 cubic feet or completed concrete	.25

Summary: The original cost of pavements constructed to date, exclusive of macadamizing Detroit street and So. University Ave. is \$391,023.39 and the total cost of repaving done to date is \$17,490.53.

GRADING, OPENING AND MAINTAINING STREETS.

Seventh Street, South of Madison St.: For many years that part of Seventh St. south from Madison St. existed as a street only thirty-three feet wide. Through the efforts of the Second Ward aldermen a proposition was made by the property owners along the east side of this street to give the additional thirty-three feet, in order to make the street the full sixty-six feet wide, if the City would do the necessary grading. Accordingly your Street Commissioner was instructed to proceed with the grading which was commenced last winter and proceeded south nearly to the section line between Sections 29 and 32. There remained a considerable yardage of earth to be moved south of the section line and when Mr. Allmendinger had W. E. Tench grading the streets in the Allmendinger Heights Addition, you recommended to the Council the awarding of the contract to them for the completion of the work on Seventh St. which recommendation was adopted and carried

out. The Tench Co. were paid a unit price of 55c per cubic yard for this grading, plus a lump sum of \$75 for the removal of stumps, which amounted in all to \$2,566.50. What earth from the cuts was not needed for the fills on the street was disposed of on adjacent low property.

Hoover Avenue, From Division St. to Greene St. (Formerly Fourth Ave.): This street was formerly Edwin St. from Division St. to the Ann Arbor Railroad and Philip St. from Fourth Ave. east to the Hoover Steel Ball Company's plant but during the year the name was changed as above. Realizing the need for an opening across the Ann Arbor Railroad connecting the eastern and western part of the City south of Hill St. and at the Hoover Steel Ball Company's plant negotiations were entered into with the Ann Arbor Railroad Co. for such an opening. They at first protested against making such an opening because of its location adjacent to their switching yards, but an agreement was finally entered into under which the City was to pay the entire first cost of such opening, and after it was once opened the Railroad Co. were to maintain the crossing and pay all expenses for watchman needed. The original cost of crossing, tower and gates, as constructed by the Ann Arbor Railroad Co., and for which payment was made to the Ann Arbor Railroad Co., was \$2,144.23. The grading and building of sidewalks was done by the Street Commissioner and will be reported upon by him in his annual report. By making this arrangement with the Ann Arbor Railroad Co. at the time it was made rather than delaying the matter by court proceedings, the City was enabled to get filling material from the property of the Hoover Steel Ball Co. which resulted in a saving in the cost of grading at least equal to the amount paid the Ann Arbor Railroad Co. for construction of crossing, gates, tower, etc., which cost of construction in court proceedings would probably have been assessed against the City of Ann Arbor. The street is now completed and quite heavily travelled.

North Main Street: In order to make possible the building of sidewalks on North Main St. from the Ann Arbor Railroad to the City limits you recommended that this street be properly graded, using the material obtained from the west side of the

street for filling along the east side of the street and that the work be done this year in order that the filling along the east side of the street might settle before the construction of the walk during the coming season. The entire work of grading was done by the Street Department and will be reported upon by the Street Commissioner in his report. In this department the necessary profiles were run, grade established and stakes set for this grade.

It is into this street that the building of the Ann Arbor Scrap Iron and Metal Co. extends which encroachment is a matter referred to the City Attorney upon which he has already started suit. Let us hope that the matter will be cleared up for the proper construction of sidewalks early in the season as this street is a very heavily travelled thoroughfare, both for pedestrians and vehicle traffic.

Street Lines And Grades: The total cost for all work done in connection with running profiles, establishing grades, setting stakes, care of street monuments or markers and etc., including Seventh St., Hoover Ave. and North Main St. above referred to, has been, during the past year \$467.33.

Street Signs: After the ordinance was passed on August 20, 1917, changing the names of certain streets, you were instructed to secure and put in place as soon as possible correct street signs for the newly named streets and for such other streets as may be without signs. A list of signs needed was prepared by this department, the cost for same being included in the above named \$467.33, bids were received and a contract made for the signs needed. These signs have not as yet been delivered but as soon as they are they will be put in place as directed.

Street Maintenance: For the proper maintenance of the graveled streets the most needed article is a road roller with scarifier attachment. This would make possible work which could be done in no other way and which would greatly improve conditions of all of our graveled roadways. This fact was recognized by your Board and by the Council and considerable effort was made by your body to obtain such a roller for the City's use this fall but, on account of the lack of funds for the purchase and the refusal of the Austin-Western Co. to accept the proposition offered by their representative, the matter was

delayed until it was too late for proper work with such a machine and the matter was therefore laid over until the coming spring when it is expected that a sufficient amount will be provided in the City's budget for the purchase of such machinery. The expense in this department in connection with receiving bids for this roller, and the inspection of rollers at work in nearby localities was \$31.96.

A heavy road grader was purchased from the Austin-Western Co. at a cost of \$286.00 which has been used during the past year to good advantage by the Street Department and which will be needed in connection with work to be done by the above mentioned roller with scarifier when they are provided.

Street Cleaning: On August 29th, 1916, the people of the City voted to raise \$6,000.00 to be spent for a Motor Pickup Sweeper and other street equipment together with the barn at the City Yards. This Motor Pickup Sweeper was purchased during the year 1917 for \$4,000.00. Its operation has been very efficiently handled by the Street Commissioner and in such way that the returns received from same show that the streets of the City have been cleaned two or three times as often as in former years at a total saving of approximately \$500.00 over the cost of last year. The duration of the season was a few days longer this year than last year. The cost per thousand square yards of pavement swept was reduced from 35c. under the former method with horse drawn sprinkler and rotary broom, to about 21c. under this new Motor Pickup Sweeper method. The City administration is certainly to be congratulated upon being among the first cities to use this method of cleaning the paved streets at a considerable saving over any former method. The increased frequency of street cleaning has also greatly reduced the nuisance of dust blowing about over paved streets. This fact has been so noticed as to cause favorable comment from a great many citizens.

Oiling Roadways: This year for the first time the oiling of roadways has been done by the City. Formerly those wishing to have the street oiled as a dust layer in front of their property contracted with a private party for such work. This contractor did all the work of preparing the streets and oiling them. Realizing that the

oiling of streets, properly handled, was a great benefit to the City as a whole as well as to adjacent property owners, the Common Council passed an ordinance whereby those who wished oiling in front of or past a frontage of 132 feet, or more signed a petition for same. After paying in the cost estimated by this department, of such oiling to the City Treasurer, the oiling was done by the Street Department. The City purchased a heater and pressure distributor for the proper handling and application of this road oil and made the necessary changes at the tank, formerly provided for tar storage, to facilitate the handling of this work. The purchase of oil and application of same was handled by the Street Commissioner and reported upon by him. Estimating the cost of oiling the different districts petitioned for, the changes necessary at the storage tank, the work of unloading cars and the firing of steam boiler to keep the oil at such a temperature in the storage tank that it might be pumped to the stand pipe for the pressure distributor was handled by this department. The costs of this work in this department, which should be added to the costs shown in the Street Commissioner's report to obtain the total yearly cost of oiling streets were as follows:

Cost of pressure distributor.....	\$675.00
Changes at storage tank.....	592.73
Unloading oil, firing boiler and miscellaneous work in connection with distribution of oil	134.32
Estimating costs, testing oil and miscellaneous work in connection with purchase of material and equipment....	97.56
Total	\$1,499.61

SANITARY SEWERS.

This year for the first time the charter provision which limits the outstanding sewer bonds to a total of \$40,000.00 has interfered with the construction of sanitary sewers. On account of this provision it was necessary to abandon construction of two large districts and one small district and to greatly reduce another large district which were petitioned for. Such conditions for a city growing as rapidly as Ann Arbor and with the prospects which Ann Arbor has, is intolerable and steps should be taken to remedy same as soon as possible.

Four new sanitary sewer districts

were established this year in such a way as to stay within the \$40,000.00 bond limit. Plans, profiles, estimates and boundaries for the assessment districts were prepared and the work was let to contract. Five sewer districts from 1916 remained incomplete at the beginning of this year. All of these districts have been completed during the year.

All sewer work was let to contract again this year and under the same specifications as last year. The results have been very satisfactory.

The detailed report of work in the various districts is given in the following paragraphs:

District No. 69, Mosely Street From Second to Third Street: As no settlement has been made by the Chicago Bonding and Surety Co., sureties for Mr. Tom Joyce of Kokomo, Ind., who was contractor on this district as on several others, district No. 69 remains in the same condition as detailed in the report for last year. Work has been completed and the sewer is in use but final settlement is being withheld pending the adjustment of Mr. Joyce's contract with the Bonding Co.

District No. 72, Hamilton, Rose & Sheehan Addition: The sewer for the Hamilton, Rose and Sheehan Addition and that part of Granger Ave. between this addition and Packard St. has finally been completed. It is the largest sanitary sewer contract awarded since 1897. Because the sewer already existing on State Street from Hoover Ave. to Granger Ave. had been laid on too steep a grade to serve this territory, it was necessary to parallel this sewer, on a flatter grade, from Hoover Ave. to the north line of the Hamilton, Rose and Sheehan Addition. The contract for this district was awarded to Tom Joyce of Kokomo, Ind., on Sept. 29, 1915, and approved by the Common Council on October 4th, 1915, together with the contract for districts No. 69, 70 and 71. Mr. Joyce commenced work on this district on November 8th, 1915, and progressed during the remainder of 1915 and the early part of 1916, on State Street from Edwin St. to Dewey Ave. Mr. Joyce abandoned his contract at this point and after due procedure the contract for completing the work in this district was awarded to R. D. Baker of Detroit. Work was commenced by Mr. Baker in November, 1916, and was completed so that the final estimate was awarded to him on November 5,

1917, approximately one year after he commenced work. Much credit is due Mr. Baker because he carried this sewer to completion although he lost a considerable sum of money in so doing.

The construction of this sewer made possible the construction of the sewer in district No. 82 on Packard St. from Granger to the city limits which sewer parallels the former sewer lead in Packard St. from Granger Ave. to Brooklyn Ave. This former sewer was only about 2 1-2 feet deep at Brooklyn Ave. end and it would have been impossible to extend it any further but because of the additional depth obtained at the corner of Granger Ave. and Packard St. in district No. 72 it was possible to provide sewerage for Packard St. to the easterly city limits. The costs for sewer in district No. 72 were distributed as follows:

Contract Cost	\$14,772.78
Work done and labor furnished by City for Contractors	168.78
Inspection	982.94
Engineering	379.18

Total\$16,303.68

After the proper deductions for all labor and material furnished to the contractor, Tom Joyce, there remains due his assignees for work completed in this district, the sum of \$103.75 which will be payable on proper settlement with his bondsmen under the indemnity bond. Five per cent of the contract cost paid to Ray D. Baker amounting to \$682.93, has been retained for one year as a fund from which to deduct the cost of any repairs to sewers or street made necessary by the construction of sewer and which may become apparent during the year. The balance of this five per cent, after these deductions have been made will be due Ray D. Baker, November 5th, 1918. The cost of all engineering and clerical work in this district amounts to 6.65 per cent of the contract cost and the cost of inspection amounts to 2.56 per cent of the contract cost. This high cost for inspection is due to the very slow progress made by the contractor in the construction of this sewer.

Sanitary tees with 4-in. openings were left in the line of the sewer for connections from all building sites and approximately in the center of each lot.

The total cost of this sewer is dis-

tributed between the district and City as follows:

City's share	\$ 3,205.00
Property share	13,088.03
Total	\$16,293.03

The City's proportion is quite large because to it was apportioned the cost of sewer from Hoover Ave. to north line of Hamilton, Rose & Sheehan Addition which as above stated is parallel to a sewer formerly constructed on State St. not sufficiently deep to accommodate the sewage from the remote parts of this Addition.

Construction of this sewer in the Hamilton, Rose & Sheehan Addition was attended by considerable difficulty on account of the nature of the soil. In very few parts there was actual quick sand, but throughout the entire Addition fine water sand was encountered which made tight sheet-piling and extreme precaution necessary for the safety of the workmen and the proper construction of the sewer.

District No. 75, Hill, Onondaga, Geddes & Berkshire Road: This is two eight-inch vitrified tile sewers emptying into the eight-inch sewer of the same material on Hill street at Onondaga and east thereof. The contract for this sewer was awarded to Wm. Eddy & Son on Sept. 20, 1916. Work was commenced on this district the latter part of September, 1916, and completed so that the final estimate was awarded on June 28th, 1917. The cost has been divided as follows:

Contract cost	\$2,291.02
Engineering	50.80
Inspection	157.35

Total\$2,499.17

Of the above contract cost five per cent, or \$114.55 has been retained for one year out of which to make deductions for any repairs to the sewer or street made necessary by the construction of sewer and which may become apparent within one year. The balance of the five per cent after all deductions have been made will become due Messrs. Eddy & Son, contractors, on June 28, 1918. The cost of all engineering and clerical work amounts to 2.22 per cent of the contract cost and the cost of inspection amounts to 6.87 per cent of the contract cost.

Sanitary tees with 4-in. openings were left in the line of the sewer for connections from each building site.

The total cost of this sewer was dis-

tributed between the district and City as follows:

City's share	\$ 207.00
Property share	2,084.02

Total\$2,291.02

District No. 76, Washington Street, From Twelfth to Fourteenth Street:

This is a vitrified tile sewer emptying from both east and west into the eighteen-inch sanitary sewer of the same material which runs across the private property of the University and down Glen Ave. The sewer extending east from the trunk sewer is 8-in. in diameter but the sewer extending west from the trunk sewer was made 15 inches in diameter to accommodate, at some future time, the sanitary sewage from the University. The contract for the sewer in this district was awarded to Hochrein & Co. on August 19, 1916. Work was commenced on this district about the middle of November and completed so that the final estimate was awarded on May 9, 1917. The costs were distributed as follows:

Contract cost	\$796.95
Engineering	22.69
Inspection	43.29

Total\$862.93

In order that the old University sewer might be properly connected into this new sewer on Washington St., the new sewer was extended some sixty or seventy feet to its intersection with the old sewer. The cost of this extension, amounting to \$111.95, has already been paid to the City by the University.

Of the above contract cost \$21.00 has been retained for one year from which can be deducted the cost of any sewer or street repairs made necessary by the construction of this sewer and which may become apparent during the year. The balance of this \$21.00 after any such deductions have been made will be payable to Hochrein & Co. on May 9, 1918. The cost of all engineering and clerical work in this district amounts to 2.85 per cent of the contract cost and the cost of inspection amounts to 5.15 per cent of the contract cost.

Sanitary tees with 4-in. openings were left in the line of the sewer for connections to all building sites.

There was no part of this sewer to be paid by the City for intersections or other such usual cost, but under an agreement with the University, by which they paid the cost of construct-

ing storm and sanitary sewers across their property from Huron to Washington St., that part of the assessment which would have been made against the property belonging to the University of Michigan and fronting on Washington St. was paid by the City of Ann Arbor.

District No. 80, Seventh St., From Liberty St. to Jefferson St.: In order to provide this section of Seventh St. with sewerage, it was necessary to run an eight inch lateral sewer from Fifth St. to Seventh St. through the creek valley lying between Liberty St. and Jefferson St. Right of way for this sewer was obtained from the respective property owners. The cost of this lateral sewer was borne by the City. From it sewers were extended both north and south to serve that part of Seventh St. between Liberty St. and Jefferson St. which could not otherwise have had sewerage. The contract for this work was awarded to Hochrein & Co., on Aug. 19, 1916; work was commenced on this district on October 26th, 1916, and completed so that Hochrein & Co. were awarded the final estimate on May 2th, 1917. The costs were distributed as follows:

Contract cost	\$1,090.50
Inspection	51.32
Engineering	59.04

Total\$1,200.86

Of the above contract cost five per cent, or \$54.53 has been retained for one year out of which to make deductions for any repairs to sewer or street made necessary by the construction of this sewer which may become apparent within the year. The balance of the five per cent retained after any such deductions have been made will be due Hochrein & Co. on May 9, 1918. The cost of engineering and clerical work amounts to 5.42 per cent of the contract cost and the cost of inspection amounts to 4.7 per cent of the contract cost.

On Seventh St., sanitary tees with 4-in. openings were left in the line of the sewer for connections from each building site. The total cost of this sewer was distributed between the district and City as follows:

Cost to City for lateral from Fifth to Seventh St.	\$529.75
Cost to be assessed against District for sewer on Seventh St.	674.75
Total	\$1,204.50

District No. 81, Wells Street, From Baldwin Ave. to Ferdon Road: This is eight-inch vitrified tile sewer emptying into the eight-inch sewer of same material on Baldwin Ave. near where it turns onto Wells St. The contract for this sewer was awarded to Wm. Eddy & Son September, 1916. Work was completed so that the final estimate was awarded them on June 28, 1917. The costs were distributed as follows:

Contract cost	\$460.10
Inspection	15.15
Engineering	10.60

Total\$485.85

Of the above contract cost five per cent, or \$22.00 has been retained for one year as a fund from which to make deductions for any repairs to sewer or street made necessary by the construction of the sewer which may become apparent within a year. The balance of the five per cent retained after any such deductions have been made will be due Wm. Eddy & Son on June 28, 1918. The cost of all engineering and clerical work on this contract amounts to 2.3 per cent of the contract cost and the cost of inspection amounts to 2.3 per cent of the contract cost.

Sanitary tees with 4-in. openings were left in the line of the sewer for connection from each building site.

The total cost of this sewer was distributed between district and City as follows:

City's portion	\$ 34.00
Property portion	426.10

Total\$460.10

District No. 82, Packard St. and Brooklyn Ave.: The sewer constructed in this district is of 8-in. vitrified tile emptying at the corner of Packard St. and Granger Ave. into the Hamilton, Rose & Sheehan Addition. District 72, sewer. This sewer from Granger Ave. to Brooklyn Ave. on Packard St. parallels the sewer constructed in this block as District No. 65, but at a considerable greater depth. The sewer built as District No. 65 was for temporary relief for residents on Packard St. between Granger Ave. and Brooklyn Ave. and was impossible of extension further east on Packard St. or of proper extension up Brooklyn Ave. The increased depth obtained in district No. 82 was made possible by the construction of sewer in the Hamilton, Rose & Sheehan Addition. This

sewer (District No. 82) extends from Granger Ave. to the City limits on Packard St. and on Brooklyn Ave. from Packard St. to Ferdon Road. The contract for this sewer was awarded to Messrs. Wm. Eddy & Son, on July 2nd, 1917. They have completed the work and were allowed the final estimate on November 5th, 1917. The cost has been distributed as follows:

Contract cost	\$4,032.02
Engineering	66.61
Inspection	66.62

Total\$4,165.25

Five per cent of the above contract cost amounting to \$201.60 has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent during the year. The balance of this five per cent, after these deductions have been made, will be due Wm. Eddy & Son on November 5th, 1918. The cost of all engineering and clerical work in this district amounted to 1.66 per cent of the contract cost and the cost of inspection amounts to 1.66 per cent of the contract cost.

Sanitary tees with 4-in. openings were left in the line of the sewer for connection from each building site.

The total cost of this sewer was distributed between City and district, as follows:

Cost to City	\$ 351.70
Cost to be assessed against district	3,813.55

Total\$4,165.25

District No. 83, Eighth Street, From Huron to Washington Street: This is an eight-inch sanitary sewer emptying into eight-inch sanitary sewer on W. Huron St. at the corner of Eighth St. All the property in this district was previously assessed in sewer districts Nos. 18 and 22. Before the construction in this district was ordered, the Council insisted upon receiving, from the benefited property owners, an agreement approved by the City Attorney, under which the property owners contracted to pay their assessments when they came due. The contract for this sewer was awarded to Hochrein & Co. on August 6th, 1917, and completed so that the final estimate was allowed on November 4th, 1917.

The cost has been distributed as follows:

Contract cost	\$319.10
Engineering	10.69
Inspection	9.22

Total\$339.01

Of the above contract cost five per cent, or \$15.95 has been retained for one year out of which to make deductions for any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of the five per cent after these deductions have been made, will become due Hochrein & Co. on November 5th, 1918. The cost of engineering and clerical work in this district amounts to 3.35 per cent of the contract cost and the cost of inspection amounts to 2.86 per cent of the contract cost.

Sanitary tees with 4-in. openings were left in the line of the sewer for connections from each building site.

The total cost of this sewer was distributed between City and district as follows:

City's share	\$ 26.90
Property share	312.11

Total\$339.01

District No. 84, Killens' Heights Addition: This is all eight-inch sewer emptying into the eight-inch sewer at the former west end of Washington St., above 150 feet west of Crest Ave. The entire Killens' Heights Addition is served with the exception of three very low lying lots in the south-west corner and with the exception of certain lots fronting on Jackson Ave. which must be served by sewer to be constructed on Jackson Ave. in the near future. The contract for this sewer was awarded to Messrs. Wm. Eddy & Son on July 2nd, 1917, and the work was completed and final estimate allowed on November 5th, 1917.

The cost has been distributed as follows:

Contract cost	\$7,017.29
Engineering	91.28
Inspection	109.96

Total\$7,218.53

Of the above contract cost five per cent, or \$350.86 has been retained for one year out of which to make deductions for any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of the five per cent, after these deductions have been made, will be-

come due Wm. Eddy & Son on November 5th, 1918. The cost of engineering and clerical work in this district amounts to 1.3 per cent of the contract cost and the cost of inspection amounts to 1.56 per cent of the contract cost.

Sanitary tees with 4-in. openings were left in the line of the sewer for connection from each building site.

The total cost of this sewer was distributed between City and district as follows:

City's share	\$ 625.67
Property share	6,592.86

Total\$7,218.53

District No. 85, Eber White and Soule Boulevard: This sewer was petitioned for to serve the entire Eber White First Addition but on account of the charter provision which allows an outstanding sewer bond indebtedness of only \$40,000.00, it was necessary to abandon the entire district. Afterwards, however, an agreement was reached hereby the Killens Sub-division Co. agreed to pay the first quarter of the cost of sewer in district No. 84, just previously reported upon, at once upon the completion of the sewer so that it would not be necessary for the issuing of the full amount of bonds for this district. This then reduced the proposed bond issue so that it was possible to construct a sanitary sewer on Soule Boulevard from Liberty St. to Maxwell Ave. and on Eber White Boulevard from Elder Boulevard to Madison St. These two sewers are what constitute District No. 85. Sewers to serve the rest of Eber White First Addition were delayed for future construction. Contract for sewers in this district was awarded to Hochrein & Co. on August 6th, 1917, and work was completed so that the final estimate was allowed November 5th, 1917.

The cost has been distributed as follows:

Contract cost	\$1,925.25
Engineering	27.94
Inspection	\$2.63

Total\$2,035.79

Of the above contract cost five per cent, or \$96.26 has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of the five per cent, after

these deductions have been made, will become due Hochrein & Co. on November 5th, 1918. The cost of engineering and clerical work in this district amounts to 1.45 per cent of the contract cost and the cost of inspection amounts to 4.3 per cent of the contract cost.

Sanitary tees with 4-in openings were left in the line of the sewer for connection from each building site.

The total cost of this sewer was distributed between City and District as follows:

City's portion	\$ 282.65
Property portion	1,753.14
Total	\$2,035.79

Ninth Street Sanitary Sewer: As reported in my annual report for 1916 the property owners on Ninth St. between Washington and Huron Sts. petitioned the Council for sanitary sewer in that block. At the time of building the sanitary sewers on Huron St. and Washington St., Districts No. 18 and 22, all of the property now fronting on Ninth St. was entirely assessed leaving only a very small parcel which was excepted in forming the boundaries for district No. 53 to bear the entire burden of the sewer in this block. The Council ordered plans and specifications to be prepared and upon presentation of these to the sewer Committee it was decided that an agreement must be entered into under which all the property owners benefited would pay for the cost of construction of this sewer. This agreement was not entered into during 1916 and not until after contracts for the previously reported upon sewer districts were entered into in 1917. It was then impossible to issue any more bonds for sanitary sewer construction and consequently construction of this sewer had to be deferred until another year.

Pontiac, Wright and Cedar Streets Sanitary Sewer: The Common Council ordered plans for sanitary sewer to be constructed on Pontiac St. from Moore St. to the City limits, on Cedar St. from Pontiac St. to Wright St. and on Wright St. from Swift St. to Kellogg St. These plans and specifications were prepared at a cost of \$12.28 and referred to the Sewer Committee sitting as a Board to hear arguments for or against the construction of such sewers. Many owners of the benefited property appeared and protested against the construction of a sewer at

this time and as there was not a sufficient allowable bond issue to cover the construction of all wished for sanitary sewers during the present year, construction of this sewer was abandoned until another year.

Packard Lawn Addition Sanitary Sewer: The property owners in the Packard Lawn Addition petitioned the Council for the construction of sewers throughout that Addition. However, when it was discovered that the allowable bond issue for this year was not sufficient for all wished for sewers, this was one of the proposed sewers to be abandoned until some time in the future. The cost of what work was done on this district amounts to \$4.88.

In the construction of sewer to serve this Addition it will be necessary to construct a small, automatically controlled pumping station to raise the sewage into the sewer just completed in the Hamilton, Rose & Sheehan Addition, District No. 72, the property in the Packard Lawn Addition lying even lower than that in the south-eastern corner of the Hamilton, Rose & Sheehan Addition.

Abandoned Contracts of Tom Joyce: No settlement has been reached with Mr. Joyce or his bondsmen in the matter of contracts abandoned by him and the matter remains as detailed in my annual report for 1916. It is my understanding that the City Attorney expects to push this matter to adjustment of some sort in the near future.

Sanitary Sewer Records For State Sanitary Engineer: As reported in my report for 1916, the Common Council on March 20th, 1916, ordered that such plans of the entire sewer system as are required by the State Sanitary Engineer be prepared and forwarded to him at Lansing. We anticipated in our report of last year that this work would be completed by March, 1917, but due to the large amount of work which we have handled the past year together with the shortage of help, it was impossible to complete them during the year. The total cost to date including \$88.34 spent during 1916, amounts to \$768.76, leaving the net amount spent during 1917 as \$680.42. The State Sanitary Engineer recently called for these plans to be submitted at the very earliest possible date and we are rushing the completion of them as much as possible and we hope that they will be submitted to him in the very near future.

Sanitary Sewer Relief and Sewage Disposal Report: On July 3rd, 1916, as reported on in my annual report for 1916, the Council resolved that the City Engineer make a report containing suggestions for the relief of the main sanitary sewer and for sewage disposal for the City of Ann Arbor, etc. This resolution was caused by the condition of the main sewer on certain days and in certain seasons of the year when it flowed under pressure and backed up in the low connection of the Ann Arbor Abbatoir Co. on Depot St. Work on this was started during 1916 but early in 1917 as will be reported upon under the heading of Sanitary Sewer Maintenance, a severe cloggage of the main sewer just east of Glen Avenue was found and repaired, doing away with the trouble which was the cause of this order for investigation. Since the repair of this sewer it has had ample

capacity to care for the sewage carried to it. For this reason work was discontinued on the investigation until such time as the subject should again become pertinent enough to warrant the expenditure of a considerable sum of money upon it.

Tapping Sanitary Sewers: Under a ruling made by you in July, 1914, all tapping of sanitary sewers has been done by a City employee. The total cost of the work during this year has been \$20.90.

Payment of Five Per Cent Retained: On sewers completed by contractors during 1916 and reported upon in my report for that year the following amounts have been expended in payments to contractor and for work done by the City in the repairing of streets made necessary by the sewer construction. In each case these amounts aggregate the sum of five per cent retained for one year.

Dist. No.	Location	Paid to Contractor	Contractor
74	Lincoln St.,	\$ 30.51	Hochrein & Co.
77	John K. Ave.	50.61	Hochrein & Co.
79	Hiscock St.	58.08	Wm. Eddy & Son
78	Fifth St.	40.04	Wm. Eddy & Son
73	Eber White Add	125.06	Hochrein & Co.
70	West St.	28.54	Wm. Eddy & Son

Sanitary Sewer Maintenance: The care and maintenance of existing sanitary sewers during the year 1917 has cost the sum of \$1,839.85. This includes the cost of material, labor, tools, supplies and everything except the amount paid to the Ann Arbor Water Department for water for flushing. This is \$686.42 more than the amount spent for the same purpose during the year 1916. As time goes by and the age of existing sewers grows greater this amount will increase, due principally to the accumulation of roots in the sewers and to the increased number and length of sewers in service. Whenever cleaning of the sewer is impossible under existing conditions the cleaning is affected in such a way that the future cleaning of sewers will be possible with tools and appliances at hand. On account of the backing up of the water in the main sewer into the cellar of the Ann Arbor Abbatoir Co. previously referred to, the main sewer was cleaned from its outlet in the Huron river near Fuller St. bridge to the corner of Fourth Ave. and Depot St. This sewer had not been cleaned

or inspected since 1893 and the cleaning was undertaken to insure that the backing up was not caused by any obstruction in this main sewer. However, stoppage was found in two places caused by roots, and one section 180 ft. long east from Glen Ave. was completely stopped by the accumulation of gravel. When it was attempted to clean this section the tile was found to have been crushed down, being broken into four sections, and it was necessary to replace the entire section 180 feet. An outlet for the sewage was constructed to the river at the foot of Glen Ave. in order to make possible the reconstruction of this section just east of same.

When this was reconstructed and the outlet at the foot of Glen Ave. closed so that the sewage flowed through this section the sewer was found to have sufficient capacity to care for the sewage which came to it. The Ann Arbor Abbatoir Co. has experienced no trouble since. The cost of this work on the main sewer during the year 1917, which cost is included in the above total of \$1,839.85, was \$851.25.

Prevailing Prices: The prices for work of this kind have varied very materially during the past year but at the time the contracts were awarded the prices were approximately as follows:

Team labor, per nine hour day, \$	6.00
Common day labor, per hour, . .	.35
Brick, per thousand delivered	
on job,	15.00
Manholes castings	11.75
Cement, per barrel delivered on	

job in small quantities, 2.40

Pipe per foot as follows F. O. B. cars Ann Arbor: 8-in., 26c; 10-in., 39c; 12-in., 50c.

Summary of Sanitary Sewer Districts: A tabulated summary of the above report on sewer districts No. 72 to 85 inclusive, with the exception of those completed previous to the beginning of 1917, is given on the following page with information and costs of same.

STORM SEWERS AND CARE OF STORM WATER.

Allen's Creek Main Storm Sewer:

By adopting the Sewer Committee's report of March 20, 1916, the Common Council ordered your engineer to make a survey of Allen's Creek and all its branches and to make plans and a report on converting this creek into a main storm sewer, the report to include the sizes of such sewer. This is a project that has needed the attention of the City for some time. In order to make this report it was necessary to prepare a map of the entire area drained by this Creek and subdivide this into areas drained by both the natural and artificial tributaries. The number of acres in each of these small areas had to be figured and the time for water to run from the most remote part of it to the outlet in Allen's Creek. From these factors, the sizes of sewer sections from place to place along the main creek could be determined. A survey of the entire creek with its tributaries had to be made and mapped and the location, sizes and grades of the proposed structure shown on the map. This work was completed and estimate and plans were presented to the Council on August 6th, 1917. The cost for this work was \$459.91, of which \$313.89 was spent during the year 1916, leaving \$146.07 as the amount spent during 1917.

Certain recommendations were made in this estimate presented to the Council as to the advisability of starting this work as soon as possible and if it is impossible that it be constructed in one year to construct it section by section as the funds might be provided. I think that this recommendation should have consideration and that the start, no matter how small, should be made during the coming season.

Storm and Sanitary Sewers on Glen Avenue: These sewers were completed and reported upon in my report for 1916. During the year 1917, however, close watch was kept on this sewer and a man was sent through it several times to observe its condition. This work has cost \$28.88.

West Jefferson Street Storm Sewer: On July 3, 1916, the Common Council ordered the construction of storm sewer on Jefferson St. from Third to Sixth Sts. Bids were received on July 19, and the contract was awarded to Hochrein & Co. of this city. This

sewer varies in size from twenty-four inch tile at Third St. to eighteen-inch tile at Sixth St. It empties into the twenty-four inch tile sewer constructed in 1914 on Jefferson St. between Second and Third Sts. Work in this district was completed so that the final estimate was awarded on May 9th, 1917. The cost was distributed as follows.

Contract cost	\$1,909.96
Engineering	40.85
Inspection	77.04

Total\$2,027.85

Of the above contract cost five per cent, or \$91.98, has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of this five per cent, after these deductions have been made, will be due Hochrein & Co. on May 9, 1918. The cost of all engineering and clerical work on this sewer amounts to 2.14 per cent of the contract cost and the cost of inspection amounts to 4.04 per cent of the contract cost.

West Madison Street Storm Sewer:

The storm sewer on Madison St. from First to Fourth St. was ordered by the Council on July 3rd, 1916. It is 30-in. segment block construction from First St. to Second St. and 24-in. tile from Second St. to Fourth St. It empties into the 24-in. tile sewer on Madison St. at the corner of First St., which sewer must be enlarged some time in the future to care for the greater amount of storm water which will come to it. Bids were received on July 19th, 1916, and the contract was awarded to Hochrein & Co. of this city. Work was completed so that the final estimate was awarded to the contractor on June 6th, 1917. The total cost is distributed as follows:

Contract cost	\$2,655.99
Engineering	49.51
Inspection	61.36

Total\$2,766.86

Of the above contract cost five per cent, or \$131.34, has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of this five per cent, after these deductions have been made, will

be due Hocrein & Co. on June 6, 1918. The cost of all engineering and clerical work on this sewer amounts to 1.87 per cent of the contract cost and the cost of inspection amounts to 2.3 per cent of the contract cost.

Arch Street Storm Sewer: A storm sewer was ordered on Arch St. from Packard St. to Oakland Ave., by the Common Council on August 21, 1916. Bids were received Sept. 20th and the contract awarded to Messrs. Eddy & Son of this city. This is a 12-in. vitrified tile sewer emptying into the storm sewer of same size and material extending on Arch St. from Packard St. to the concrete main storm water culvert. Work on this sewer was practically completed at the end of 1916 but not finally accepted. The final estimate was not given until June 28, 1917. The cost has been distributed as follows:

Contract cost	\$639.60
Engineering	18.47
Inspection	16.35

Total	\$674.42
-------------	----------

Of the above contract cost five per cent, or \$31.98, has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of this five per cent, after these deductions have been made, will be due Wm. Eddy & Son on June 28, 1918. The cost of all engineering and clerical work on this sewer amounts to 2.9 per cent of the contract cost and the cost of inspection amounts to 2.56 per cent of the contract cost.

Storm Sewer on Cambridge Road and Baldwin Ave., From Lincoln Ave. to Washtenaw Ave.: For many years the need of a storm sewer on Cambridge Road has been acknowledged and many efforts have been made to secure the necessary funds to construct same. In 1914 this sewer was built from Forest Ave. to Lincoln Ave. but the money thus provided was not sufficient to complete the remaining three blocks. During the past year money was appropriated in the Bridge Crosswalk and Culvert fund for the completion of this sewer. Bids were received on June 20, 1917, and the contract awarded to Messrs. Wm. Eddy & Son on July 2nd, 1917. The work was completed and the contractor was awarded final estimate on

December 1st, 1917. The cost was distributed as follows:

Contract cost	\$3,925.14
Engineering	39.74
Inspection	69.95

Total	\$4,034.83
-------------	------------

Of the above contract cost five per cent, or \$196.01, has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of this five per cent, after these deductions have been made, will be due Wm. Eddy & Son on December 1st, 1918. The cost of all engineering and clerical work on this sewer amounts to one per cent of the contract cost and the cost of inspection amounts to 1.78 per cent of the contract cost.

Both that part of the sewer from Forest Ave. to Lincoln Ave., which was constructed in 1914, and the part built during the past year, from Lincoln Ave. to Baldwin Ave. was constructed as 24-in. sewer against my advice. In computing the size of this sewer very conservatively, I found that a sewer not smaller than 39 inches inside diameter would, as the south eastern part of the city developed, be needed. The Common Council, however, ordered that one of 24-inch diameter be built. This was due to the fact that at the time the first section was ordered the funds were insufficient to build a sewer of larger size.

South State Street and Dewey Avenue Storm Sewer: Since the construction of the pavement on Packard St. in 1911, the storm water from the eastern end of Packard St. pavement and adjoining territory has been emptied into the gutter on Dewey Ave. at a point about 150 feet west of Packard St. with no possible chance for it to run off until the water rose high enough to flow over the sidewalks and on to adjacent property, or until it soaked away into the ground. Since 1911, Dewey Ave. has become quite closely built up and such a condition was intolerable and would undoubtedly have been the cause of controversy had not the condition been relieved this year. To relieve this condition it was necessary to start at the corner of Edwin St. and State St. and rebuild the concrete culvert

on the east side of State St. from Edwin St. to Arch St. in order that the storm sewer emptying at this point and extending south on State St. to Dewey Ave. and east on Dewey Ave. to Packard St. would be under the ground surface at the low points on Dewey Ave. From Arch St. to Dewey Ave. on State St. this is 30-inch segment block sewer and on Dewey Ave. it is 24-inch, 20-inch and 18-inch sewer intersecting at Packard St. the sewer which was built in 1911 to relieve the eastern end of the Packard St. pavement. Money for the construction of this sewer was provided in the Bridge, Crosswalk and Culvert budget for this year. Bids were received on June 20th, 1917, and the contract awarded to Messrs. Eddy & Son of this city on July 2nd, 1917. Work was completed and the final estimate was awarded December 1st, 1917. The cost has been distributed as follows:

Contract cost	\$11,986.19
Engineering	162.63
Inspection	223.89

Total\$12,372.71

Of the above contract cost five per cent, or \$589.47, has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of this five per cent after these deductions have been made, will be due Wm. Eddy & Son on December 1st, 1918. The cost of all engineering and clerical work on this sewer amounts to 1.36 per cent of the contract cost and the cost of inspection amounts to 1.87 per cent of the contract cost.

South University Avenue Storm Sewer. From E. University Avenue to Between Tappan Avenue and Oakland Avenue: It was proposed during the early months of 1917, as reported upon in the section under Paving, to construct a pavement on S. University Ave. from State St. to Washtenaw Ave. For that reason money was provided in the Bridge, Culvert and Crosswalk fund to construct this storm sewer to care for water on this pavement from State St. to E. University, the balance of the district being cared for by storm sewer constructed many years ago. Bids on this sewer were received on June 20, 1917, and the contract

awarded to Wm. Eddy & Son on July 2nd. Work was completed and final estimate awarded, December 1st, 1917. Distribution of costs has been as follows:

Contract cost	\$1,431.66
Engineering	16.54
Inspection	62.67

Total\$1,510.87

Of the above contract cost five per cent, or \$71.58, has been retained for one year as a fund from which to deduct the cost of any repairs to sewer or street made necessary by the construction of the sewer and which may become apparent within a year. The balance of this five per cent after these deductions have been made, will be due Wm. Eddy & Son on December 1st, 1918. The cost of all engineering and clerical work on this sewer amounts to 1.15 per cent of the contract cost and the cost of inspection amounts to 4.4 per cent of the contract cost.

Edwin Street (Now Hoover Ave.) and McKinley Ave. Storm Water Culvert: This culvert was completed and reported upon in my report of 1916. However, it developed that the top of this culvert between Division and Sybil St. had been frozen during the construction. An attempt was made to repair same but the new concrete did not bond to the old concrete. The contractors, Barnes & O'Neil were notified to repair same. They attempted a second time to bond the new top over the old concrete and were again unsuccessful. The five per cent retained on this contract has not as yet been paid and will not be approved for payment until the sewer is properly fixed by the contractors or taken care of by the City and the proper deduction made for the cost of same.

Care of Storm Water General: For the care of storm water in the various parts of the City a total of \$302.20 has been spent through this department. Of this \$253.43 was for the care of storm water in the alley on the east side of the postoffice. It also relieved the sloppy condition on Catherine St. on the north side of the postoffice. The remainder of the above amount was spent on miscellaneous work in various parts of the city.

Storm Sewer Maintenance: The maintenance and cleaning of storm sewers in the various parts of the city, cleaning inlets, etc., during the

past year has cost \$324.54 which is \$107.60 more than last year. This work has been scattered in all parts of the city wherever storm sewers exist and has been caused mainly by repairing broken inlets, cleaning inlet runs and in a very few cases a section of the main storm sewer clogged by sand, in one case a cloggage from roots and in other cases the adjustment of inlets to fit the curb or gutter grades.

Five Per Cent Retained: The only storm sewers completed during the year 1916 on which the five per cent retained becomes due during 1917, were Edwin St. and McKinley Ave. storm culvert, Miller Ave. storm sewer from Allen's Creek to Brooks St. and Glen Ave. storm and sanitary sewer. The five per cent due on Edwin St. and McKinley Ave. culvert, as previously reported on, is being held, as is also the five per cent due on the Glen Ave. storm and sanitary sewer. The only five per cent retained on storm sewers paid in 1917, was that on Miller Ave. from Allen's Creek to Brooks St. There was deducted from this five per cent, \$7.22 for work done by the city. The remainder amounting to \$352.33 was paid to A. H. Prange, the contractor on August 6th, 1917.

Need For Storm Sewers: During the past three years \$46,000.00 has been appropriated in the Bridge, Culvert and Crosswalk fund. Contracts for storm sewers aggregating almost this entire amount have been com-

pleted. These appropriations have done a great deal to improve the condition which existed three years ago. There is still, however, need for further storm sewer extensions in all parts of the city. The most important storm sewer needed at the present time, however, is the converting of Allen's Creek into a main storm sewer as previously reported upon. The necessity of a large annual appropriation for storm sewer work will continue for many years to come and should be borne in mind at the time of making up the budget. If this work is neglected for any year or period of years it will throw an increased burden on the succeeding years. The fact that the total cost of storm sewers to date has been considerable less than one half the total cost of sanitary sewers is evidence in itself that the storm sewers have been neglected. Good streets and convenience to the traveling public cannot be maintained without adequate storm sewers in all parts of the city.

Prevailing Prices: Prices on storm sewer construction have been the same as those on sanitary sewer construction with the following additions:

Pipe per lineal foot, f. o. b. cars this city: 15-in., 67c; 18-in., 92 1-2c; 20-in., \$1.11; 24-in., \$1.66 1-2.

Summary: A summary of storm sewer work completed during the past year and a summary of all storm sewers in the entire city will be found on the following pages.

Broadway Bridge: As shown in my report for 1916, the matter of Broadway bridge had been dropped during the latter part of 1916 because the lowest bid received for construction of same exceeded the amount of money available by more than \$20,000.00. On February 14th, 1917, new bids were received for the construction of this bridge as published in the Council proceedings for February 19, 1917, the lowest bid being that of J. P. Rusche of Grand Rapids, Mich., amounting, without roadway paving, to \$50,375.91. This still exceeded the amount of money available by \$20,000.00. It was recommended to the Council by the Board of Public Works that the bid of J. P. Rusche be accepted, provided the necessary additional funds were raised at the April election. This action was approved by the Common Council. Under date of Feb. 25th, 1917, Mr. A. C. Marshall, vice president of the Detroit Edison Co., offered to increase their original offer of \$5,000.00 toward the construction of this bridge by \$2,000.00, making a total of \$7,000.00 which they would pay toward the construction of the bridge. His letter is published in the Council proceedings of March 5th, 1917. This made the total amount available \$32,000.00 and left the additional amount to be appropriated at the April election \$18,000.00. This proposition was favorably voted upon by a majority of 1774 or a majority over the necessary three-fifths of 589. The contract was therefore entered into with Mr. Rusche of Grand Rapids. It was expected at the time work commenced that everything would be completed by the first of December, at the latest, but delays have been encountered so that

the work is not yet completed nor has traffic been allowed to go over the new structure. Our anticipation at the present time is that the bridge will be in shape for traffic not later than February 1st but that the railing and sidewalks will not be constructed until favorable weather in the spring. An arrangement was made with the Michigan Central Railway Co. whereby, during the construction of this bridge, foot and horse drawn traffic has been permitted to cross their bridge over the Huron river at this locality. This has minimized to a great extent the inconvenience of having this bridge torn out. The amount of money expended on this bridge to date has been divided as follows:

Payments to contractor...	\$30,732.44
Engineering	901.54
Inspection	471.07

Total \$32,105.05

The amount for engineering included \$587.66 spent during the year 1916 and reported upon in my report for that year, leaving the net amount spent during 1917 for engineering \$313.88 and the total net amount spent during 1917 on this project \$31,517.39.

Bridge at Island Park: When the new bids were received on Broadway bridge in February, 1917, new bids were also received for this structure, the lowest bid being submitted by J. P. Rusche, the successful contractor on Broadway bridge, amounting to a little over \$1,200.00. When the budget for the year 1917 was made up an additional appropriation of \$800.00 was made in the Bridge, Crosswalk and Culvert fund which added to the \$500.00 appropriated in 1916 gave a total of \$1,300.00 for the purpose of constructing this bridge. On August 6th, 1917, this department was authorized by the Council to proceed with the construction on this bridge by City Force Account. The necessary reinforcing bars were at once ordered, but were not received until in November, 1917, when it was deemed too late to commence construction. This bridge will be built as early in the spring as the weather will permit, the necessary steel bars which are the most difficult part of the material to secure, being now on hand. The cost of the work has been distributed as follows:

Engineering	\$ 82.36
Steel bars	105.41

Total \$187.77

Of this amount \$65.69 for engineering was spent during 1916 and reported upon in my report for that year, leaving the net amount spent during 1917, \$122.08 and the amount spent during 1917 for engineering, \$16.67.

Bridge and Viaduct Maintenance.

After bids were received in September, 1916, for the construction of the new bridge over the Huron river on Broadway and it was seen that such a bridge would cost much in excess of the amount of money already appropriated, it was found that several rods on the old bridge were broken and not therefore doing the work for which they were intended. These were fixed by steel workers who were at that time doing steel work in connection with Waterman Gymnasium for the University of Michigan. The bill for this work was not presented and paid until May, 1917. The cost of this work was \$32.00.

During the year the viaduct from the bridge over the Michigan Central Railroad on Broadway to the bridge over the Huron river on Broadway was gone over with a cement mortar wash to repair cracks and prevent any further disintegration or opening. The same work was done on the Wall St. bridge over the Huron river. The cost for this work at both places was \$36.05.

Work at Fire Station No. 1: As shown in my report for 1916 a heating plant for fire station No. 1 was being constructed at that time. Payment to contractor for work on same amounted to \$1800.00. This work was completed and final estimate allowed to G. A. Raiser on March 7th, 1917. The total cost for this heating plant was distributed as follows:

Engineering	\$193.94
Payment to Contractor	\$572.81

Total \$2,766.75

This plant, however, is not yet in successful operation. The greatest trouble has been with leaky valves which will not allow the system to operate properly. At the time this plant was constructed it was necessary to do some unforeseen work and make some changes in the sewer from this building. For this work Mr. Raiser has not yet been paid. Under instructions from the Fire Committee of the Council, I wrote him a few days ago stating that unless this plant was put in proper shape at once, we would have the necessary work done

by someone else and deduct for same from any moneys which were due him. The plant was guaranteed against defective material and workmanship for a period of one year.

After the Fire Department was completely motorized, it became desirable to tear out certain partitions and construct a larger door in the rear of the building through which the motor apparatus might be driven. Money was appropriated and you were instructed to make these changes, but upon further consideration you deemed it advisable to make more extensive changes, in the removal of additional partitions, which you recommended to the Council. Plans and specifications for same were prepared by us, under the direction of a special committee appointed from the Board of Public Works and the Common Council, at a total cost of \$9.96. After bids were received under these plans and specifications, however, the money for such elaborate changes was not available and the matter was left for the appropriation of necessary funds at the time of making up the budget next spring. Only such changes as were absolutely necessary and would fit in with the future more elaborate changes, were made this fall. A contract was entered into with Henry Hochrein for the construction of new doors in the rear of the building similar to these now in the front of the building.

The scales at the Fire Station No. 1 were out of repair and in such worn out condition that it was deemed advisable to construct new ones and these were ordered by the Common Council on May 21, 1917. Bids were received for both ten ton wagon scales and twenty ton auto truck scales, the contract being awarded on July 2nd, 1917, to Fairbanks-Morse Co. for a twenty ton auto truck scale, the City to construct the concrete scale pit and to furnish unskilled labor for the erection of this scale. The scales have been completed but owing to certain correspondence with the Fairbanks-Morse Co. relative to the payment for planking used by them in the construction of these scales, payment has not yet been made to them. The total cost to date has been as follows:

Engineering labor.....	\$42.80
Material	64.93
Unskilled labor	196.32

Total

In addition to this amount the Street Commissioner furnished labor

and material, as reported upon in his report for 1917, to the amount of \$290.26. Also to be added to the above amount is the amount to be paid to Fairbanks-Morse Co., \$555.00, making the total cost of the scales completed \$1,149.31.

Garbage and Refuse Disposal: As reported upon in my report for 1916, the Council, under date of December 4th, 1916, resolved that the Board of Public Works be directed to prepare the necessary plans and specifications for a garbage disposal plant for the City of Ann Arbor. One trip was made, by all the Aldermen and members of the Board of Public Works who cared to go, to the Village of Highland Park to see the incinerator in operation there. Bids were received by you allowing each bidder to bid upon his own plans and specifications. You also decided that this plant should be located at the old "pest-house" site on the north side of Fuller St., between the bridge over the Michigan Central Railroad and the bridge over the Huron river, which location was afterwards approved by the Common Council. The report of your special committee to the Board on May 2nd, 1917, and by the Board referred to the Common Council, suggested the investigation of Mr. Wagoner's plant and bid which bid was the lowest received and amounted to \$9,700.00. This matter was referred by the Council to a committee of three appointed by the Council which together with a committee of three appointed by the Board of Public Works recommended that the voters be asked to vote the sum of \$10,000.00 for the construction of a garbage disposal plant. This bond issue was voted down at the special election held on June 25, 1917, at which time it failed by 96 to secure the necessary three-fifths vote. After that time a proposition was received from Mr. Wagoner, who was the low bidder under the above proposition, that he would erect his own disposal plant and collect and dispose of the garbage in the City of Ann Arbor, by burning it in same, under a five year contract for the sum of \$6,000.00 per year or \$30,000.00 total. At the expiration of this contract the plant which he constructs is to become the property of the City of Ann Arbor. After due deliberation such a contract was entered into. Mr. Wagoner has completed his plant on the old "pest-house" property and is now collecting the City's garbage. The total cost

in this department for work in connection with this matter, expenses of your city engineer and members of the Board of Public Works and the Common Council and a survey of the "pest-house" site on Fuller St. have totaled \$184.66 of which \$20.16 was spent during the year 1916, as shown in my report for that year, leaving the net amount spent during 1917, \$164.50.

Barn at City Yards: This matter is still under your advisement and in exactly the same condition as shown in my report for 1916, no additional amount having been spent on this project during 1917.

Sealing Boiler Room in City Hall: From the coal bunkers and boiler room in the City Hall, coal dust and dust from the operation of the boiler rises into the rooms above, causing continual annoyance and considerable expense for redecorating the building at more frequent intervals than would otherwise be necessary.

In order to prevent this, it has been decided that this boiler room and coal bunker should be sealed in such a way that the dirt cannot enter the rooms above. It is also necessary in order to increase the efficiency and effectiveness of the heating system in the city building that the main riser, from the boiler to the place where it divides into two horizontal mains, be increased from 4-inch to a larger size. The specifications for this work were prepared at a total cost of \$4.88 but because the season's supply of coal was placed in the coal bunker before bids were received the matter was postponed until another season.

Sidewalks and Curbing Grades: Sidewalks in all cases and curbing except in paving districts are paid for by the property owners abutting, this department furnishing the line and grade for same. A large amount of sidewalk building was done this year, due principally to the activity of the Sidewalk Committee in having ordered sidewalks where they were very necessary and where they probably would not have been built unless they were ordered by the Common Council. The total cost for this work during the past year has been as follows:

Sidewalk grade	\$376.30
Curb grades	97.69

Total

Total	\$473.99
-------------	----------

This work has been scattered in all parts of the city. The above cost would have been much greater had it not been for the automobile which

facilitates transportation from one part of the city to another and makes possible the carrying on of this work with a smaller number of men than otherwise.

SUMMARY OF YEARLY COST OF ALL NEW PUBLIC WORK.

The cost to the city and special assessment districts of all new improvements completed this year, payment for which has been made through this office, has been as follows:

Cost of sewers and pavements as per previous summary	\$58,919.23
Repaving E. Huron street..	7,812.93
Grading on Seventh street..	2,566.50
Opening Hoover Avenue...	2,144.23

Total	\$71,442.89
-------------	-------------

Of the above amount \$7,283.49 was spent in 1916 on work not completed until 1917. In 1917 there has been about \$32,105.05 on the Broadway bridge which is not as yet completed. This leaves a net amount paid through this department for public work during the past year, exclusive of payments retained on contracts, \$96,264.45. Broadway bridge, when completed will cost about \$50,000.00 and is the only uncompleted work now under contract. All of this work, which is by far the greatest amount of public work done in any one year by the City of Ann Arbor, has been designed, laid out, superintended, inspected, etc., by this department.

In addition to this great amount of work contracted for and completed, we have designed and prepared specifications for Allen's Creek storm sewer which when completed will cost close to \$200,000.00, and have done other special work as enumerated in the preceding pages.

GENERAL.

Steere Farm Maintenance: It has been the contention of Mr. J. B. Steere, for some time, that an error was made in the deeding of the Steere Farm property to the City of Ann Arbor which resulted in his losing pay for some thirteen acres of land. Because they saw the justice in his contention, and because of the possibility to trade lands which were better for the city's purpose in collecting water, the matter of making such an exchange with Mr. Steere was referred to the City Attorney and myself to prepare deeds. We decided that before such deeds could be properly prepared a complete survey of the Steere Farm lands as they are now owned by the city, was necessary. This sur-

vey has cost to date \$66.00. It is practically completed and the trade with Mr. Steere will soon be effected.

Assessor's Plats For City: As related in my report for 1916, we had been ordered to prepare Assessor's plats for all unplatted property within the city limits now being sold as lots. In 1916 \$59.22 was expended on this work and during 1917 an additional sum of \$52.94 was expended. As soon as the records of our Sanitary sewers, which we are preparing for the State Sanitary Engineer, are completed, we expect to push this work more vigorously.

Building Code: At the request of the Ordinance Committee a complete building code for the City of Ann Arbor was prepared in this department at a cost of \$7.88. It has been submitted to the City Attorney and after being reviewed by him, will be taken to the Ordinance Committee for their consideration.

Municipal Lighting: Repairs to the down town boulevard lighting system which is owned by the city, having been presented to them by the merchants, and which is being operated under contract with the Detroit Edison Co., cost \$36.01. The cleaning and maintenance of the lamps and globes is part of the Detroit Edison Co.'s contract, but these particular repairs were made to wiring in switch boxes.

Tools, Machinery and Supplies: One car of sewer pipe was purchased and stored at the city yards for general use at a cost of \$205.48.

The computation of bids and other matters in connection with receiving bids and the purchase of tools, machinery and supplies for general purposes, amounted to \$11.20.

Work for Other Departments: For the Street Department, including the sewer connection to drinking fountain at the corner of Main St. and Madison St. curb repairs on Liberty St., work on Crest Ave., Edwin St. and Gott St. work amounting to \$12.53 was done by men in this department.

For the Board of Water Commissioners, during the past year, this department has furnished labor for flushing hydrants, inspecting the ditch for twelve-inch water main constructed through the western and southern parts of the city, designing a retaining wall to be built between the property of the city and that of W. H. Murray just east of Seventh St. and building a manhole on E. Huron St. The cost of same has amounted to \$15.66.

For the Board of Park Commissioners, in addition to the bridge at Island Park heretofore reported upon, considerable surveying was done in West Park, Long Shore Drive, Felch Park and Burns Park. The total cost of work for this department was \$49.69.

Automobile: On Feb. 19th, you recommended to the Common Council that they trade in the Ford car belonging to the city in use by this department for a new car of the same kind. This recommendation was rejected by the Common Council and we have, therefore, used during the season 1917, the car purchased for us in April, 1916. The car has been run many thousand miles during the year and the total cost in connection with same has been distributed as follows:

Tire repairs	\$147.09
General repairs	171.09
Cleaning and oiling	18.42
Gasoline and oil	152.74

Total\$489.34

From a comparison with our last year's report, in which we reported the total cost of our machine, including the trade cost of \$179.51, to be \$445.33, you may see that an automobile, which is used as constantly and run as far in any one season as is the car of this department, should be, for the sake of economy, exchanged each year for a new car. We would therefore recommend that such a trade be made as soon as warmer weather and better roads prevail.

The automobile is one of the greatest assets of our department and had it not been for its use, the expenses of the department for labor would have run higher than they have by an amount considerably exceeding the cost of the automobile.

Engineer's Office: The amount chargeable directly to the running of your City Engineer's office this year, including all equipment and supplies purchased and all that part of my own time and the time of my assistants devoted to the several duties listed below has been distributed as follows:

ADDENDUM

Recommendations: One of the greatest needs of the city is the supervision of building construction. This has been taken up by the Ordinance committee and will in all probability be soon controlled by ordinance. Another great need is the inspection of backfilling of street excavations made by plumbers and corporations as well as the inspection of sidewalks constructed under contract for the city. An arrangement could be made whereby such inspections would be no burden on the city whatever, but it would insure the saving of considerable amounts in the proper maintenance of streets and would result in much greater satisfaction to the property owners in the construction of sidewalks.

The city is now operating six Ford cars and the expense for repairs and garage service amounts to a considerable sum. A place has just been made available in the shed at the rear of the Fire station, due to motorizing the Fire Department, and I would most earnestly recommend that it be fitted up for a municipal garage and an arrangement made whereby all city cars can be kept there every night and given whatever attention they need during the night to put them in the proper condition for use the next day. This would not only be a saving of considerable money but it would be a great accommodation to all city departments. In this way also an accurate account could be kept of the cost of each car for comparative purposes and, due to the centralized buying, a considerable sum might be saved on tires.

The City has been hampered for several years past by the charter provision which allows only \$150,000.00 of outstanding paving bonds at any one time. This year for the first time they have been hampered in the same way by the charter provision which allows only \$40,000.00 of outstanding

sanitary sewer bonds at any one time. Such limitations, especially in normal times, are a very serious hindrance to the proper growth and development of our City. These matters should receive the attention of the Common Council committee now engaged in charter revision.

We wish here to repeat the recommendation made in the body of our report that the Ford car owned by the City and in use by this department since April, 1916, be traded for a new car of the same kind.

Much objection has been found during the year to the work necessary to have a street oiled and, if the same ordinance is kept in effect during the coming year, it will have a tendency to discourage oiling of graveled roadways to a large extent. The Ordinance Committee now has the matter under advisement and probably some revision will be made.

Comparison: We cannot refrain from again calling to your attention the great amount of public work done during the past year. As shown in the preceding table, the payments to contractors alone amounts to \$88,521.43 and the cost of all public work completed during the year, together with the cost of work which has been started but not completed, amounts to \$96,264.45. Yet with all this, the cost for engineering labor has been nearly \$800.00 less than during the year 1916. Quite naturally, the cost of inspection has been greater during 1917 than the cost during 1916, due to the greater amount of contract work which has been handled. The cost of sewer and other work during 1917 exceeds that during 1916 by about \$630.00 due principally to work which was found necessary in replacing a section of the main sanitary sewer at a cost, during 1917, of \$851.25. We believe that this is a record which will stand favorably against a similar record in any other city in which the same standard of work and service is maintained and the same amount of work handled.

Moved by Ald. Heusel, that the Street Commissioner be authorized to remove, as soon as possible, the large oak tree which is in the street on Hamilton Place.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Hauser, Freeman, Lutz, Pres. Reichert, 11. Nays, none.

Council adjourned.

ISAAC G. REYNOLDS,

City Clerk.

Council Chamber, Ann Arbor, Mich., Feb. 18, 1918. Regular Session.

Meeting called to order by the President. Present: Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey. At this part of the roll call, President Reichert very feelingly addressed Council relative to death of Ald. Isaac Lyman Sherk, and announced the appointment of committee on resolutions as follows: Ald. Sink, Lutz and Markey. Ald. Sink presented the following resolutions, the Council standing during the reading:

Resolutions.

To the Honorable, the Common Council, Ann Arbor Michigan: Gentlemen—Since the last meeting of this body, the Angel of Death has again visited us, and has called home one of his faithful servants, Ald. Isaac Lyman Sherk, who, for more than a dozen years, has been a member of this body, as a representative of the Fifth ward. During these years Alderman Sherk has given unsparingly of his time and energy in order that the City in which we live might be made better and greater. Through years of experience, with impartial and ripe judgement, his counsel has always been valuable. Firm and strong in standing for the principles which he believed to be right, he worked untiringly, but was always ready and willing to consider and to listen to the opinions of others, and to yield his point whenever new or added information showed that another course of action would be better for the welfare of the community which he loved so well.

Aside from his activities as an officer of our City, he was a man of upright and honorable character, and possessed those splendid personal traits, which caused him to be respected and loved by all who knew him.

In his death, this Council has lost its oldest member in point of years of service, and one whose civic and personal life might well be emulated by others. We who have worked by his side and have known him so intimately, are grieved at his untimely death, and realize fully the loss which the City of Ann Arbor has sustained. However, in our grief, we are not unmindful of the greater grief and sorrow which surrounds his afflicted family, for he was a splendid husband and father.

It is but fitting, therefore, that we

individually and on behalf of the citizens of our city, extend to the sorrowing family our heartfelt sympathy, and with it an expression of sincerest gratitude for the splendid services which he ever rendered, and the devotion with which he performed the duties which devolved upon him.

It is therefore resolved, that these resolutions be made a part of the official proceedings of this body; that they be published in the Times News; and that a copy be sent to the bereft family as a token of love and devotion, and as a permanent memorial of the faithful performance of his many public and private duties.

Respectfully submitted,

CHARLES A. SINK.

GEORGE LUTZ.

J. W. MARKEY.

Roll call was resumed: Present, Ald. Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert 14.

Ald. Sink moved the adoption of the resolutions, which were adopted by unanimous vote.

Minutes of previous meeting approved.

Communications.

From the Mayor—

Feb. 16, 1918.

To the Honorable, the Common Council: Gentlemen—I hereby announce the appointment of Joe Jedele for special police service at the University, and without pay from the city. Respectfully submitted, Ernst M. Wurster, Mayor.

Ordered on file.

From Board of Public Works.

Moved by Mr. Arnet, that we request Council to authorize the Board to purchase in open market one car of paving brick, and one car of cement.

(Council action)

Moved by Ald. Lutz, that request of Board be concurred in.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Communication received from Edward N. Hurley, chairman of the United States Shipping Board, announcing plan for immediate organization of U. S. Shipyard Volunteers of the Public Service Reserve, and explaining the necessity for artisans to register, and so engage themselves, when the need develops, to work in

the shipyards at the wages there prevailing. In the meantime they are expected to retain their present positions. "The whole war depends upon ships—ships depend on labor, and labor depends upon the ability of this Board, through an adequate Reserve, to supply the yards."

Mayor Wurster explained the necessity of skilled mechanics to be in readiness to help the government in the shipbuilding program.

Petitions.

Petition of Leroy Waterman, et al, asking Council to remit the taxes assessed on the Baptist Guild House, amounting to \$248.68, received.

Rev. J. M. Wells informed Council that up to this time the property was exempt.

Moved by Ald. Markey, that petitions be granted, and the City Clerk draw warrant payable to City Treasurer, for amount of taxes, \$248.68, on the contingent fund.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Ann Arbor, Mich., Feb. 18, 1918.

To the Finance Committee of the Common Council: Gentlemen—I have examined the foregoing accounts against the City of Ann Arbor, and I hereby certify that they are correct to the best of my knowledge.

ISAAC G. REYNOLDS,

City Clerk.

To the Honorable, the Common Council: Gentlemen—Your Finance committee has reviewed the foregoing report. Warrants for salaries were drawn Feb. 16, 1918. We recommend that same be approved and that warrants be ordered drawn for the foregoing accounts.

Geo. Lutz, O. R. Mayer, John McGregor, Finance committee.

Ald. Lutz, moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

Gregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

In the matter of petition of Ben DiPhilippi, asking that assessment against his property for grading of Edward st., be remitted. Ald. Lutz, made oral report that the Finance committee had considered the petition, and recommended that it be not granted.

Ald. Lutz moved adoption of report, which was adopted by unanimous vote.

In the matter of petition of the Star Motor Company, asking that the value of gravel taken from Edward st., be credited on assessments for grading of said street. Ald. Lutz made oral report that the Finance committee had given the matter careful consideration, and recommended that petition be not granted.

Ald. Lutz moved adoption of report, which was adopted by unanimous vote.

Special Committee.

Ald. Henderson, chairman of special wood committee, made oral report, that he had taken up the matter of laying in a supply of wood for the coming winter, with the coal dealers, and they preferred not to stock up with wood, so the committee recommended that the city procure supply to be stored at city yards. Committee was given further time.

Officers' Reports.

Ann Arbor, Mich., Feb. 18, 1918.

To the Honorable, the Common Council: Gentlemen—I transmit for your further order, valuations in sanitary sewer districts: No. 72, Hamilton, Rose and Sheehan addition; No. 82, Packard st., and Brooklyn ave.; No. 83, Eighth st.; No. 84, Killins' Heights addition; and No. 85, Eber-White blvd. and Soule blvd., (formerly known as Hiscock blvd.)

Respectfully submitted: H. W. Crippen, City Assessor.

By Ald. Lutz: Resolved that Friday, March 1, 1918, be and the same is fixed as the day, 2 p. m. the hour, and the Council room the place, for the review of the assessment rolls of sanitary sewer districts Nos. 72, 82, 83, 84, 85.

Resolved further, that the City Clerk do advertise the same according to law.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

By resolution on Nov. 13, 1916, the Common Council of the City of Ann Arbor recommended to the Water Board that they proceed to construct such water mains as they deemed most necessary, from the income of their Department.

The water mains supplying the southeast part of the City were not large enough to give satisfactory service, and the growth of the city to the southeastward has caused a large consumption of water at high levels, with a resulting decrease in pressure, due to the lack of provision to supply the high levels except through the distributing system.

The 12 inch main supplying the reservoir from the Number 1 Pumping Station, was inadequate, and with the growth of the city, the increasing demand for water had to be met from this Station. After a thorough study of the situation, it was decided to construct the 16 inch main from the No. 1 Pumping Station to the Chubb Road Reservoir, connecting to the reservoir and continuing down Chubb Road to Brooks street; south on Brooks street to Miller avenue; west on Miller avenue to Seventh street; south on Seventh street to Washington street, where a 12 inch connection was made to the Washington street Pumping Station; south on Seventh street to Jefferson street; east on Jefferson street to First street; south on First street to Madison street; east on Madison street to Fifth avenue; south on Fifth avenue to Hill street; east on Hill street to Church street, where connections were made to the present 12 inch main leading to the steel reservoir on Medallion street, and also to the 12 inch main running north on Church street. Connections were also made to the 6 inch main at Ingalls street, and a 16 inch Tee was left at State street for future connection of the Steere Farm supply, if desired.

This main is controlled by valves so that water can be pumped at higher pressure if necessary to supply the higher level resident districts in the south and eastern part of the city.

With the two supply mains from the No. 1 Pumping Station, both connecting to the Chubb Road Reservoir, and to the distribution system, makes the probability of the city being shut off because of a break in a supply main very remote.

The pumping equipment at Station 1, when purchased by the city, consisted of a Ludlow-Dunn-Gordon Cross Compound Steam Pump, 3,000,000 gallons maximum daily capacity; a Knowles Tandem Pump, steam driven, of 1,800,000 gallons daily capacity; and a Gordon Tandem Pump, steam driven, of 2,000,000 gallons daily capacity. The two latter pumps were used as auxiliary pumps. The Knowles pump was installed in 1885, and the Gordon pump in 1890. The amount of steam these auxiliary pumps consumed and the general inefficiency when used continuously, caused the replacement of the Gordon pump in 1915, by a Delaval two stage motor

driven centrifugal pump of the latest type, with a capacity of 3,500,000 gallons daily, against a head of 255 feet.

In 1917, with the construction of the new 16 inch main, the Knowles pump was replaced by an Allis-Chalmers Mfg. Co. two stage motor driven centrifugal pump, of the latest type, with a capacity of 5,000,000 gallons daily, against a head of 256 feet. Therefore, the present pumping equipment of Station No. 1 consists of a 3,000,000 gallon daily capacity Ludlow-Dunn-Gordon cross compound steam driven pump; a 3,500,000 gallon daily capacity DeLaval two stage 10 inch centrifugal pump motor driven, and a 5,000,000 gallon daily capacity Allis-Chalmers Mfg. Co., two stage 10 inch centrifugal pump, motor driven, besides 800,000 gallons daily is being pumped at Station No. 2.

With the installation of the new main, there was installed at No. 1 Pumping Station a Venturi meter in the new 16 inch main, and one purchased but not yet installed for the old twelve inch main. These meters indicate the quantity of water being pumped through them at any time, and register the daily quantity pumped; heretofore it has been necessary to estimate the number of gallons pumped daily, but now the exact quantity pumped is obtained.

The discharge piping from the pumps is arranged so that any one of group of pumps can be connected to either of the discharge mains as desired.

In 1916 a liquid chlorine apparatus was installed to sterilize the water, which has proved so satisfactory that a duplicate apparatus was installed in 1917.

Communications.

From the Mayor—

March 1st, 1918.

To the Honorable, the Common Council: Gentlemen—I hereby announce the appointment of G. W. Bovier for special night police service at the University, and without pay from the city.

Respectfully yours, Ernst M. Wurster, Mayor.

Ordered on file.

March 2nd, 1918.

To the Honorable, the Common Council: Gentlemen—Through the recent heavy rains, the high water resulting therefrom and the lack of proper sewer facilities in some sections of our city, the need of a large volume power pump has demonstrated itself and I therefore feel that one should be procured. Such apparatus to be at the disposal of the Street and Engineering departments for the relief of householders who may be suffering from undue quantities of water in their cellars, as well as other uses. I feel this matter is of such importance as to warrant an early recommendation from an investigating committee or Board of Public Works.

Very respectfully yours, Ernst M. Wurster, Mayor.

Moved by Ald. Lutz, that communication be received and the Chair appoint a committee from Council to act with the Board of Public Works. Adopted.

Ald. Mayer, Andres and Lutz were appointed as such committee.

March 4, 1918.

To the Honorable, the Common Council: Gentlemen—As for some time the city water has been unfit for drinking and domestic purposes, and as this condition is likely to exist for some time to come, therefore, I respectfully request that your honorable body appoint a committee to take such steps as are necessary for supplying our householders with drinking water at nominal cost and establishing water routes for such purpose if deemed advisable. Such committee should be given power to act.

Respectfully yours, Ernst M. Wurster, Mayor.

Moved by Ald. Sink, that the matter be referred to the Water committee with power to act.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ann Arbor, Mich., Feb. 18th, 1918.

To the Honorable Justices of the Supreme Court of the State of Michigan: Gentlemen: The Washtenaw Gas Company is now supplying gas to the City of Ann Arbor under a franchise of which the following is a section:

"At the instance of either party hereto, a rate revision under this franchise may be had at any time, said rate revision to be made by a Public Utility Commission, if one is in existence in the State of Michigan, at said time. If a Public Utility Commission does not then exist, said revision shall be made by a Commission to be created as follows: The Council of the City of Ann Arbor shall appoint one member and the Gas Company shall appoint one member, and a third member shall be appointed by the Justices of the Supreme Court of the State of Michigan. Said Commissioners to be persons versed in work of this character. The expenses of said commission shall be borne by the party applying for said rate revision."

Under the provisions of this section and due to the greatly increased cost of operations, the Gas Company applied to the Common Council of the City of Ann Arbor for a revision of rates, asking for the appointment of a Commission therefor. The City of Ann Arbor has selected Mr. Ray Holland as its representative on this Commission and the Washtenaw Gas Company has selected Mr. Henry E. Riggs as its representative.

The undersigned representing the City as its Mayor and the Gas Company as its General Manager, respectfully request the appointment of the third commissioner by your Honorable Body as provided in the ordinance and suggest that Mr. Victor H. Lane of Ann Arbor be appointed as such commissioner, he being the choice of both commissioners now appointed and of the representatives of the City and the Gas Company.

Yours respectfully, Ernst M. Wurster, Mayor of the City of Ann Arbor, Washtenaw Gas Company, H. W. Douglass, General Manager.

State of Michigan, in the Supreme Court.

In the matter of request of the City of Ann Arbor and the Washtenaw Gas Company for the appointment of a Commissioner under the provisions of the franchise of the Washtenaw Gas Company.

A joint petition having been filed by the City of Ann Arbor and the Washtenaw Gas Company, asking for the appointment of a third commissioner under the franchise granted by the City of Ann Arbor to the Washtenaw Gas Company, and said City of Ann Arbor and Washtenaw Gas Company having both requested in said petition that Victor H. Lane of Ann Arbor be appointed the third commissioner to act with Henry E. Riggs and Ray Holland, we the Justices of the Supreme Court as is provided in said ordinance granting said franchise, do hereby appoint Victor H. Lane of Ann Arbor as one of said commissioners, as requested in said petition.

J. H. Steere, Grant Fellows, J. W. Stone, Franz C. Kuhn, Flavius L. Brooks.

Dated this 21st day of February, A. D. 1918.

February 27, 1918.

The City of Ann Arbor, I. G. Reynolds, Clerk: Gentlemen—I have received from Mr. H. W. Douglas of the Washtenaw Gas Co., copy of letter of appointment of myself as a third commissioner to adjust the rates for gas, of the company.

Understanding that this appointment is made upon the joint application of the City and the Company I am pleased to accept and will await instructions as to the proposed plans of procedure from the proper persons. Very truly, V. H. Lane.

Ordered entered in minutes.

From Board of Public Works.

March 4, 1918.

To the Board of Public Works: Ann Arbor, Mich.: Sirs—I present to you this my resignation of the City Engineer's position which I have held since June, 1912. This is because I have been employed by the Merchant Shipbuilding Corporation, who are agents for the United States Emergency Fleet Corporation, building merchant ships for the United States government. I am leaving Ann Arbor on Thursday next, March 7th, and would ask that this resignation take effect on that date. Respectfully submitted, Manley Osgood.

Moved by Mr. Scott, that resigna-

tion be accepted, to take effect Thursday March 7, 1918.

Adopted by Board.

(Council action.)

Moved by Ald. Sink, that action of Board be concurred in, with regret; and that a vote of thanks be given to retiring City Engineer Osgood for his efficient services during the time he has served as City Engineer, and that we extend to him our best wishes for grand success in the patriotic work which he is about to undertake.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

From Park Commission.

March 1, 1918.

To the Honorable, the Common Council: Gentlemen—The Park Department has always urged that owners of infested trees have their trees sprayed at least once a year and since the spring of 1913, this department has conducted a spraying campaign and has directed the spraying of from 800 to 1000 infested trees every year. Wherever examinations are necessary, they have been made by the park department at the request of the owner. The general good that has been derived by the checking and keeping in control of the scale and other injurious insects, moths and diseases of our plant life can only be estimated.

Privately owned power spraying machines have been used for this work with a marked degree of success up to last year, but in the last two years, injurious insect life has increased so rapidly all over this central western section of the country, due largely to the extreme dry season of the summer of 1916, that since that season the owners of these sprayers have been so busy on their own trees that it has been impossible to get anyone at the right time to spray our trees in the city.

The Tussock moth, which has caused so much trouble and the expense of hundreds of thousands of dollars particularly in the east and as far west as Detroit, put in its first appearance here in any alarming numbers during the summer of 1916 and increasingly so during the season of 1917. Preventative measures were used to check the spread of the insects but the equipment obtainable was wholly inadequate and even that could not be had when most effective work could be done.

The city should have a power spray-

ing machine and equipment for this work. It could be used on our city trees and shrubs whenever and wherever needed and could also be rented for use on private and University property within the city limits. We believe that the sum derived from private rentals would completely maintain and operate the machine so that the initial cost of machine and equipment would be all. Such an outfit adequate for city use would cost not less than \$500.

In order that we might be prepared to do the necessary spraying this spring, the Board of Park Commissioners is not waiting until time of submitting their estimated budget in May but hereby respectfully recommends the common council to authorize the expenditure of \$500 for a power spraying outfit at this time, the item to be included in our annual budget in May if necessary. Respectfully submitted, Board of Park Commissioners. Ray E. Bassett, Superintendent.

Moved by Ald. Markey, that the Park Commissioners be authorized to purchase machine.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

From Water Commission.

To the Honorable, the Common Council of the City of Ann Arbor: Gentlemen—We, the undersigned members of the Board of Water Commissioners, do respectfully call your attention to the present deplorable condition of the Ann Arbor water supply, a condition that presents a menace to both the health and business prosperity of the city and one with which your Water Board is utterly unable to cope with the equipment now available.

We therefore beg to recommend that immediate steps be taken by your Honorable Body to supply your Board of Water Commissioners with the authority and funds necessary to enable them to provide for the city a potable water supply; and we submit for your consideration the following methods of accomplishing the desired results.

First, To lay a pipe line to the Steere Farm and erect a pumping station of sufficient capacity to deliver to the distribution mains of the city the water there available, or

Second, To install at Station No. 1

a filter plant of sufficient capacity to care for present needs.

Estimates on the cost of carrying out the first suggestion have been submitted by the City Engineer. We are of the opinion that the second method suggested can be carried out at a cost of not to exceed \$100,000. It should also be clearly pointed out that the second suggestion is made with the idea that a filter at Station No. 1 does not preclude the utilization of the Steere Farm water in the future, but in such an event, a filter plant would afford a desirable auxiliary to the Steere Farm supply, available at times when that supply might prove inadequate, or in case of breakdown, or during the unusual demands of fire.

We trust that your Honorable Body will appreciate the necessity of immediate action in order to relieve a situation that has become intolerable. Respectfully submitted, Wirt Cornwell, Geo. J. Mann, John Ländenschmitt, Commissioners.

Referred to Water committee, on motion of Ald. Lutz.

Clerk presented communication from Mr. H. H. Herbst, relative to bonding to bring water from Steere Farm to city mains.

Moved by Ald. Lutz, that communication be considered as read. Adopted.

State of Michigan, Executive Office, Lansing, Mich.

February 27, 1918.

My dear Sir: I am enclosing herewith amendments to your City Charter, which have been approved by Governor Sleeper. Very truly yours, Ralph Duff, secretary.

Mr. Isaac G. Reynolds, City Clerk, Ann Arbor, Michigan.

Ordered entered in minutes.

Ann Arbor, Mich., Feb. 23, 1918.

The Honorable Mayor and Council: We wish to express our sincere appreciation for the floral and official tribute to the memory of our dear husband and father. Very sincerely, Mrs. Esther Sherk and family.

Ordered entered in minutes.

Communication from W. W. Beman, calling attention to defective sidewalk on both sides of N. Thayer st. between Huron and Ann sts., received and referred to Sidewalk committee.

Claim of Charles L. Worden and Alice Worden, for alleged damages to their property by water from Killins Heights addition, referred to City Attorney.

Ann Arbor, Mich., March 4, 1918.

To the Finance Committee of the Com-
mon Council: Gentlemen I have exam-
ined the foregoing accounts against the
city of Ann Arbor, and I hereby certify
that they are correct to the best of my
knowledge.

ISAAC G. REYNOLDS,

City Clerk.

To the Honorable, the Common Council:
Gentlemen—Your Finance committee has
reviewed the foregoing report. Warrants
for salaries were drawn March 1, 1918. We
recommended that same be approved and
that warrants be ordered drawn for the
foregoing accounts.

Geo. Lutz, John MacGregor, Finance Com-
mittee.

Ald. Lutz, moved the adoption of
the report, which was adopted by the

following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ordinance Committee.

Ald. Sink presented an ordinance entitled: "An ordinance to amend an ordinance entitled, 'An Ordinance Relative to Fire Limits and Fires,' passed October 7, 1895; approved October 12, 1895; amended June 4, 1900; amended March 19, 1906; amended Dec. 3, 1906; amended April 10, 1913; amended August 17, 1914; amended Nov. 15, 1915; the Common Council of the City of Ann Arbor ordain: which was given its first reading by title, passed to and given its second reading and referred to the Ordinance committee by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ald. Sink presented an ordinance entitled, "An Ordinance Relative to Curbs and Gutters." The Common Council of the City of Ann Arbor ordain: which was given its first reading by title, passed to and given its second reading and referred to the Ordinance committee by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Water Committee.

Whereas, the City of Ann Arbor is the owner in fee simple of certain lands situated south of said city, and which said lands were purchased to be used as a source of water supply for the City of Ann Arbor, and

Whereas, the present water supply of the City of Ann Arbor, obtained as at present, is deemed to be unfit for human consumption, and,

Whereas, it seems to be the consensus of opinion of the citizens of the City of Ann Arbor that a pumping station and pipe line should be constructed to the so-called Steere Farms without further delay in order to furnish the inhabitants of the city with pure water, and

Whereas, the city has not the funds on hand with which to construct said pumping station and pipe line and can only procure the same by loan, therefore, be it

Resolved, that the proposition of raising the sum of two hundred thousand dollars (\$200,000) by loan be submitted to the duly qualified electors of the City of Ann Arbor on the first

day of April, A. D. 1918, such funds when raised to be used for the purpose of constructing said plant and pipe line as aforesaid. Be it further

Resolved, that said election be held in the several wards of the City of Ann Arbor, Michigan, as follows:

First ward, voting room, basement City Hall; second ward, ward building on south Ashley street; third ward, ward building, on Miller avenue; fourth ward, voting room in basement of Armory, corner Fifth avenue and Ann street; fifth ward, ward building, corner Swift and Pontiac streets; sixth ward, basement of sixth ward school, East University avenue; seventh ward, ward building, Mary street.

Resolved, further, that the city clerk be and he is hereby authorized to issue the usual call for said special election, pursuant with the State law and the charter of the City of Ann Arbor and to cause to be printed ballots for the use of the electors at said special election, which ballots shall be printed on white paper of equal width and length and shall read:

For the issuance of bonds for the construction of a pumping station on the Steere Farm and water main to the City of Ann Arbor.

Yes ().

For the issuance of bonds for the construction of a pumping station on the Steere Farm and water main to the City of Ann Arbor.

No ().

Resolved, further, that the canvas and termination and the voting of said election be made pursuant to the charter of the City of Ann Arbor.

Resolved, further, that the polls of said election be at the places designated and be open from seven o'clock a. m. until eight o'clock p. m., central standard time.

Wm. Henderson, O. E. Hauser, M. B. Sugden, Water committee.

Ald. Henderson moved the adoption of the resolutions, which were adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Poor Committee Report.

To the Honorable, the Common Council: Gentlemen—Your committee, to whom was referred the matter of building new shed for poor department fuel, have had the same under consideration and respectfully recommend that the Board of Public Works prepare plans, specifications and estimate of cost of new shed to

be full width of Fourth ave. at Michigan Central Railroad, money to be appropriated in next budget for construction.

Respectfully submitted: O. E. Hauser, Chris. T. Donnelly, M. B. Sugden, Poor committee.

Ald. Hauser moved the adoption of the report, which was adopted by the following vote. Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Special Committee on Wood.

To the Honorable, the Common Council: Gentlemen—Your committee to whom was referred the matter of procuring a supply of wood for the coming winter, respectfully recommend that the Mayor be authorized to purchase 2,500 cords of seasoned hard wood at a price not to exceed \$4.00 per cord delivered and payment to be made at time of delivery.

Respectfully submitted: Wm. L. Henderson, Sam. C. Andres, John Huss, committee.

Ald. Henderson moved the adoption of the report, which was adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Board of Review.

Ann Arbor, Mich., March 1, 1918.

To the Common Council: Gentlemen—The undersigned City Clerk begs leave to submit the following report of the Board of Review proceedings on the special assessment rolls of Lateral Sewers in Lateral Sewers Nos. 72, 82, 83, 84 and 85 of the City of Ann Arbor, Michigan.

The Council, sitting as such Board of Review, in pursuance to its order and appointment for that purpose, met at the Council Chamber on March 1st, 1918, at two o'clock p. m. The roll was called of the Aldermen and the following members were found present: Ald. Heusel, Sugden, Mayer, Huss, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, 12.

Ald. Sink was duly elected chairman for the Board of Review and the Council entered upon the review of said special assessment rolls. Due proof of the publication of notice of meeting was filed. Enter Ald. Andres, and Pres. Reichert.

After hearing all persons desiring to be heard and computing the review of such special assessment rolls

in Lateral Sewer Districts Nos. 72, 82, 83, 84, and 85 the following resolution was offered:

By Ald. Geo. Lutz: The special assessment rolls of Lateral Sewer Districts Nos. 72, 82, 83, 84 and 85 having been duly certified to us, and this day having been appointed and assigned for a review thereof, and all persons appearing having been heard, and the said special assessment rolls having been fully considered, and the review thereof completed, therefore be it

Resolved, and it is hereby ordered, that the City Clerk do report the proceedings of this Board of Review on special assessment rolls to the Common Council at its next regular meeting.

Resolved, further, that said special assessment rolls be and the same are fixed and determined as presented.

Adopted as follows: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 14. Nays, none.

The Board adjourned.

Isaac G. Reynolds, City Clerk.

By Ald. Lutz: Resolved, that the special assessment rolls of Lateral Sewer Districts Nos. 72, 82, 83, 84 and 85 of the City of Ann Arbor, Michigan, as fixed and determined by the Board of Review, and certified to this Common Council do stand in all things confirmed.

Resolved, further, and the City Assessor is hereby ordered and required to assess and spread thereon and against the lands, tenements and premises mentioned therein, the sum of \$13,988.03 Dist. No. 72; \$3,813.55 Dist. No. 82; \$312.14 Dist. No. 83; \$6,592.86 Dist. No. 84; \$1,753.14 Dist. No. 85, being the estimated cost of such lateral sewers construction, street crossings excepted, and also to levy, assess and spread the sum of money on and upon each and every year in and during which any of such assessments shall or may be payable, and to levy and assess the said lands, tenements and premises and against owners and occupants thereof, as mentioned therein, according to law.

Resolved, further, that the City Clerk do certify the said special assessment rolls, this resolution of confirmation and order of assessment to the City Assessor pursuant to law.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz,

Sink, Pres. Reichert, 13. Nays, none.

Officers' Reports.

To the Honorable, the Common Council: Gentlemen—On March 1, 1918, I drew city warrant on the Steere Farm fund for \$127.90 in favor of Arthur Armbruster, treasurer of Pittsfield Twp., for city taxes on the property known as the Steere Farm. This was done to prevent paying penalty and I respectfully ask that you concur in such action.

Respectfully submitted: Isaac G. Reynolds, City Clerk.

Moved by Ald. Lutz, that action be concurred in.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Ann Arbor, Mich., March 4, 1918.

To the Honorable Common Council, Ann Arbor, Mich.: Sirs—My attention has been called to the fact that a large number of people are going to

the Steere farm with automobiles and motor trucks for drinking water and that there is no adequate place for turning there. I would respectfully recommend that instructions be given that the road at this point be so widened and prepared that this trouble may be done away with and that either a board walk or graveled pathway be built from this road to well No. 1, which is about fifty feet from the road. I think that these steps would be greatly appreciated by those of our citizens who get their drinking water in this way. The cost would be comparatively slight.

Respectfully submitted: Manley Os-good.

Moved by Ald. Lutz, that the matter be referred to the Water committee with power to act.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

In comparing the annual reports of different departments your attention is called to the various periods of time covered by said reports, as provided by present charter.

Respectfully submitted

ISAAC G. REYNOLDS, City Clerk and Comptroller.

Ordered to take usual course.

Resolutions.

By Ald. Lutz: Resolved, that the amendment to section 69 of the Charter which was proposed at the meeting of this body held under date of January 21st, 1918, and carried by the entire vote of the members present at said meeting, providing for an increase in the compensation of certain city officers, be submitted to the electors of the City of Ann Arbor, Michigan, at the general city election to be held in the several wards of the city on the 1st day of April, 1918.

Resolved, further, that the said vote be by ballot, and that said ballot shall be of equal width and length, printed on white paper with black ink, and shall read as follows:

Amendment to Section 69 of Charter.

To provide for the payment of the City Treasurer the sum of seven hundred twenty dollars per annum for clerk hire and for the payment to the city marshal such compensation as the common council may allow and to the city supervisors the sum of four dollars per day while performing the duties of their office. Yes ().

To provide for the payment to the City Treasurer the sum of seven hundred twenty dollars per annum for clerk hire, and for the payment to the city marshal such compensation as the common council may allow and to the city supervisors the sum of four dollars per day while performing the duties of their office. No ().

Resolved, further, that the said election be held in the several ward voting rooms of the city as follows: 1st ward, voting room, basement of city hall; 2nd ward, ward building, on S. Ashley st.; 3rd ward, ward building on Miller avenue; 4th ward, voting room, basement of Armory; 5th ward, ward building on Swift st.; 6th ward, voting room in basement of Tappan school; 7th ward, ward building, Mary st., City of Ann Arbor, Mich.

Resolved, further, that the polls of said election be opened at seven o'clock in the morning and remain open until eight o'clock p. m., central standard time and that the canvas and termination of the vote be made pursuant to the state law and city charter.

Resolved, further, that the City Clerk be and is hereby instructed to make all necessary arrangements for said election.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Mayer: Resolved, that the City Clerk make all necessary arrangements for registration to be held March 27, 1918, as provided by charter, and for the election to be held April 1, 1918; both to be held in the usual ward voting places and the polls of election to be open until eight o'clock in the evening, central standard time.

Resolved, further, that the City Clerk be and is hereby authorized to register all duly qualified electors, presenting themselves for registration, at the office of the city clerk at any time during regular office hours up to eight o'clock p. m., on March 16, 1918; provided, further, that on March 9, and 16, 1918, the office be held open until eight o'clock p. m. for such purpose, and on these two days the City Clerk may appoint an assistant who shall receive \$4.00 per day for such services.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Hauser: Resolved, that Carl Rehberg be and is hereby appointed to act March 27, 1918, on the board of registration of the fifth ward to fill vacancy.

Adopted by the following vote: Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

By Ald. Hauser: Resolved, that from and after the passage of this resolution no persons be admitted to the Washtenaw County Poor House to be kept at the expense of the City of Ann Arbor unless admitted upon the written order of the City Poor Commissioner.

Resolved, further, that the superintendent of said Poor House be asked to immediately notify the city clerk of the City of Ann Arbor when any inmate who has been confined on the

order of the city poor commissioner and kept at the expense of the city ceases to be an inmate of said poor house.

Resolved, further, that the City Clerk mail a certified copy of this resolution to the city poor commissioner and superintendent of the Washtenaw County Poor House.

Adopted by the following vote:
Yeas, Ald. Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

March 12, 1918.

To the Honorable, the Common
Council: Gentlemen—I hereby an-
nounce the appointment of Mr. Clay
Alexander as temporary policeman.
This was deemed necessary for the
preservation of peace and good order
in the city, there being two vacancies
on the regular force.

Respectfully submitted: Ernst M.
Wurster, Mayor.

Ordered on file.

Enter Ald. Sugden.

From Board of Public Works.

Moved by Mr. Arnet, that we re-
quest Council to authorize the Board
to purchase 2500 lbs. of 26-in. hickory
fibre for use in brooms in street
sweeping. Adopted by Board.

(Council action.)

Moved by Ald. Markey, that re-
quest of Board be concurred in.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer,
Huss, Andres, Henderson, Donnelly,
Markey, Hauser, Freeman, Lutz, Sink,
Pres. Reichert, 13. Nays, none.

Petitions.

Petition of J. J. Walser, for side-
walk grade and walk along the east
side of Baldwin ave., from Cambridge
road to Wells st., also that street
grade and width be established for
this block, received and referred to
Sidewalk and Street committees.

Petition of J. E. Wilkinson, asking
that State st., from Ferry Field to
Granger ave., and Granger ave., from
State st. to Packard st., be graded and
graveled, received and referred to
Street committee.

Petition of Shetterly and Zeinke,
et. al asking that all billiard and pool
rooms be closed for business on Sun-
day, or to allow the petitioners to re-
main open on Sunday, from 1 p. m.
to 10 p. m., received and referred to
Police committee and City Attorney.

Ann Arbor, Mich., March 16, 1918.

To the Honorable, the Common
Council, of the City of Ann Arbor:
Gentlemen—I have been requested by
the Ann Arbor Dairy Company to re-
quest your Honorable body to allow
this Company to connect with the

sanitary sewer on Fourth avenue for
the purpose of carrying away waters
used by the Company in connection
with its new building at the corner of
Catherine and North Fourth avenue.
It is the understanding of the Dairy
Company that the storm sewer on
Catherine street is not laid deep
enough so that this storm sewer can
be used for the purpose. The Dairy
Company will be glad to comply with
any regulations or requirements that
the Council deem proper.

Yours, very truly, Arthur Brown, At-
torney for A. A. Dairy Co.

Moved by Ald. Markey, that the
matter be referred to Sewer commit-
tee and Acting City Engineer San-
denburgh, with power to act.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer,
Huss, Andres, Henderson, Donnelly,
Markey, Hauser, Freeman, Lutz, Sink,
Pres. Reichert, 13. Nays, none.

Quit-claim deed from William E.
Pardon and wife, releasing to the
City of Ann Arbor certain rights re-
served in a warranty deed, executed
by said parties to George P. Burns,
May 18, 1907, and recorded in Liber
169, of deeds, on page 495, presented
and approved by City Attorney, Frank
B. DeVine.

Moved by Ald. Lutz, that deed be
accepted and City Clerk instructed to
have same recorded.

Adopted by the following vote:
Yeas, Ald. Heusel, Sugden, Mayer,
Huss, Andres, Henderson, Donnelly,
Markey, Hauser, Freeman, Lutz, Sink,
Pres. Reichert, 13. Nays, none.

 Street Commissioner.

Reports of City Treasurer, Clerk, Engineer, Street Commissioner and Acting Marshal for month of February, received and ordered to take usual course.

Ann Arbor, Mich., March 18, 1918.

To the Common Council: Gentlemen—You will see in the City Engineer's annual report, under the head Sanitary Sewers, District No. 85, that Killins' Subdivision Company agreed to pay the first quarter of the cost of Sewer No. 84, in order to reduce the bond issue on district 84, so that the bond issue for sewer district 85 would come within the limit provided by the charter for outstanding sewer bonds. On August 7th, 1917, Mr. Killins paid in \$2,103.00, one-fourth of the Engineer's estimate at that time. The final estimate of the cost of this sewer was \$7,218.53, of which the property to pay \$6,592.86, and the city \$625.67. This would make Killins' portion for the quarter as agreed \$1,648.22, therefore he has paid \$454.78 over amount due on agreement. In issuing bonds for said sewer, the Engineer's estimate, \$8,412.00, was used, and bonds due in 1921, the last quarter, to the amount of \$2,103.00, was cancelled. I recommend that the treasurer be authorized to accept from Mr. Killins \$1,269.91 (which amount with the \$2,103.00 already paid in, covers two quarters), and issue receipts for same covering first and fourth quarters sewer tax on sewer district number 84. As the \$2,103.00 cash, \$6,309.00 bond sale, and \$45.30 allowance on sewer pipe, making a total of \$8,457.30, was charged to Labor Account Sewer District No. 84, and sewer is now paid for, less 5 per cent, \$350.86, due contractor Nov. 5th, 1918. I further recommend that the sum of \$1,319.26 be transferred from Labor Account Sewer District No. 84, to Tax Account Sewer District No. 84, where it prop-

erly belongs to take up bonds when due.

Yours very respectfully, Ross Granger, City Treasurer.

By Ald. Huss: Resolved, that the communication from the City Treasurer, relative to sewer district 84, be made part of the minutes of this meeting. Resolved, further, that the treasurer be authorized to accept \$1,269.91 from Mr. Killins, and issue tax receipts covering first and fourth quarters on sewer district number 84. Resolved, further, that the sum of \$1,319.26 be and the same is hereby transferred from labor account sewer district number 84, to tax account sewer district number 84.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Andres, Henderson, Donnelly, Markey, Hauser, Freeman, Lutz, Sink, Pres. Reichert, 13. Nays, none.

Engineer's Estimates and Report.

City of Ann Arbor, Michigan, March 7, 1918.

To the Board of Public Works, Ann Arbor, Michigan: Sirs—I am presenting you herewith three statements of amounts still due Wm. Eddy & Son, and one of the amount due the city for work improperly done by them. The estimate for \$76.00 in favor of Wm. Eddy & Son on South State st. and Dewey ave., and the estimate for \$174.20 on Cambridge rd. and Baldwin ave storm sewer, are items that were by mistake omitted from their final estimate on these districts. The work was actually done by them, and out of fairness to them they deserve pay for it. We have measured the work very carefully and are satisfied that these amounts are still due them. The one for \$160.10, on Sanitary sewer district No. 75, was a clerical error on the final estimate in making deductions for the amount paid on previous estimates. While we regret these errors, especially inasmuch as they are the only three of the kind that have occurred since I have been City Engineer, and come all at once and right at the end of my tenure of office, they are nevertheless payments which are due Messrs. Wm. Eddy & Son for work done by them, and should in all fairness to them be presented to you and by you to the Council for payment.

The matter of sanitary sewer manhole at the corner of Seventh and Willow sts. is explained in my letter relative to it. The \$91.00 for rebuilding this manhole should be collected from Wm. Eddy & Son, before they are

paid the amounts due them on the three estimates previously referred to. Respectfully submitted: Manley Os-good, City Engineer.

City of Ann Arbor, Michigan, February 19, 1918.

To the Board of Public Works, Ann Arbor, Michigan: Sirs—On Seventh st., at the corner of Willow st., during the past year, it became necessary to tear down and entirely reconstruct a manhole which was built by Messrs. Wm. Eddy & Son, under their contract for Sanitary sewer district No. 68. Had this manhole been built in accordance with our specifications, rebuilding would not have been necessary. The total cost of rebuilding was \$91.00. I recommend deduction of that amount from moneys which are now due Messrs. Wm. Eddy & Son.

Respectfully submitted: Manley Os-good, City Engineer.

City of Ann Arbor, Michigan, February 19, 1918.

To the Board of Public Works, Ann Arbor, Michigan: Sirs—I find that in computing estimates for sanitary sewer on Hill st., Onondaga st., Berkshire rd. and Geddes ave., Dist. 75, errors were made in the deduction of amounts previously paid to the contractor, which leaves \$160.10 still due Messrs. Wm. Eddy and Son, contractors. I recommend payment of the amount to them.

Respectfully submitted, Manley Os-good City Engineer.

City of Ann Arbor, Michigan, February 19, 1918.

To the Board of Public Works, Arbor, Michigan: Sirs—I find that in computing the final estimate for storm sewer on State st. and Dewey ave., there was omitted from the estimate $9\frac{1}{2}$ cubic yards concrete in cradle, at \$8.00 per yard, making a total of \$76.00, due Messrs. Wm. Eddy & Son, and I recommend payment of this amount to them.

Respectfully submitted, Manley Os-good, City Engineer.

City of Ann Arbor, Michigan, February 19, 1918.

To the Board of Public Works, Ann Arbor, Michigan: Sirs—In computing the final estimate for storm sewer on Cambridge road and Baldwin avenue, there was omitted the following items:

74'-12" vit. pipe at 60c.....	\$44.40
22 cu. yds. 0-6' excavation at 50c.....	19.80
4 C. I. Inlet castings at \$18.00.	72.00
4-12" elbows at \$2.00.....	8.00

Add for special manhole..... 30.00

Total\$174.20

The above amount, \$174.20, is due Messrs. Wm. Eddy & Son, contractors, and I recommend payment to them. Respectfully submitted, Manley Os-good, City Engineer.

Moved by Mr. Scott, that report be presented to Council, and statements of amount due to Wm. Eddy & Son be approved and recommended to Council for payment, upon receipt of amount due city.

(Council action)

Moved by Ald. Sink, that recommendation of Board be concurred in and the City Clerk instructed to draw warrant for amount due Wm. Eddy & Son, when approved by City Attorney.

Adopted by following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Henderson, Donnelly, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

From Health Officer.

To the Honorable Common Council: Gentlemen—I respectfully ask that sanitary sewer be constructed on West Hoover st., from South Main street west for a distance of 634 feet, as soon as possible, as I regard such sewer as a sanitary necessity.

John A. Wessinger, Health Officer.
Referred to Sewer committee.

To the Honorable Common Council: Gentlemen—The time has come when your health department can no longer do the work required of it, unless extra help in some form is provided. We have made no inspections of dairies in the past nine months for the reason as above stated. I therefore respectfully ask that you supply this department with an automobile runabout.

John A. Wessinger, Health Officer.

Moved by Ald. Sink, that matter be referred to Finance and Sanitary committees. Adopted.

From Water Commissioners.

Ann Arbor, Mich., April 4, 1918.

To the Honorable Common Council of the City of Ann Arbor: Gentlemen—We respectfully ask that you confirm an increase in salary for Miss Louise Malloy, for \$85.00 per month. She has been in the service of this department since Nov. 10, 1913, acting as stenographer, bookkeeper, assistant cashier and general office work and is familiar with all details pertaining to this department. Her loss to us would be a serious one.

It is impossible to get a good sten-

ographer at a salary of \$75.00 per month, and we feel that she is worth, to this department, with her knowledge and experience, the salary we are asking you to confirm.

Very truly yours, Wirt Cornwell, Geo. J. Mann, John Lindenschmitt, Water Commissioners.

Moved by Ald. Henderson, that communication be referred to Finance and Water committees, and also the matter of salary of other employees of Water Works Department, with power to act.

Adopted by following vote: Yeas, Ald. Heusel, Sugden, Mayer, Huss, Henderson, Donnelly, Hauser, McGregor, Freeman, Lutz, Sink, Pres. Reichert, 12. Nays, none.

Claims.

Claim of Karl E. Gauss for \$31.60 for injuries to Ann H. Gauss, his wife, alleged to have been caused by ice on sidewalk, received and referred to City Attorney.

Claim of Barbara Oesterlin for \$126.00; of John W. Bradshaw for \$85.00; of Edward H. Kraus for \$55.00; of Otto Erdman for \$154.70; of E. C. Whelan for \$300.00; all for alleged damages during recent heavy rain storm, received and referred to City Attorney and Sewer committee.

Invitation received from Ann Arbor Civic Association to attend their annual meeting and dinner April 12, at 6 o'clock at Y. M. C. A.

Moved by Ald. Lutz, that invitation be accepted with thanks. Adopted.

Petitions.

Of Thomas Shirley, to be relieved from payment of sewer assessment on lots Nos. 24 and 25, Hamilton, Rose and Sheehan addition, received and on motion of Ald. Lutz, referred to Sewer committee and City Engineer.

Of Douglas Golden, asking for water service at 1414 Golden ave., received.

Moved by Ald. Sink, that matter be referred to Water committee to induce Water Commission to install main. Adopted.

Petitions for Street Oiling.

Of Ada B. Hill, et. al., on East University ave., 400 block.

Of Caroline Ellis, et. al., on Forest ave., between Cambridge road and Forest Court.

Of Mrs. J. C. Knowlton, et. al., on Hill st., between Olivia and Washtenaw aves.

Of Margaretta Lydecker, et. al., on Hill st., between Church st. and Olivia ave.

Of Samuel McC. Stanton, et. al., on

Special Committee on Resolutions.

To the Honorable the Common Council: Gentlemen—"Since the entrance of our country into the present world war, and the creation of the new national army many of the young men of our city and environs have left for the various military camps and naval training stations, and at the present time a goodly number of our representatives are fighting valiantly in France, and on the seas.

"We are proud of these young men. We trust and pray that success will crown their efforts and that when the

glorious peace to which we are all looking forward at last comes, many of them will return to us safely, their work well done. We honor and respect these patriots who have gone from our midst. They are making every sacrifice that right may prevail, and that we who are left behind and our allies may pursue our legitimate and rightful aims in life freely and without molestation. We realize, however, that some will never return and that others will return broken in mind and body. We honor them all.

"Two of our young men have already made the supreme sacrifice by giving up their lives; William Herman Wanzeck, and John Monahan, both of whom were stationed at Camp Custer. They were splendid types of manhood; each a loyal son of America. They were born in our city. Here they passed their boyhood, and attained young manhood, and each was loved by a wide circle of acquaintances.

"William Wanzeck passed away a few months ago as a result of illness contracted at camp, while but a few days ago we were grieved to learn of the death of John Monahan, as the result of an accident, while engaged in military duties.

"Although they were stricken in the course of their training, before they had had opportunity to meet the enemy on the field of battle we honor them equally, for they were ready and prepared to do all that lies within the power of mortal man, for their country.

"It is therefore fitting that this council recognize their valuable services and in token thereof

"It is resolved that a copy of this memorial be placed in the proceedings of this body, that a copy be sent to the families of the two young men, and that it be printed in the Times News of Ann Arbor.

Respectfully submitted: Charles A. Sink, Oscar Hauser, John W. Mark-ey, committee.

Ald. Sink moved the adoption of report, which was adopted by unanimous vote.

Respectfully submitted: ROSS GRANGER,
City Treasurer.

Ann Arbor Savings Bank, Ann Arbor, Mich.

To the Honorable Common Council of the city of Ann Arbor: Gentlemen—This is to certify that there was on deposit in the Ann Arbor Savings Bank to the credit of Ross Granger, City Treasurer, the sum of Eleven Thousand Three Hundred Three and 62-100 (\$11,303.62) Dollars at the close of business March 30th, 1918.

ROY B. HISCOCK, Ass't. Cashier.
Ann Arbor, Michigan, April 3rd, 1918.

Reports of City Treasurer, Clerk and Acting Marshal for month of March received and ordered to take usual course.

April 4, 1918.
To the Honorable, the Common Council, City of Ann Arbor: Gentlemen—In re claim of Charles and Alice Worden vs. City of Ann Arbor: The above entitled claim, which was referred to me by your honorable body under date of March 4th, 1918, not having been presented in accordance with the provisions of the Charter of the City of Ann Arbor, I respectfully recommend that it be not allowed.
Respectfully submitted: Frank B. Devine, City Attorney.
Moved by Ald. Lutz, that the report and recommendation of City At-

Jeffrey be adopted. Adopted by unanimous vote.

City Attorney Frank B. DeVine, to whom was referred the matter of exchange of property, made oral report that he had carefully considered the matter, and presented deed from Helen E. Steere, and recommended acceptance of same; and also presented deed from City of Ann Arbor to Joseph B. Steere, which he approved, being in exchange of property to correct the original deed to City of Steere Farm property.

By Ald. Sink: Resolved, that we accept and adopt the report of the city attorney relative to exchange of property between city and Jos. B. Steere and Helen E. Steere, and that deed of Helen E. Steere to City of Ann Arbor be accepted, and City Clerk be authorized to have same recorded and that the Mayor and City Clerk be authorized to execute deed to Jos. B. Steere, when the same is prepared by city attorney, and take this action to in full of all claims of the said Jos. B. Steere and Helen E. Steere against the city of Ann Arbor, relative to said property.

Adopted by the following vote: Yeas, Ald. Heusel, Sugden, Mayer, Lutz, Henderson, Donnelly, Hauser, McGeeor, Freeman, Lutz, Sink, Pres. Reichen, 12. Nays, none.

City Attorney made oral report that he had taken up with the Federal Reserve Board the matter of approval of bond issue to bring Steere Farm water to city.

The matter of grading Pontiac st. and lowering 5th ward polling place, was referred to Street committee.

Moved by Ald. Lutz, that Street Commissioner be instructed to raise the Broadway street water trough at once, on account of grading approach to new bridge. Adopted by unanimous vote.

To the Honorable Common Council, Ann Arbor, Mich.: Gentlemen—On August 6th, 1917 this department was authorized by the Council to proceed with the construction of the Island Park bridge by City force account. Due to the delay in obtaining the steel, this work was not started last fall. Before commencing this work I would like to inquire of the Council if it is still their wish that the Engineering department proceed with this work.

Respectfully submitted: Geo. H. Sandenburgh, Acting City Engineer.

It was the sentiment of Council that

Acting Engineer proceed with construction of bridge.

By Ald. Mayer: Resolved, that the Council resolve itself into a Board of Election Commissioners, and canvass the vote on the elections held in this city April 1, 1918. Adopted by unanimous vote.
